The Birth Order Book: Why You Are the Way You Are by Kevin ...

Birth order helps explain so much about family dynamics, personal temperaments and personality, characteristics, and our children's quirks.

The first time I heard about Birth Order, I nearly fainted. It was so spot on for me – a lonely only – that I *knew* they were onto something. Not that each of us and our personalities are set in stone, mind you, but that based on where we are born in the family (first born, middle child, baby of the family, or anywhere in between) certain traits ...

What does your birth order mean? / Psychologies

First is how you are parented – this matters more than your birth order position because your

parents are your role models for life. The second influential factor is the birth order position of your parents, and the third is the spacing between children. So there is no rule – they are guidelines to get to know ourselves, and each other better.
