updated edition of one of Canada's most successful and enduring dramas, *Billy Bishop Goes to War*, includes the original Los Angeles Drama Critics' Award and Governor General's Award-winning 1982 musical play, plus the 2010 re-working of the script. In this new edition, the World War I flying ace--credited with seventy-two victories and billed as the top ace in the British Empire--appears in his later years, reflecting on his wartime

exploits. Cast of two men. *Words in Air Emblem Editions* When Garnet Raven was three years old, he was taken from his home on an Ojibway Indian reserve and placed in a series of foster homes. Having reached his mid-teens, he escapes at the first available opportunity, only to find himself cast adrift on the streets of the big city. Having skirted the urban underbelly once too often by age 20, he finds himself thrown in jail. While there, he gets a surprise letter from his long-forgotten native family. The sudden

communication from his past spurs him to return to the reserve following his release from jail. Deciding to stay awhile, his life is changed completely as he comes to discover his sense of place, and of self. While on the reserve, Garnet is initiated into the ways of the Ojibway--both ancient and modern--by Keeper, a friend of his grandfather, and last fount of history about his people's ways. By turns funny, poignant and mystical, *Keeper's Me* reflects a positive view of Native life and philosophy--as well as casting fresh light on the redemptive

power of one's community and traditions.

their clan. There is the legendary patriarch who left the Scottish Highlands in 1779 and resettled in “ the land of trees,” where his descendents became a separate Nova Scotia clan. There is the team of brothers and cousins, expert miners in demand around the world for their dangerous skills. And there is Alexander and his twin sister, who have left Cape Breton and prospered, yet are haunted by the past. Elegiac, hypnotic, by turns joyful and sad, No Great Mischief is a spellbinding story of family, loyalty, exile, and

of the blood ties that bind us, generations later, to the land from which our ancestors came. Folklore of Nova Scotia Cambridge University Press A stunning personal account of

Janet Merlo's twenty years of service in the RCMP, with an introduction by Linden MacIntyre. In 2012, Janet Merlo was among the first female RCMP officers to publicly allege she had experienced sexual harassment and gender discrimination while serving in Canada's national police force. The women kept silent for so long, she says, because there was no one to

tell. In this courageous memoir, Janet recalls how her love of policing was soured by covert and overt sexism within the ranks and by an institutional culture that valued toughness and silence over ethics and accountability. Tracing her twenty years in uniform, Merlo 's story details the highs and lows of her career in the RCMP – while her mental health and personal

life disintegrated. Eventually, the cost of keeping quiet was simply too high, and her story emerges as a lone, brave voice seeking change. Historical and Descriptive Account of the Island of Cape Breton Talonbooks Limited Elizabeth Bishop is increasingly recognised as one of the twentieth century's most original writers. Consisting of thirty-five groundbreaking essays by an international team of authors, including biographers,

literary critics, poets and translators, this volume addresses the biographical and literary inception of Bishop's originality, from her formative upbringing in New England and Nova Scotia to long residences in New York, France, Florida and Brazil. Her poetry, prose, letters, translations and visual art are analysed in turn, followed by detailed studies of

literary movements such as surrealism and modernism that influenced her artistic development. Bishop's encounters with nature, music, psychoanalysis and religion receive extended treatment, likewise her interest in dreams and humour. Essays also investigate the impact of twentieth-century history and politics on Bishop's life

writing, and what it means to read Bishop via eco-criticism, postcolonial theory and queer studies. Why Men Lie Dell From the Giller Prize-winning author of *The Bishop's Man* comes a bestselling classic childhood memoir, full of humour and heartache, set in Cape Breton Island Linden MacIntyre remembers vividly the day construction started on the causeway. September 15, 1952, was the day that *Change*—always

for the better and always from away—arrived to link his small Cape Breton village with the wide world of the mainland. With its grand promises of jobs and riches and progress, the building of the Canso Causeway also became a potent personal icon for MacIntyre, the road that would bring him closer to the father who was always away. In a highly evocative memoir—at once a vibrant coming-of-age story, a portrait of a vanishing way of life and a luminous reflection on fathers and sons—MacIntyre

fills his pages with humour and vivid characters. From his grandmother, the Gaelic-speaking Peigeag, who, it was rumoured, had “ special powers ” that could both cure and curse, to Dan Rory, the father MacIntyre struggles to know and love, these are people who inhabit a time and a place that is on the brink of transformation. No one knows this more than MacIntyre, his narrative voice ringing true on every page, the voice of a young boy both mystified and captivated by the worlds he straddles. Shot through with humanity, Causeway is an extraordinary book, a memoir that sets a new standard for the genre. The Truth According to Us W.F. Brown Something about the boat, perhaps its name, and the posture of that boy caused me to defer my anxieties for the moment. It was so rare to see someone that age stationary, somber. I was more accustomed to a rowdy adolescent enthusiasm. This young man, I realized, was exceptional only because of time and place. Maybe any one of them in those circumstances would have been the same. Quiet. But he caught my attention nevertheless and linked the moment to tender places in the memory. Doomed boys and men: in retrospect they all have that stillness. --from *The Bishop ’ s Man* by Linden MacIntyre The year is 1993 and Father Duncan MacAskill stands at a small Cape Breton fishing harbour a few miles from where he grew up. Enjoying the timeless sight of a father and son piloting a boat, Duncan takes a moment ’ s rest from his worries. But he does not

yet know that his already strained faith is about to be tested by his interactions with a troubled boy, 18-year-old Danny MacKay. Known to fellow priests as the “ Exorcist ” because of his special role as clean-up man for the Bishop of Antigonish, Duncan has a talent for coolly reassigning deviant priests while ensuring minimal fuss from victims and their families. It has been a lonely vocation, but Duncan is generally satisfied that his work is a necessary defense of the church. All this changes when

lawyers and a policeman snoop too close for the bishop ’ s comfort. Duncan is assigned a parish in the remote Cape Breton community of Creignish and told to wait it out. This is not the first time Duncan has been sent away for knowing too much: decades ago, the displeased bishop sent a more idealistic Duncan to Honduras for voicing suspicions about a revered priest. It was there that Duncan first tasted forbidden love, with the beautiful Jacinta. It was also there that he met the courageous Father Alfonso,

who taught him more about spiritual devotion than he had ever known back home. But when an act of violence in Honduras shook Duncan to his core, he returned home a changed man, willing to quietly execute the bishop ’ s commands. Now, decades later in Cape Breton, Duncan claims to his concerned sister Effie that isolation is his preference. But when several women seek to befriend him, along with some long-estranged friends, Duncan is alternately tempted and unnerved by their attentions. Drink becomes his only

solace. Attempting to distract himself with parish work, Duncan takes an interest in troubled young Danny, whose good-hearted father sells Duncan a boat he names The Jacinta. To Duncan's alarm, he discovers that the boy once spent time with an errant priest who had been dispatched by Duncan himself to Port Hood. Duncan begins to ask questions, dreading the answers. When tragedy strikes, he knows that he must act. But will his actions be those of a good priest, or an all too flawed man? Winner of the

2009 Scotiabank Giller Prize, Linden MacIntyre's searing *The Bishop's Man* is an unforgettable and complex character study of a deeply conflicted man at the precipice of his life. Can we ever be certain of an individual's guilt or innocence? Is violence ever justified? Can any act of contrition redeem our own complicity? No One to Tell Vintage Canada This latest novel from Scotiabank Giller Prize winner Linden MacIntyre, *Why Men Lie*, offers a moving and

emotionally complex conclusion to the Cape Breton trilogy. Two years after the events of *The Bishop's Man*, we're introduced to Effie MacAskill Gillis, sister of the troubled priest Duncan. It's 1997, and Effie is an independent, middle-aged woman working as a tenured professor of Celtic Studies, but her complicated and often disappointing love life has left her all but ready to give up on the opposite sex.

The Canny Scot Farrar, Straus and Giroux The landmark text about the

inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images that break down Carl Jung ' s revolutionary ideas “ What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general

understanding of man in society. ” —The Guardian “ Our psyche is part of nature, and its enigma is limitless. ” Since our inception, humanity has looked to dreams for guidance. But what are they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life ’ s work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds of visual examples—offers invaluable insight into the symbols we

dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and

relevant experience. *History Of Inverness County, Nova Scotia* McGill-Queen's Press - MQUP.
