The Little Book of Big Questions is for anyone who has ever wanted the freedom to triumphantly navigate

almost any of life's situations. Sometimes the search for the answer can be more valuable than the answer itself. I came up with a series of hard-hitting probing questions that shifted my perspective and changed my life. Answer them thoroughly and honestly, and they will change yours, too. Or reconnect us to long-buried truths. It is important to take time in our lives every so often to check in with ourselves and meditate on the thoughts and feelings that well-thought-out questions can generate. Usually we expect tarot cards to provide us

with answers. In this book however, you will see that the cards themselves generate questions that you can use as prompts for journaling and discussion.

if you knew it would give you

To get the best answer-in
business, in life-you have to ask
the best possible question.
Innovation expert Warren
Berger shows that ability is both
an art and a science. It may be
the most underappreciated tool
at our disposal, one we learn to
use well in infancy-and then
abandon as we grow older.
Critical to learning, innovation,
success, even to happiness-yet
often discouraged in our schools
and workplaces-it can unlock
new business opportunities and
reinvent industries, spark
creative insights at many levels,
and provide a transformative
new outlook on life. It is the
ability to question-and to do so
deeply, imaginatively, and
“ beautifully. ” In this
fascinating exploration of the
surprising power of questioning,
innovation expert Warren
Berger reveals that powerhouse
businesses like Google, Nike,
and Netflix, as well as hot Silicon
Valley startups like Pandora and
Airbnb, are fueled by the ability
to ask fundamental, game-
changing questions. But Berger
also shares human stories of
people using questioning to
solve everyday problems-from
“ How can I adapt my career in
a time of constant change? ” to
“ How can I step back from the
daily rush and figure out what
really makes me happy? ” By

showing how to approach questioning with an open, curious mind and a willingness to work through a series of “ Why, ” “ What if, ” and “ How ” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.
