The Big Book of Christmas

Songs (Songbook) Amsco Music

From the bestselling author of *If I Were You* comes a nostalgic and endearing holiday story that reminds us that sometimes the most meaningful gifts are the ones we least expect and don't deserve. Best friends Audrey Barrett and Eve Dawson are looking forward to

celebrating Christmas in postwar America, thrilled at the prospect of starting new traditions with their five-year-old sons. But when the 1951 Sears Christmas Wish Book arrives and the boys start obsessing over every toy in it, Audrey and Eve realize they must first teach them the true significance of the holiday. They begin by helping Bobby and Harry plan gifts of encouragement and service for those in their community, starting by walking an elderly neighbor's yellow Lab--since a dog topped the boys' wish list for Santa. In the charming tale that follows, Audrey and Eve are surprised to find their own hearts healing from the tragedies of war and opening to the possibility of forgiveness and new love.

Christmas in the Big House,
Christmas in the Quarters
little bee books

Long ago, a little girl named Laura Ingalls lived in a little house in the Big Woods of Wisconsin with her Pa, her Ma, her sisters, Mary and Carrie, and their good old bulldog, Jack. Winter was just around the corner, and Laura worked hard to help make the little house ready for the cold days ahead. Soon there was frost on the windows and snow on the ground, but Laura and her folks were warm and cozy in their snug little house in the Big Woods. Laura Ingalls Wilder's Little House books have been cherished by generations of readers. Now for the first time, the youngest readers can share her adventures in these very special picture books adapted from Laura Ingalls Wilder's beloved storybooks. Renée Graef's warm paintings,

inspired by Garth Williams' classic Little House illustrations, bring Laura and her family lovingly to life.
