comes a sexy murder mystery about a reckless affair and dangerous secrets. Taryn Moore is young, beautiful, and brilliant...so why would she kill herself? When Detective Frankie Loomis arrives on the scene to investigate the girl's fatal plunge from her apartment balcony, she knows in her gut there's more to the story, especially after the autopsy reveals that the college senior was pregnant. It could be reason enough for suicide--or a motive for murder. To English professor Jack Dorian, Taryn was the ultimate fantasy: intelligent, adoring, and completely off limits. But there was also a dark side to Taryn, a dangerous streak that

threatened those she turned her affections to--including Jack. And now that she's dead, his problems are just beginning. After Frankie uncovers a trove of sordid secrets, it becomes clear that Jack may know the truth. He is guilty of deception, but is he capable of cold-blooded murder?

In this Rizzoli & Isles short story from New York Times bestselling author Tess Gerritsen, a bizarre death comes with a supernatural twist. Caught fleeing the scene is the victim's closest friend, Lucas Henry, an equally skeletal, pale teenager who claims he's guilty only of having a taste for blood—a craving he shared with Kimberly. But the victim's distraught father doesn't believe in vampires, only vengeance. And now, another life may be at risk unless Rizzoli and Isles can uncover the astonishing truth.
