II to the present.
Torment Vintage Classic
Growing up during the centuries-long conflict
between the empires of Egypt and Hatti, the young
princess Istara is taken hostage by the King of Hatti
to secure the loyalty of her father, the King of Kadesh
to the empire. Soon her new life in Hatti's glittering
capital becomes all she knows. Bound in blood
before the gods to Hatti's unwilling crown prince,

Istara, now Hatti's queen-in-waiting, learns she will
never be loved. But the drums of war beat again, and
when the scheming plans of Hatti's king threaten the
existence of all civilization, the gods give Istara a
choice: to leave behind everything she knows to save
mankind, or remain where she is, powerless, a token
on the game board of kings. On the brink of one of
the most brutal battles in history, she chooses to risk
her life to deliver a message to the only man able to
prevent the prophecy from becoming a reality--her
mortal enemy, the Pharaoh Ramesses II. Wounded,
cold and hungry, she wanders in the battle's horrific
aftermath, and aids a powerful commander, who she
learns protected her once, and has been bound to her
ever since by a prophetic dream of his future. Despite
his resistance, and Istara once more becoming a pawn
of kings, they must confront an eternal love so
powerful, not even kings, the gods, or death can keep
them apart.

The Lost Valor of Love Methuen Drama
She hates the alien warriors that conquered her
world. All of them but one... Serena lived by three

rules - Survive. Fight back. Stay hidden. But that
was before. Before she was caught and brought to
T' Kinn, the most arrogant, annoying alien she's
ever met...and the sexiest. This alien isn't just a
warrior - he's a healer, and a threat to every
secret she has. He's determined to discover what
she is and he'll use every tool at his disposal...
including her own desires. He thought she was the
key to unlock the mysteries of these human females
- but she is so much more. Kinn's orders were
clear. Find out why the females of Earth are
different. Serena's arrival in his hall gives him the
perfect opportunity to learn more - if only she'd
stop fighting him. Fierce, determined, and
beautiful, she's a constant source of chaos in his
well ordered life. But once he learns her secret, all
bets are off, and he will do whatever it takes to
claim her as his own. Even if keeping her was never
meant to be. This series contains hot, growly aliens
on a mission to find their mates - and a group of
women determined to free their planet... and
themselves. Keywords: alien romance, shifter

romance, alpha hero, alien invasion romance

Few people know the truth... fairy tales are really nightmares. Growing up as the daughter of the beast himself, I saw the wicked truth after happily-ever-after

ended. And I vowed to use the only skill I had, my ability to kill, to gain my freedom. But I failed. Imprisoned for my mistake, I spent every day thinking about the three men responsible for my downfall. And what I wanted more, revenge or the life that was stolen from me. Finally free, I join the Guild of Assassins, only to come face-to-face in the training yard with the men I cared for...the ones who had me locked away. The wolf shifter who was my best friend. The man who always made my heart race. And the dark prince of the vampires himself. I wanted to kill all three of them. But joining the guild meant working together. The guild was the only place where my background—as a princess and a prisoner—wouldn't be held against me. But our past is more complicated than I realized... and the future? Well, there might not be one. **MERCY'S REVENGE** is a steamy paranormal reverse harem with a kickbutt heroine. This is a whychoose romance, meaning that our heroine doesn't have to choose between her guys.

The Mouse and the Motorcycle Jay Carter Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

[The John Carter of Mars Collection \(7 Novels + Bonus Audiobook Links\)](#) Vintage From Kwame Mbalia and Prince Joel David Makonnen comes an Afrofuturist adventure about a mythical Ethiopian empire. Sci-fi and fantasy combine in this epic journey to the stars. Yared Heywat lives an isolated life in Addis Prime -- a hardscrabble city with rundown tech, lots of rules, and not much to do. His worrywart Uncle Moti and bionic lioness Besa are his only family... and his only friends. Often in trouble for his thrill-seeking antics and wisecracking sense of humor, those same qualities make Yared a star player of the underground augmented reality game, The Hunt for Kaleb's Obelisk. But when a change in the game rules prompts Yared to log in with his real name, it triggers an attack that rocks the city. In the chaos, Uncle Moti disappears. Suddenly, all the stories Yared's uncle told him as a young boy are coming to life, of kingdoms in the sky and city-razing monsters. And somehow Yared is at the center of them. Together with Besa and the Ibis -- a game rival turned reluctant ally -- Yared must search for his uncle... and answers to his place in a forgotten, galaxy-

spanning war.

This book contains the following novellas in the Kyn series: "Marak", "Vixen", and "Feral". The three books of the Kyn series now bundled together for one great price! "Marak" She wanted vengeance. He didn't want a wife. One bite changed everything... Maria Ravensford is a woman on a mission. A mission of vengeance. Determined to avenge the death of her young sister at the hands of Rogue vampires, the petite Dhampir takes to the streets to hunt them. Unfortunately things don't go precisely to plan and it's only the arrival of Marak, a darkly handsome Vampire Warrior, that saves her life. Trouble is, the bite that saves her life also takes her fully into the world of the Kyn... where Marak is waiting to claim her. "Vixen" The only vampire warrior in existence Vixen has spent most of her life proving herself in a man's world, but she's never been able to squash some very feminine thoughts where fellow warrior Kalen is concerned. Kalen however, has sworn off love, preferring to deal in lust instead. But a passionate encounter blows their carefully constructed indifference to each other and when Vixen is kidnapped

will they be prepared to make the ultimate sacrifice to give their love a chance? "Feral" Feral doesn't do babies. Or pixies... So when someone dumps a pixie baby of all things on his doorstep, he does the only thing he can think of. He tries to palm it off on someone else. Unfortunately his neighbour is out of town, leaving her sister, Tessa, to house-sit. Her single and disturbingly attractive sister. Which leaves Feral with a couple of problems, especially when a bunch of pixie ninja wannabe's break into the place and try to steal the baby. Does he turn his back on the pixies, a race he's always hated... or will Tessa cast her own spell on the strong, silent type Kyn Warrior?

The Passage Multnomah

* A heavyweight title up for grabs ** A family to protect ** Enemies closing in *With a baby on the way and a mob family hot on his heels, Noah must once again dust off his gloves and fight. This time, there's more on the line than ever before. With his best friend dead and the career he worked so hard to build crumbling around him, Noah must make some unfavorable decisions. Making a deal with the

devil himself, Noah thinks that at least one of problems will be taken care of... or will it backfire in his face? And when tragedy strikes, will anything be okay again? In the ultimate grab for power, the question is not "who will win?" but "who will lose the most?" In the explosive final installment of Noah and Teagan's story, paths will cross and lives will shatter. Can love overcome all obstacles, or will uncertainty of the future prove too much? Only one thing is for sure - nothing will ever be the same again. ***** Warning ***** Due to its explicit content, bad language, fighting scenes, and graphic sexual content, Torment (Carter Kids #4) is recommended for readers of eighteen years and above.
