Jersey reeled in disbelief when highly esteemed physician Duncan Avery stabbed his wife Marsha to death one spring evening. The two Avery sons turned their backs on their father but his daughter Nina never stopped believing in his innocence. Now, fifteen years later, Nina, a struggling actress in New York City, returns to Hoffman when her father is paroled and insists on re-settling there. Not only does Dr. Avery want to repair his relationships with his sons and meet his grandchildren, he claims he

wants to find out who killed his wife. But neither Nina's brother Patrick, a successful investment banker with a wife and twin sons, nor Jimmy, a recovering drug addict who has adopted a new family, can bear to acknowledge their father's return. Then, as suddenly as before, another act of violence overturns the Averys' lives. No longer certain if she can trust her family, her neighbors, or her old friends, Nina finds she can rely only on herself and a surprising new ally in her life as she searches

for the truth behind crimes past and present. If she digs deep-down into the secrets of her family's and her neighbors' lives she stands a chance of catching a killer before she becomes his next victim. **The Girl Next Door** Simon and Schuster  
Get your tissues ready for this unrequited love story that's equal parts hilarious and heartbreaking and will appeal to fans of Jennifer Niven, John Green, and Jesse Andrews. Seriously, how can you see a person nearly every day of your life and never think a thing of it, then all of a sudden, one day, it's different? You see that goofy grin a thousand times and just

---

laugh. But goofy grin #1,001 nearly stops your heart? Right. That sounds like a bad movie already. Matt Wainwright is constantly sabotaged by the overdramatic movie director in his head. He can't tell his best friend, Tabby, how he really feels about her, he implodes on the JV basketball team, and the only place he feels normal is in Mr. Ellis's English class. If this were a movie, everything would work out perfectly. Tabby would discover that Matt's madly in love with her, be overcome with

emotion, and would fall into his arms. Maybe in the rain. But that's not how it works. Matt watches Tabby get swept away by senior basketball star and all-around great guy Liam Branson. Losing Tabby to Branson is bad enough, but screwing up and losing her as a friend is even worse. After a tragic accident, Matt finds himself left on the sidelines, on the verge of spiraling out of control and losing everything that matters to him. From debut author Jared Reck comes a fiercely funny and heart-

wrenching novel about love, longing, and what happens when life as you know it changes in an instant. "This story broke my heart and made me laugh and gave me hope—and really, what more can you ask of a book than that?" —Jennifer E. From the governor of Maryland, the "compassionate" (People), "startling"

(Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small

piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that

---

the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence

and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices

would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. **The Misadventures of Awkward Black Girl**
