Simon, Sam, and her latest release Billionaire's Obsession, The  
story of Max and Mia. Jan's stories, whether they are  
contemporary romances or paranormal are always emotional  
and omg, sizzling. I love the fact that you can pick up one of her  
books and it can stand alone, although if you read the whole  
series it will introduce you to the rest of the wonderful characters

**Billionaire's Obsession - Book Series In Order**

The Billionaire's Obsession. review 1: The story was a bit ridiculous and the authors insistence of the men constantly saying that their "woman" is "mine" and said women constantly asking them to "fuck me" is a bit much. Yes they are "alpha males" but it is a little too much at times.
