Mikalina It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time. Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough. Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by. Perfection. Stress-free. Exactly what I needed. Or maybe I was wrong about it all. I felt someone or something watching me from the darkened, dangerous woods. I felt someone-something-stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me. Renl wasn't human, not completely. A Lycan—a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate. For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct—that supernatural connection that told me she was mine and I hers—to finally take root and make me whole. And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search. Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation. Mine. She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on. I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine. Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

"A delicate weaving of myth and history, The Witch and the Tsar breathes new life into stories you think you know."—Hannah Whitten, New York Times bestselling author of *For the Wolf* In this stunning debut novel, the maligned and immortal witch of legend known as Baba Yaga will risk all to save her country and her people from Tsar Ivan the Terrible—and the dangerous gods who seek to drive the twisted hearts of men. As a half-goddess possessing magic, Yaga is used to living on her own, her prior entanglements with mortals having led to heartbreak. She mostly keeps to her hut in the woods, where those in need of healing seek her out, even as they spread rumors about her supposed cruelty and wicked spells. But when her old friend Anastasia—now the wife of the tsar, and suffering from a mysterious illness—arrives in her forest desperate for her protection, Yaga realizes the fate of all of Russia is tied to Anastasia's. Yaga must step out of the shadows to protect the land she loves. As she travels to Moscow, Yaga witnesses a sixteenth century Russia on the brink of chaos. Tsar Ivan—soon to become Ivan the Terrible—grows more volatile and tyrannical by the day, and Yaga believes the tsaritsa is being poisoned by an unknown enemy. But what Yaga cannot know is that Ivan is being manipulated by powers far older and more fearsome than anyone can imagine. Olesya Salnikova Gilmore weaves a rich tapestry of mythology and Russian history, reclaiming and reinventing the infamous Baba Yaga, and bringing to life a vibrant and tumultuous Russia, where old gods and new tyrants vie for power. This fierce and compelling novel draws from the timeless lore to create a heroine for the modern day, fighting to

save her country and those she loves from oppression while also finding her true purpose as a goddess, a witch, and a woman.
