Former army homicide investigator Paul Brenner has just gotten used to the early retirement forced on him after the disastrous end of his last case when his old commanding officer asks him to return for one final mission: investigate a murder that took place in wartime Vietnam thirty years before. Brenner reluctantly accepts out of curiosity and loyalty...and maybe a touch of boredom. He won't be bored for long. Back in Vietnam, Brenner meets expatriate Susan Weber, a woman as exotic, sensual, and dangerous as the nation of her voluntary exile. Brenner is plunged into a world of corruption, lethal double cross, and haunted memories-as he's suddenly thrust back into a war that neither he nor his country ever really stopped fighting.

Twelve miles above the Pacific Ocean, a missile strikes a jumbo passenger jet. The flight crew is crippled or dead. Now, defying both nature and man, three survivors must achieve the impossible. Land the plane. From master storyteller Nelson DeMille and master pilot Thomas Block comes *Mayday* the classic bestseller that packs a supersonic shock at every turn of the page . . . the most terrifyingly realistic air disaster thriller ever. Like a growing tidal wave, the escaping air was gathering momentum. A teenaged girl in aisle 18, seat D, near the port-side aisle, her seat dislocated by the original impact, suddenly found herself gripping her seat track on the floor, her overturned seat still strapped to her body.

The seatbelt failed and the seat shot down the aisle. She lost her grip and was dragged after it. Her eyes were filled with horror as she dug her nails into the carpet, as the racing air pulled her toward the yawning hole that led outside. Her cries were unheard by even those passengers who sat barely inches away from her struggle. The noise of the escaping air was so loud that it was no longer decipherable as sound, but seemed instead a solid thing pounding at the people in their seats . . .

Me and Sister Bobbie Grand Central Publishing
AUTHOR'S NOTE: An earlier, shorter version of The Quest was published in paperback in 1975. In 2013, I rewrote The Quest and doubled its length, making it, I hope, a far better story than the original, without deviating from the elements that made the story so powerful and compelling when I first wrote it. In other words, what made The Quest worth rewriting remains, and whatever is changed is for the better. I was happy and excited to have this opportunity to rewrite and republish what I consider my first "big" novel, and I hope you enjoy it as much as I did when I first wrote it. BOOK DESCRIPTION: A sweeping adventure that's equal parts thriller and love story, Nelson DeMille's newest novel takes the reader from the war torn jungles of Ethiopia to the magical city of Rome. While the Ethiopian Civil War rages, a Catholic priest languishes in prison. Forty years have passed since he last saw daylight. His crime? Claiming to know the true location of Christ's cup from the Last Supper. Then the miraculous happens - a mortar strikes the prison and he is free! Old, frail, and injured, he escapes to the jungle, where he encounters two Western journalists and a beautiful freelance photographer taking refuge from the carnage. As they tend to his wounds, he relates his incredible story. Motivated by the sensational tale and their desire to find the location of the holiest of relics, the trio agrees to search for the Grail. Thus begins an impossible quest that will pit them against murderous tribes, deadly assassins, fanatical monks, and the passions of their own hearts. THE QUEST is suspenseful, romantic, and filled with heart-pounding action. Nelson DeMille is at the top of his game as he masterfully interprets one of history's greatest mysteries.
