The Bones of Grace is a modern love story spanning continents and the interwoven fortunes of those who have and have not. On the eve of her departure to discover evidence of the near mythological walking whale Ambulocetus Natans, Zubaida Haque falls in love with a stranger she meets at a piano concert. But after a tragedy sends her back to her

hometown Dhaka, she seeks solace in the figure of an old friend and makes a rash decision with disastrous consequences. In a bid to escape familial constraints, she moves to a southern port city to help a charity working on the infamous shipbreaking beaches. Here she meets Anwar, a shipbreaker whose story holds a key that unlocks for Zubaida not only the mysteries of her past but the possibilities of a new life. The third instalment of the Bengal trilogy, The Bones of Grace brings the arc of Bangladesh's tumultuous history full circle in an epic of loss and love.

Too Close to the Bone Harper Collins

Kara Tippetts's story was not a story of disease, although she lost her battle with terminal cancer. It was not a story of saying goodbye, although she was intentional in her time with her husband and

four children. Kara's story was one of seeing God in the hard and in the good. It was one of finding grace in the everyday. And it was one of knowing "God with us" through fierce and beautiful friendship. In Just Show Up, Kara and her close friend, Jill Lynn Buteyn, write about what friendship looks like in the midst of changing life seasons, loads of laundry, and even cancer. Whether you are eager to be present to someone going through a difficult time or simply want inspiration for pursuing friends in a new way, this eloquent and practical book explores the gift of silence, the art of receiving, and what it means to just show up.

Global trends of population growth, rising living standards and the rapidly increasing urbanized world are increasing the demand on water, food and energy. Added to this is

the growing threat of climate change which will have huge impacts on water and food availability. It is increasingly clear that there is no place in an interlinked world for isolated solutions aimed at just one sector. In recent years the "nexus" has emerged as a powerful concept to capture these inter-linkages of resources and is now a key feature of policy-making. This book is one of the first to provide a broad overview of both the science behind the nexus and the implications for policies and sustainable development. It brings together contributions by leading intergovernmental and governmental officials, industry, scientists and other stakeholder thinkers who are working to develop the approaches to the Nexus of water-food-energy and climate. It represents a major synthesis and state-of-the-art assessment of the Nexus by major players, in light of the adoption by the United Nations of the new Sustainable Development Goals and Targets in 2015. In these four booklets, theologians from all parts of the world reflect on the main theme and three sub-themes (Liberated by God's Grace: Salvation—Not for Sale; Human Beings—Not for Sale; Creation—Not for Sale) of the Lutheran World Federation's commemoration of the 500th Anniversary of the Reformation. This collection of essays provides profound insights into the crucial issues and challenges daily faced by the members of the worldwide Lutheran communion in very diverse contexts. The theological concept of justification by God's grace and its consequences for different dimensions of life serve as the main

guiding principles for the essays, each one of which is accompanied by three questions that invite to further contextual reflection on the subject. This work comes in a boxed set of four booklets, which can only be purchased together: Booklet 1: Liberated by God's Grace – 500 years of Reformation Booklet 2: Salvation – Not for Sale Booklet 3: Human Beings – Not for Sale Booklet 4: Creation – Not for Sale A German translation will be published next year.

"Delicate, heart-wrenching and poetic, this is a novel of great poise and power." —Tash Aw, author of *The Harmony Silk Factory* *The Good Muslim* is an epic story about faith, family, the rise of religious fundamentalism, and the long shadow of war from prize-winning Bangladeshi novelist Tahmima Anam. In the dying days of a brutal civil war in Bangladesh, Sohail Haque stumbles upon an abandoned building. Inside he finds a young woman whose story will haunt him for a lifetime to come. Almost a decade later, Sohail's sister, Maya, returns home after a long absence to find her beloved brother transformed. While Maya has stuck to

her revolutionary ideals, Sohail has shunned his old life to become a charismatic religious leader. And when Sohail decides to send his son to a madrasa, the conflict between brother and sister comes to a devastating climax.

The Instant New York Times Bestseller! Kim Liggett's The Grace Year is a speculative thriller in the vein of The Handmaid's Tale and The Power. Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society

that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, The Grace Year examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. "A visceral, darkly haunting fever dream of a novel and an absolute page-turner." – Libba Bray, New York Times bestselling author Grace Abounding to the Chief of Sinners Routledge Emily Freeman offers advice to the Christian woman on letting go of expectations and trusting in God. The Road Zion Christian Publishers In this book, Franciscan priest Fr. Albert

Haase, OFM, and Protestant pastor Phil Vestal bring to life nine spiritual practices from the life and ministry of the ancient Hebrew prophet Elisha—practices later promoted by Jesus, Paul, and subsequent figures in the history of Christian spirituality. These spiritual practices point directly to important themes in spiritual formation:

- The call of God
- Healing
- Perseverance in the face of opposition
- Gratitude and charity
- Prayer, petition, and intercession
- The tension between obedience to the law and Jesus' command to love
- Living with the awareness of God's investment in every human endeavor
- God's ever-present grace and protection in the face of trials and tribulations
- Mercy Based upon incidents in the life of an ancient prophet, these nine practices are life-giving bones that God uses to instill new spirit and creativity in the contemporary believer.

The Bone Houses Zion Christian Publishers

The complete biblical historical fiction compilation by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas

about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and her reputation to be the woman she was called to be. See how God uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her to persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not

end in one night. Learn that God is willing to restore those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first, she was an ordinary woman striving to please God in the same way that women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion.

Colossians and Philemon is an easy reading verse by verse commentary on those most blessed New Testament letters of the Apostle Paul. Dr. Bailey emphasizes the vital message of following the way to holiness as seen in the epistle to the Colossians, as well as the message of restoration in that a slave becomes a brother in the epistle to Philemon. This book will be enjoyed by those who seek to find the true pathway to the presence of God and the place of restoration whereby we can be called the sons and daughters of God.

• NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle).

• From the bestselling author of The Passenger A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. It was Blessed John Paul II's greatest gift to the Church: The theology of the body. A window into who we are, the theology of the body is a theology for the rooms where we make love. But it's also a theology for the rooms where we work, where we eat, where we laugh, and where we pray. These Beautiful Bones takes you on a walk through those rooms. With both humor and practical wisdom, it sheds light on what the theology of the body has to say about life beyond the bedroom, about the everyday moments of life, helping you discover how to let grace enter into those moments and make of them something extraordinary.

The Rare Jewel of Christian Contentment Little, Brown Books for Young Readers

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring,

compassion, and strength in our homes, better.

schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the

and her family's graveyard. And right now, both are in dire straits. Since the death of their parents, Ryn and her siblings have been scraping together a meager existence as gravediggers in the remote village of Colbren, which sits at the foot of a harsh and deadly mountain range that was once home to the fae. The problem with being a gravedigger in Colbren, though, is that the dead don't always stay dead. The risen corpses are known as "bone houses," and legend says that they're the result of a decades-old curse.

When Ellis, an apprentice mapmaker with a mysterious past, arrives in town, the bone houses attack with new ferocity. What is it that draws them near? And more importantly, how can they be stopped for good? Together, Ellis and Ryn embark on a journey that will take them into the heart of the mountains, where they will have to face both the curse and the deeply-buried truths about themselves.
