The Big Love was a Big Flop. A lackluster story that felt like a failed attempt at being witty, this "love" tale was anything but. Alison is in

love with Tom, her boyfriend of several years.

The Big Love book by Sarah Dunn - Thriftbooks

Deftly mixing humor and pathos, Sarah Dunn's *Secrets to Happiness* delivers an entertaining story of professional women living the city life. It has been likened to a hybrid of Candace Bushnell, Edith Wharton, and Jane Austen, and Kirkus Reviews calls it a "smart chick-lit tale with dark undertones."

I looked up Sarah Dunn's other books after reading her newest, "The Arrangement", and enjoyed "The Big Love" just as much. The character's stream of consciousness asides and narrative interruptions are witty and relatable, and make you feel like you're having a conversation with a friend.

The Big Love by Sarah Dunn - Goodreads

The Big Love is a humorous, light hearted look at one woman's world; her relationships, career, life style, etc. I totally empathized with the main character who struggles with a cheating lover, an unappreciative boss, workplace jealousy, misguided religious values and more!

Sitcom writer (Murphy Brown, Spin City) Dunn ' s first novel is breathy and hurried, as if a self-absorbed friend (just a garden-variety narcissist, with some empathic abilities) were crying in her Cosmo. So what ' s stopping our narratrix Alison Hopkins from finding " Big Love, " especially after getting her cheese moved by her long-term boyfriend and cohabitant, Tom Hathaway, he of the ugly leather couch he didn ' t consult her about before buying?
