"Zea mays L. is a potential producer of cereal crops and the dominant primary energy source of feed for monogastric animals, such as poultry. The first chapter in this book aims to determine the potential of phytase-producing endophytic bacteria, as an invisible avail for Zea mays L. High phytate levels in maize seeds is a problem encountered when used as raw material in poultry feed. The second chapter of this book focuses on the physical traits, chemical composition, and their relationship with wet-milling properties and nutritional quality parameters of maize hybrids of different maturity

groups and various endosperm types (dent, semi-dent and flint). Finally, Mesoamerican cultures are generally regarded as advanced societies that, among other contributions to humanity, are known to have domesticated cultivated plants as Zea mays. Maize is one of the staple foods of the Mexican population and the practice of nixtamalization of maize seeds before Spanish conquest in 1521, is fundamental in the preparation of dough for tortillas. The last chapter examines the effect of salicylic acid in maize bioproductivity"--

National Bestseller A hilarious and emotionally charged novel about a couple who embark on an open marriage-what could possibly go wrong? Lucy and Owen, ambitious, thoroughly-therapized New Yorkers, have taken the plunge, trading in their crazy

life in a cramped apartment for Beekman, a bucolic Hudson Valley exurb. They've got a two hundred year-old house, an autistic son obsessed with the Titanic, and 17 chickens, at last count. It's the kind of paradise where stay-at-home moms team up to cook the school's "hot lunch," dads grill grass-fed burgers, and, as Lucy observes, "chopping kale has become a certain kind of American housewife's version of chopping wood." When friends at a wine-soaked dinner party reveal they've made their marriage open, sensible Lucy balks. There's a part of her, though-the part that worries she's become too comfortable being invisible-that's intrigued. Why not try a short marital experiment? Six months, clear ground rules, zero questions asked.

When an affair with a man in the city begins to seem more enticing than the happily-ever-after she's known for the past nine years, Lucy must decide what truly makes her happy—"real life," or the "experiment?"

From Wall Street Journal, USA Today Bestselling and RITA® Award-winning Author Kennedy Ryan, comes a captivating second chance romance like only she can deliver... The boy who always felt like mine is now the man I can't have... Dig a little and you'll find photos of me in the bathtub with Ezra Stern. Get your mind out of the gutter. We were six months old. Pry and one of us might confess we saved our first kiss for each other. The most clumsy, wet, sloppy... spectacular thirty seconds of my adolescence. Get into our business and you'll see two families, closer than blood, torn apart in an instant. Twenty years later, my "awkward duckling" best friend from childhood, the boy no one noticed, is a man no one can ignore. Finer. Fiercer. Smarter. Taken. Tell me it's wrong. Tell me the boy

who always felt like mine is now the man I can't have. When we find each other again, everything stands in our way--secrets, lies, promises. But we didn't come this far to give up now. And I know just the move to make if I want to make him mine.

New York Times bestselling author J. A. Redmerski brings us the breathtaking sequel to her novel *The Edge of Never*. When everything falls apart, love remains . . . *The Edge of Always* Camryn Bennett has never been happier. Five months after meeting on a Greyhound bus, she and her soul mate Andrew Parrish are engaged—and a wedding isn't the only special event in their future. Nervous but excited, Camryn can't wait to begin the rest of her life with Andrew, a man she knows in her heart will love her always. They have so much to look forward to—until tragedy blindsides them. Andrew doesn't understand how this

could happen to them. He's trying to move on, and thought Camryn was doing the same. But when Andrew discovers Camryn is secretly harboring a mountain of pain and attempting to numb it in damaging ways, there is nothing he won't do to bring her back to life. Determined to prove that their love can survive anything, Andrew decides to take Camryn on a new journey filled with hope and passion. If only he can convince her to come along for the ride...

My Ex-Life Farrar, Straus and Giroux (BYR)
Cutting-edge science and the ancient wisdom of Buddhism have come together to reveal that, contrary to popular belief, we have the power to literally change our brains by changing our minds. Recent pioneering experiments in neuroplasticity—the ability of the brain to change in response to experience—reveal that the brain is capable of altering its structure and function, and even of generating new neurons, a power we retain well into old age. The brain can adapt, heal, renew itself after trauma, compensate for disabilities, rewire itself to overcome dyslexia, and break cycles of depression and OCD. And as scientists are learning from studies performed on

Buddhist monks, it is not only the outside world that can change the brain, so can the mind and, in particular, focused attention through the classic Buddhist practice of mindfulness. With her gift for making science accessible, meaningful, and compelling, science writer Sharon Begley illuminates a profound shift in our understanding of how the brain and the mind interact and takes us to the leading edge of a revolution in what it means to be human. Praise for *Train Your Mind, Change Your Brain* “ There are two great things about this book. One is that it shows us how nothing about our brains is set in stone. The other is that it is written by Sharon Begley, one of the best science writers around. Begley is superb at framing the latest facts within the larger context of the field. This is a terrific book. ” —Robert M. Sapolsky, author of *Why Zebras Don ’ t Get Ulcers* “ Excellent . . . elegant and lucid prose . . . an open mind here will be rewarded. ” —Discover “ A strong dose of hope along with a strong does of science and Buddhist thought. ” —The San Diego Union-Tribune *Train Your Mind, Change Your Brain* Little, Brown Nominated for a 34th annual Lambda Literary Award • A scintillating thriller with an emotional punch: “ The tension builds to unbearably claustrophobic levels. To say more would rob readers of the 'no, he didn ’ t' suspense that makes *Bath Haus* an unexpectedly twisted, heart-

pounding cat-versus-mouse thriller" (Los Angeles Times). *Oliver Park*, a recovering addict from Indiana, finally has everything he ever wanted: sobriety and a loving, wealthy partner in Nathan, a prominent DC trauma surgeon. Despite their difference in age and disparate backgrounds, they've made a perfect life together. With everything to lose, Oliver shouldn't be visiting *Haus*, a gay bathhouse. But through the entrance he goes, and it's a line crossed. Inside, he follows a man into a private room, and it's the final line. Whatever happens next, Nathan can never know. But then, everything goes wrong, terribly wrong, and Oliver barely escapes with his life. He races home in full-blown terror as the hand-shaped bruise grows dark on his neck. The truth will destroy Nathan and everything they have together, so Oliver does the thing he used to do so well: he lies. What follows is a classic runaway-train narrative, full of the exquisite escalations, edge-of-your-seat thrills, and oh-my-god twists. P. J. Vernon's *Bath Haus* is perfect for readers curious for their next must-read novel. [Some Kind of Perfect](#) More Series

Winner of the Phillip H. McMath Award for prose In *Mannequin and Wife*, the debut story collection from Jen Fawkes, sharp and imaginative tales trip seamlessly across borderlands, navigating comedy and tragedy, psychological and magical realism, the mundane and the marvelous. Readers of these adventurous fictions will encounter a flock of stenographers, the strongest woman alive, a taxidermist with anger issues, an Elephant Girl, a fairy on her lunch break, and a married couple who live with a department store mannequin. Elsewhere, an American actor impersonates a code-breaking Britisher during World War II. A mother awaiting her son ’ s return discovers his personal ad soliciting the services of a cannibal (and fears the worst). A criminal mastermind ’ s prot é g é plots the destruction of Mount Rushmore from within an extinct volcano. A man buys a drive-in theater and transforms it into a carnival sideshow. And an attorney puzzles over how to leave someone his deceased client ’ s heart. Fawkes ’ s award-winning stories examine the vagaries of

human relationships—mother and child, husband and wife, mentor and protégé—to tease out the startling complications that arise from our entanglements with those we loathe and those we love.

AN INSTANT #1 NEW YORK TIMES BESTSELLER
Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes

a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places

where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

BESTSELLER Respectable Lady Seeks Dependable Shop Girl.

Those averse to magic need not apply. New York in the spring of 1880 is a place alive with wonder and curiosity. Determined to learn the truth about the world, its residents enthusiastically engage in both scientific experimentation and spiritualist pursuits. Séances are the entertainment of choice in exclusive social circles, and many enterprising women—some possessed of true intuitive powers, and some gifted with the art of performance—find work as mediums. Enter Adelaide Thom and Eleanor St. Clair. At their humble teashop, Tea and Sympathy, they provide a place for whispered confessions, secret cures, and spiritual assignments for a select society of ladies, who speak the right words and ask the right questions. But the profile of Tea and Sympathy is about to change with the fortuitous arrival

of Beatrice Dunn. When seventeen-year-old Beatrice leaves the safety of her village to answer an ad that reads "Respectable Lady Seeks Dependable Shop Girl. Those averse to magic need not apply," she has little inclination of what the job will demand of her. Beatrice doesn't know it yet, but she is no ordinary small-town girl; she has great spiritual gifts—ones that will serve as her greatest asset and also place her in grave danger. Under the tutelage of Adelaide and Eleanor, Beatrice comes to harness many of her powers, but not even they can prepare her for the evils lurking in the darkest corners of the city or the courage it will take to face them.

“ In Breathing Underwater, Sarah Allen has created characters so alive and compelling that readers will root for them every mile of this moving, heartfelt journey. ”

—Dan Gemeinhart, author of The Remarkable Journey of Coyote Sunrise A sparkly, moving middle grade novel from Sarah Allen, and a big-hearted exploration of sisterhood, dreams, and what it means to be there for someone you love. Olivia is on the road trip of her dreams, with her trusty camera and her big sister Ruth by her side. Three years ago, before their family moved from California to Tennessee, Olivia and Ruth buried a time capsule on their favorite beach. Now, they ' re taking an RV back across the country to uncover the memories they left behind. But Ruth ' s

depression has been getting worse, so Olivia has created a plan to help her remember how life used to be: a makeshift scavenger hunt across the country, like pirates hunting for treasure, taking pictures and making memories along the way. All she wants is to take the picture that makes her sister smile. But what if things can never go back to how they used to be? What if they never find the treasure they're seeking?

Through all the questions, loving her sister, not changing her, is all Olivia can do—and maybe it's enough.

Alia Dunn has finally gotten her big break. After years of working her way up at TV's top outdoor travel channel, she gets the green light from network executives to bring her dream project to life: produce a series about Utah's national parks. It's a touching tribute to her late apong, who sparked Alia's passion for travel and the outdoors as a kid. Alia is thrilled—until she meets her newest crew member, Drew

Irons. The same Drew she had the most amazing first date with two weeks ago—who then ghosted her. The same Drew who has the most deliciously thick forearms and who loves second-guessing her every move on set in front of the entire crew. It's not long before the tension between them turns hotter than the Utah desert in the dead of summer, and their steamy encounters lead to major feelings. But when the series host goes rogue one too many times, jeopardizing the entire shoot, Alia realizes that she'll need to organize one hell of a coup to save her show—and she'll need Drew's help to do it. It's the riskiest move she's ever made. If she pulls it off, she'll end up with a hit series and her dream guy . . . but if it all goes wrong, she could lose both.
