Big Bad Wolf is the
second installment
in Christine
Warren's paranormal
romance series
titled The Others.
This is the first
book I have read in
this series and by
this author. It
started out pretty
promising in my

opinion and I was
immediately
engaged...but then
the romance started
and the audiobook
performance for the
male lead
completely ruined
it.

Another compelling
read in The Big Bad
Wolf Series (book no
3). Lucas embodies a
lot of women's secret
desire. He certainly
had me hooked! Big,
dark and brooding.

Black leather and
motor cycles. A
brooding loner, with
a sad history, oodles
of charisma,
sexuality oozing from
his pores and a prime
alpha male.
Definitely the stuff
of female fantasies!

If you like a good
supernatural romance,
check out "The Spell"
by Heather Killough-
Walden. It's book #3
in her Big Bad Wolf
Series. I give the

book itself a 4 star rating....but for the love of whatever you hold dear, don't download this through Audible! I promise you will thank me for that warning.
