My Chemical Romance - Welcome
To The Black Parade ...

First off, the Black Death is a
brutal disease caused by - we
all think its because of the
bad air - but apparently it is
from bacteria from fleas on
rats. My manor didn't know
about the contagious disease
until some peasants from some
other manors came running to my
manor to find assistance from
our great barber or nobles.
My Chemical Romance - Welcome to
the Black Parade Lyrics ...
The Plague had a huge impact on
the life of the Europeans. This
specific disease sweep across
Europe and lowered their people
population dramatically. The Black
Death was a contribution towards
the ending of the Medieval Era and
led to the start of the
Renaissance. Another important
impact that the Plague had was the
ending of the Feudal System.
