"Happy Holidays 2015! It has been a rough year for the Quinns, but I would like to start by saying thank you for all of the well wishes and positive missives sent our way." A second Christmas on Nantucket finds Winter Street Inn owner Kelley Quinn reflecting on the past year as he writes a holiday letter to friends and family. Though the year has had its share of misfortune and worry, the Quinns have much to celebrate. Kelley, now single, at least is on better terms with his first wife Margaret, who is using her celebrity to lure customers to the inn in record numbers. Their son Kevin has a beautiful new baby, Genevieve, with the Inn's French housekeeper, Isabelle; and their daughter, Ava, is finally dating a nice guy--her devoted colleague, Scott. Now the Quinns are looking forward to celebrating Genevieve's baptism, welcoming Isabelle to the family, and enjoying the cheer of Nantucket's traditional Christmas Stroll. But just when a peaceful family gathering seems within reach, Kelley's estranged second wife, Mitzi, shows up on the island after souring on her relationship with the inn's former Santa Claus. Soon Kelley isn't the only Quinn entertaining a surprise guest from Christmases past as lovers old and new gather beneath the mistletoe.

With jealousy, passion, and eggnog consumption at an all-time high, it's going to take a whole lot more than a Christmas miracle to get the Quinns--and the inn--through the holidays intact. Follow the Quinn family through the entire Winter Street Series: Winter Street Winter Stroll Winter Storms Winter Solstice

Big Book of Stars and Planets Turtleback Books

What is a family? Once, it was said to be a father, mother, boy, girl, cat and dog living in a house with a garden. But as times have changed, families have changed too, and now there are almost as many kinds of families as colours of the rainbow - from a mum and dad or single parent to two mums or two dads, from a mixed-race family to children with different mums and dads, to families with a disabled member. Mary Hoffman takes a look through children's eyes at the wide varieties of family life: from homes, food, ways of celebrating, schools and holidays to getting around, jobs and housework, from extended families, languages and hobbies to pets and family trees - and she concludes that, for most people, their own family is the best one of all! With Ros Asquith's delightful pictures, this book takes a fresh, optimistic look at families of today.

The new installment in the popular Big Book series connects young readers from around the world by emphasizing that we all belong to the same planet Earth. The Big Book of Belonging is a timely celebration of all the ways that humans are connected to life on planet Earth. With children at the heart of every beautifully illustrated spread, this book draws parallels between the way humans, plants, and animals live and behave. We all breathe the same air and take warmth from the same sun, we grow, we adapt to the seasons, and we live together in family groups. Readers will be fascinated to learn that instead of using words to communicate, fava beans send chemical messages through their roots, Caribbean reef squid send warnings of danger and even declarations of love by changing color, and that adorable big-eyed primates called tarsiers make calls to one another over the noise of the rainforest that are too high-pitched for predators to hear. By putting children at the heart of the book's concept, author Yuval Zommer unites readers of the Big Book series from all corners of the world under one banner—of belonging to planet Earth. The book's gentle message of caring for nature will inspire readers of all ages and encourage a new generation of environmentalists to flourish.
