The Edge of Always Nova Science Publishers

The successful but lonely daughter of a powerful New York theater icon falls for her childhood imaginary friend in this touching love story. As a little girl, Jane has no one. Her mother, a powerful Broadway producer, makes time for her only once a week, for their Sunday trip to admire jewelry at Tiffany's. Jane has only one friend: a handsome, comforting, funny man named Michael. He's perfect. But only she can see him. Years later, Jane is in her thirties and just as alone as ever. Then she meets Michael again—as handsome, smart and perfect as she remembers him to be. But not even Michael knows the reason they've really been reunited. Sunday at Tiffany's is a love story with an irresistible twist, a novel about the child inside all of us and the boundary-crossing power of love.

Love Wins Little, Brown

Losing her beloved husband in a tragic accident only to be informed that she must leave her comfortable Upper West Side home, Emily learns disturbing truths about her late husband's true character and embarks on a journey for answers in the company of a scruffy little dog.

State of Terror Little, Brown

A progressive New York couple with an autistic son move to a bucolic Hudson Valley exurb and immerse themselves in the local community only to have their bond tested by an invitation to become an open-marriage couple.

Dangerous Remedy Penguin

National Bestseller Best Book of the Year: NPR, Shelf Awareness  
"I didn't know how much I needed a laugh until I began reading Stephen McCauley's new novel, My Ex-Life. This is the kind of witty, sparkling, sharp novel for which the verb 'chortle' was invented." —Maureen Corrigan, Fresh Air  
"McCauley fits neatly alongside Tom Perrotta and Maria Semple in the category of 'Novelists You'd Most Like to Drive Across the Country With.'"

—The New York Times Book Review David Hedges's life is coming apart at the seams. His job helping San Francisco rich kids get into the colleges of their (parents') choice is exasperating; his younger boyfriend has left him; and the beloved carriage house he rents is being sold. His solace is a Thai takeout joint that delivers 24/7. The last person he expects to hear from is Julie Fiske. It's been decades since they've spoken, and he's relieved to hear she's recovered from her brief, misguided first marriage. To him, Julie definitely doesn't have a problem with marijuana (she's given it up completely, so it doesn't matter if she gets stoned almost daily) and the Airbnb she's running out of her seaside house north of Boston is neither shabby nor illegal. And she has two whole months to come up with the money to buy said house from her second husband before their divorce is finalized. She'd just like David's help organizing college plans for her seventeen-year-old daughter. That would be Mandy. To quote Barry Manilow, Oh Mandy. While she knows she's smarter than most of the kids in her school, she can't figure out why she's making so many incredibly dumb and increasingly dangerous choices? When David flies east, they find themselves living under the same roof (one David needs to repair). David and Julie pick up exactly where they left off thirty years ago—they're still best friends who can finish each other's sentences. But there's one broken bit between them that no amount of home renovations will fix. In prose filled with hilarious and heartbreakingly accurate one-liners, Stephen McCauley has written a novel that examines how we define home, family, and love. Be prepared to laugh, shed a few tears, and have thoughts of your own ex-life triggered. (Throw pillows optional.)

Pug Actually Hachette UK

A sassy, fresh and hilarious debut novel for anyone who's ever lost a man, discovered great sex or found the perfect romance. When Alison sends her boyfriend Tom out in the middle of a dinner party to buy Dijon mustard, the last thing she expects is his phone call telling her that he isn't coming back. Not now. Not ever. While Alison tries to figure out where she went wrong with Tom, she realizes she has some serious catching up to do and that

---

when freedom beckons, you'd be mad not to follow. After all, of the two men she's slept with, one was gay and one was Tom. She's got a handsome new boss, decades of evangelical guilt to offload and an urge to have undefined-yet-presumably-meaningless sex with the aforementioned boss. But is this enough? And if Tom isn't the Big Love, who on earth is?

**Itty Bitty** Harper Collins

A hilarious and emotionally charged novel about a couple who embark on an open marriage-what could possibly go wrong? Lucy and Owen, ambitious, thoroughly-therapized New Yorkers, have taken the plunge, trading in their crazy life in a cramped apartment for Beekman, a bucolic Hudson Valley exurb. They've got a two hundred year-old house, an autistic son obsessed with the Titanic, and 17 chickens, at last count. It's the kind of paradise where stay-at-home moms team up to cook the school's "hot lunch," dads grill grass-fed burgers, and, as Lucy observes, "chopping kale has become a certain kind of American housewife's version of chopping wood." When friends at a wine-soaked dinner party reveal they've made their marriage open, sensible Lucy balks. There's a part of her, though-the part that worries she's become too comfortable being invisible-that's intrigued. Why not try a short marital experiment? Six months, clear ground rules, zero questions asked. When an affair with a man in the city begins to seem more enticing than the happily-ever-after she's known for the past nine years, Lucy must decide what truly makes her happy-"real life," or the "experiment?"

**Emily & Einstein** Vintage

"The next best young adult novel."—Huffington Post Mariam Just Wants to Fit In. That's not easy when she's the only Egyptian at her high school and her parents are super traditional. So when she sneaks into a party that gets busted, Mariam knows she's in trouble...big trouble. Convinced she needs more discipline and to reconnect with her roots, Mariam's parents send her to Cairo to stay with her grandmother, her sattu. But Mariam's strict sattu and the country of her heritage are nothing like she imagined, challenging everything Mariam once believed. As Mariam searches for the courage to be true to herself, a teen named Asmaa calls on the people of Egypt to protest their president. The country is on the brink of revolution—and now, in her own way, so is Mariam.

**The Arrangement** iUniverse

National Book Award Finalist • Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities--with the help of amphetamines, arsenic, and radioisotopes. Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

**What You Don't Know About Charlie Outlaw** AAPC Publishing

What I know: a boy in my class will one day unleash a deadly pandemic that wipes out two-thirds of the population. What I don't know: who he is. In a race against the clock, I not only have to figure out his identity, but I'll have to outwit a voice from the future telling me to kill him. Because I'm starting to realize no one is telling the truth. But how can I play chess with someone who already knows the outcome of my every move? Someone so filled with malice they've lost all hope in humanity? Well, I'll just have to find a way—because now they've drawn a target on the only boy I've ever loved...

**The Arrangement** Little, Brown

Presents ways for young children with anxiety to recognize when they are losing control and constructive ways to deal with it.

**Official Slacker Handbook** Candlewick Press

Before you get down on bended knee... ..you should be pretty darn sure the answer will be yes. For ten years, Connor O'Rourke has been waiting for Jessica Dunn to take their on-again, off-again relationship public, and he thinks the time has come. His restaurant is thriving, she's got her dream job at Blue Heron Vineyard—it's the perfect time to get married. When he pops the question, however, her answer is a fond but firm no. If it ain't broke, why fix it? Jess has her hands full with her younger brother, who's now living with her full-time, and a great career after years of waitressing. What she and Connor have is perfect: friends with an excellent benefits package. Besides, with her difficult past (and reputation), she's positive married life isn't for her. But this time, Connor says it's all or nothing. If she doesn't want to marry him, he'll find someone who does. Easier said than done, given that he's never loved anyone but her. And maybe Jessica isn't quite as sure as she thinks...

**The Big Love** Farrar, Straus and Giroux (BYR)

A radiant talent on the brink of making it big in Nashville must confront her small-town past and an old love she's never forgotten in this engaging novel—a soulful ballad filled with romance, heartbreak, secrets, and scandal from the author of *Season of the Dragonflies*. Playing to packed houses while her hit song rushes up the charts, country singer and fiddler Jo Lover is poised to become a one-name Nashville star like her idols, Loretta, Reba, and Dolly. To ensure her success, Jo has carefully crafted her image: a pretty, sassy, down-to-earth girl from small-town Virginia who pours her heart into her songs. But the stage persona she's built is threatened when her independent label merges with big-time Capitol Records, bringing Nashville heartthrob JD Gunn—her first love—back into her life. Long ago Jo played with JD's band. But they parted ways, and took their own crooked roads to stardom. Now Jo's excited—and terrified—to see him again. When the label reunites them for a show, the old sparks fly, the duet they sing goes viral, and fans begin clamoring for more—igniting the media's interest in the compelling singer. Why is a small-town girl like Jo so quiet about her past? When did she and JD first meet? What split them apart? All too soon, the painful secret she's been hiding is uncovered, a shocking revelation that threatens to destroy her reputation and her dreams. To salvage her life and her career, Jo must finally face the past—and her feelings for JD—to become the true Nashville diva she was meant to be.

**Lapse** Zephyr

The first in a historical adventure series set in the extravagant and deadly world of the French Revolution. A whirlwind of action, science and magic reveals, with a diverse cast of fearless heroines, a band of rebels like no other.

**Sundays at Tiffany's (Bonus Edition)** Penguin

"Zea mays L. is a potential producer of cereal crops and the dominant primary energy source of feed for monogastric animals, such as poultry. The first chapter in this book aims to determine the potential of phytase-producing endophytic bacteria, as an invisible avail for Zea mays L. High phytate levels in maize seeds is a problem encountered when used as raw material in poultry feed. The second chapter of this book focuses on the physical traits, chemical composition, and their relationship with wet-milling properties and nutritional quality parameters of maize hybrids of different maturity groups and various endosperm types (dent, semi-dent and flint). Finally, Mesoamerican cultures are generally regarded as advanced societies that, among

---

other contributions to humanity, are known to have domesticated cultivated plants as *Zea mays*. Maize is one of the staple foods of the Mexican population and the practice of nixtamalization of maize seeds before Spanish conquest in 1521, is fundamental in the preparation of dough for tortillas. The last chapter examines the effect of salicylic acid in maize bioproductivity"--

#### The Whole Way Home MIRA

Holly Frick has just endured the worst kind of breakup: the kind where you're still in love with the person leaving you. While her wounds are still dangerously close to the surface, her happily married best friend confesses over a bottle of wine that she is this close to having an affair. And another woman comes to Holly for advice about her love life--with Holly's ex! Holly decides that if everyone around her can take pleasure wherever they find it, so will she. As any self-respecting 30ish New York woman would do, she brings two males into her life: a flawed but endearing dog, and a good natured, much younger lover. She's soon entangled in a web of emails, chance meetings, and misguided good intentions and must forge an entirely new path to Nirvana. From the author of *The Big Love*, *Secrets to Happiness* is a big-hearted, knife-sharp, and hilariously entertaining story about the perils of love and friendship, sex and betrayal--and a thoroughly modern take on our struggle to be happy.

#### *Big love* HQN Books

In the *Age of Love and Chocolate* is the story of growing up and learning what love really is. It showcases the best of Gabrielle Zevin's writing for young adults: the intricate characterization of *Memoirs of a Teenage Amnesiac* and the big-heartedness of *Elsewhere*. *All These Things I've Done*, the first novel in the *Birthright* series, introduced us to timeless heroine Anya Balanchine, a plucky sixteen year old with the heart of a girl and the responsibilities of a grown woman. Now eighteen, life has been more bitter than sweet for Anya. She has lost her parents and her grandmother, and has spent the better part of her high school years in trouble with the law. Perhaps hardest of all, her decision to open a nightclub with her old nemesis Charles Delacroix has cost Anya her relationship with Win. Still, it is Anya's nature to soldier on. She puts the loss of Win behind her and focuses on her work. Against the odds, the nightclub becomes an enormous success, and Anya feels like she is on her way and that nothing will ever go wrong for her again. But after a terrible misjudgment leaves Anya fighting for her life, she is forced to reckon with her choices and to let people help her for the first time in her life.

#### **On Location** Little, Brown

Can you fall in love for the first time twice? A recently widowed woman is about to find out when she wakes up and finds herself eighteen again in this "highly entertaining" story of second chances (*Guardian*) by the star of *Peep Show* Kate's husband Luke -- the man she loved from the moment she met him twenty-eight years ago -- died suddenly. Since then she has pushed away her friend and lost her job, and everything is starting to fall apart. One day, she wakes up in the wrong room and in the wrong body. She is eighteen again but remembers everything. This is her college room in 1992 on the first day of orientation. And this is the day she meets Luke. Kate knows how he died, and that he's already ill. But Luke is not the man that she lost: he's still a boy -- the annoying nineteen-year-old English student she first met. If they can fall in love again despite everything, she might just be able to save him. She's going to try to do everything exactly the same . . .

#### **Drafting and Design Simplified** Sphere

"More than a glitzy Hollywood tale... It's a surprisingly insightful, even poignant meditation on stardom."--*Entertainment Weekly* ("Must List") The celebrated author of *The Myth of You and Me* explores an untraditional love story through the lens of a character actor who must finally become the

hero of her own story. One of *Entertainment Weekly's* "5 Books to Read if You Loved *A Star is Born*" After a series of missteps in the face of his newfound fame, actor Charlie Outlaw flees to a remote island in search of anonymity and a chance to reevaluate his recent breakup with his girlfriend, actress Josie Lamar. But soon after his arrival on the peaceful island, his solitary hike into the jungle takes him into danger he never anticipated. As Charlie struggles with gaining fame, Josie struggles with its loss. The star of a cult TV show in her early twenties, Josie has spent the twenty years since searching for a role to equal that one, and feeling less and less like her character, the heroic Bronwyn Kyle. As she gets ready for a reunion of the cast at a huge fan convention, she thinks all she needs to do is find a part and replace Charlie. But she can't forget him, and to get him back she'll need to be a hero in real life.

#### *Greek Ghosts* Penguin

Holly Frick just went through the worst kind of divorce: the one where you're still in love with the person divorcing you. Facing up to life on her own, she needs a distraction to keep her mind off her own non-existent love life. Like Jane Austen's *Emma Woodhouse*, Holly is intimately involved in the lives of those closest to her, and now she feels compelled to give advice with unwavering moral certainty. And, like *Emma*, she is often completely off the mark. Soon she's in over her head, advising her ex-boyfriend's new girlfriend while at the same time falling for her married friend's new lover. Until, happiness arrives from a very unexpected source . . . With a contemporary twist on Woody Allen's *Manhattan*, *Secrets to Happiness* is a hilarious look at the things people will do to be happy.
