12-Story Library

What this book is NOT: The fear-based How-To on sex and consent, oversimplified and focused on technicalities, that represents so much of our sexual education today. What this book IS: A journey into the Big Questions that will turn you into a thinking person about sex and consent, with the ability to wrestle towards the answers that work for YOU and continue to wrestle towards them for the rest of your life. What is the meaning and purpose of sex? How does it intersect with who I am? Why are people so afraid of it? What does a healthy and joyful approach to sex look like for me? Why is consent so much more than a yes or no question? Who this book is FOR: Everybody!! No matter your sexuality, gender, religion, or race. What could be more essential?

Big Book of Answers (A TIME For Kids Book) HarperCollins

Jack Hanna's Big Book of How presents kids 8–12 years old with answers to the kinds of interesting questions that appeal to their sense of curiosity. Colorful graphics and intriguing photos will answer such questions as “How do Kangaroos Jump so high?” or “How do Parrots Talk?” or “How do Cheetahs run so fast?” The book is the next in the series and follows the

Jack Hanna Big Book of Why. “How” is the next biggest question that kids ask after why, and this book will help both kids and parents understand the animal world together as a fun, learning experience.

12 Questions about the US Constitution The Book of Questions Weave high-level questions into your teaching practices.

Biggest Ever Book of Questions & Answers Chronicle Books Have you ever finished reading a Bible passage, only to be left scratching your head and wondering why no study notes, devotionals, or commentaries answer your questions? The Big Book of New Testament Questions and Answers is an easy-to-follow Q&A handbook with vast insight into the entire New Testament. Rev. Dr. Michael Eschelbach draws from thirty years of experience counseling and teaching in parish and university settings to create a handy resource for students, Bible studies, and personal devotions. With countless references to parallel biblical texts, discover again and again how all of Scripture is connected.

If your tarot cards could speak, what questions would they ask? Questions are powerful catalysts for introspection and self-growth. They can lead us in surprising directions. Or reconnect us to long-buried truths. It is important to take time in our lives every so often to check in with ourselves and meditate on the thoughts and feelings that well-thought-out questions can generate. Usually we expect tarot cards to provide us with answers. In this book however, you will see that the cards themselves generate questions that you can use as prompts for journaling and discussion.

[The Big Book of New Testament Questions and Answers](#) Abingdon Press This is a great book to read while hanging around your favorite airport lounge, an over booked restaurant reservation line, or even your doctor's crowded waiting room. The Book of Answers Publications International Limited From the bestselling author of A More Beautiful Question, hundreds of big and small questions that harness the magic of inquiry to tackle challenges we all face--at work, in our relationships, and beyond. When confronted with almost any demanding situation, the act of questioning can help guide us to smart decisions. By asking questions, we can analyze, learn, and move forward in the face of uncertainty. But "questionologist" Warren Berger says that the questions must be the right ones; the ones that cut to the heart of complexity or enable us to see an old problem in a fresh way. In The Book of Beautiful Questions, Berger shares illuminating stories and compelling research on the power of inquiry. Drawn from the insights and expertise of psychologists, innovators, effective leaders, and some of the world's foremost creative thinkers, he presents the essential questions readers need to make the best choices when it truly counts, with a particular

focus in four key areas: decision-making, creativity, leadership, and relationships. The powerful questions in this book can help you: - Identify opportunities in your career or industry - Generate fresh ideas in business or in your own creative pursuits - Check your biases so you can make better judgments and decisions - Do a better job of communicating and connecting with the people around you Thoughtful, provocative, and actionable, these beautiful questions can be applied immediately to bring about change in your work or your everyday life.

Know Yourself Arcturus Editions

"Kids have questions...and The Big Book of Questions and Answers has the answers. Packed with fascinating information and humorous illustrations. From how much the Earth weighs to who invented the chocolate bar, this educational resource will keep children learning - and laughing." -- Amazon.com.

The Big Book of Questions & Answers Zondervan

An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer - with more than a million copies in print. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice. Over 1 million copies in print!

The Little Book of Big Questions Allen & Unwin

Answers questions most frequently asked by children about the world around them, animals, moving objects, their own bodies, and where everyday things come from.

Solving Science Questions Media Lab Books

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and " beautifully. " In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems-from " How can I adapt my career in a time of constant change? " to " How can I step back from the daily rush and figure out what really makes me happy? " By showing how to approach questioning with an open, curious mind and a willingness to work through a series of " Why, " " What if, " and " How " queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

The Big Book of Bible Questions Simon and Schuster

Be bold, be smart, and speak from the heart! Clark the Shark is ready to present his book report to the class. But at the last minute, Clark gets stage fright and clams up in front of everybody. With a little help from his teacher, Mrs. Inkydink, will Clark be able to overcome his fears? With easy-to-read text and Clark ' s trademark rhymes, this shark tale will prepare beginning readers to take a big bite out of reading! Also included are Clark the Shark ' s Bite-Sized Facts, real facts on shark communication, behavior, and more! Clark the Shark and the Big Book Report is a Level One I Can Read, which means it ' s perfect for children learning to sound out words and sentences. The Little Book of Big Ethical Questions Workman Publishing Perfect for your next dinner party discussion, The Little Book of Big Ethical Questions presents some of today ' s most thought-provoking ethical questions in a welcoming, easy-to-discuss Q&A format, with guidance from a renowned ethicist. Often a single question can spark a meaningful exchange—like " Would you apply for a job you know your friend is applying for? " Or " Should voting be mandatory? " Or what about police using facial recognition technology? Questions

like these spur us to consider: What would I have done? Is there one correct answer? And ultimately: How can ethics help us navigate these situations to find the best outcome for ourselves and others? An ethicist who advises leaders and organizations worldwide, Susan Liautaud asks intriguing questions that encourage lively discussion across a range of subjects, from family and friends to health and technology to politics, work, and consumer choices. She then walks through the ways you might approach each situation to find the best answer for you. Grab the book, gather a few friends, and dive in!

The Big Book of Tell Me how CF4Kids

Hundreds of questions on animals, record-breakers, holidays, music, games & toys, and much more.

The Big Book of Would You Rather Questions for Kids Bloomsbury Publishing USA

The phenomenon returns! Originally published in 1987, The Book of Questions, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child ' s college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? The Book of Questions may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

The Big Book of Questions and Answers about Jesus Rockridge Press Kids love to be asked questions almost as much as they love to ask them. And asking is important—parents know the value of having meaningful conversations with their kids, especially as family time is under continuous assault from gadgets and devices. Now the book that solves those needs is back—announcing a fresh new edition of The Kids ' Book of Questions. Including subjects like the Internet, school violence, and climate change, the book remains a timeless treasure. Here is a collection of questions designed to challenge, entertain, provoke, and expand young minds. These are the questions that let kids discover how they feel; let people know what

they think; raise issues that everyone loves to discuss. Gregory Stock, author of the original #1 bestselling Book of Questions, took his question-asking ways into schools and came back with over 200 questions, including Thorny dilemmas: Would you rather have a job you didn't like that paid a lot or a job you loved that paid just enough to get by? Embarrassing challenges: Would you kiss someone in front of your whole class for \$250? Provocative ideas: What things do you think your parents do just to set an example for you? Intriguing fantasies: If you could text any famous person and be sure they'd read and answer your text, who would you write to and what would you say? There is only one requirement: Give an honest answer. Then be amazed to see where one little question leads.

Jack Hanna's Big Book of How National Geographic Books

Provides answers to commonly asked questions such as "Why does my skin wrinkle in the tub?" and "Why do we see a rainbow?"

The Big Book of Bible Questions Workman Publishing Company

Questions! Questions! Questions! Children are full of them. Where did I come from? What is God like? Is there only one God?
