"A brazen, brawny, sexy standout of a historical thriller ride, *The Best Bad Things* is full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco's debut will leave you thirsty for more." —Lyndsay Faye, author of *The Gods of Gotham* A vivid, sexy barn burner of a historical crime novel, *The Best Bad Things* introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective Agency—but dismissed for bad behavior and a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the circling Pinkerton agents to keep them from closing in. Alma's enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine's bed. But it's getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction.

Part of the Jewish Encounter series From one of our most trusted spiritual advisers, a thoughtful, illuminating guide to that most fascinating of biblical texts, the book of Job, and what it can teach us about living in a troubled world. The story of Job is one of unjust things happening to a good man. Yet after losing everything, Job—though confused, angry, and questioning God—refuses to reject his faith, although he challenges some central aspects of it. Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have challenged wisdom seekers and worshippers for centuries. What kind of God permits such bad things to happen to good people? Why does God test loyal followers? Can a truly good God be all-powerful? Rooted in the text, the critical tradition that surrounds it, and the author's own profoundly moral thinking, Kushner's study gives us the book of Job as a touchstone for our time. Taking lessons from historical and personal tragedy, Kushner teaches us about what can and cannot be controlled, about the power of faith when all seems dark, and about our ability to find God. Rigorous and insightful yet deeply affecting, *The Book of Job* is balm for a distressed age—and Rabbi Kushner's most important book since *When Bad Things Happen to Good People*.

These poems take a closer look at violence against women, both physical and psychological. Follow the intersection of fear, identity, and the malleability of the speaker's own experiences of violence enacted on her by men, particularly a past partner. Imagistic and evocative, the poems ask how are we conditioned into living with violence, and how do we move forward?

When Bad Things Happen to Good People Alice James Books

Does an abandoned asylum hold the key to a frightful haunting? Everyone's heard the stories about Graylock Hall. It was meant to be a place of healing - a hospital where children and teenagers with mental disorders would be cared for and perhaps even cured. But something went wrong. Several young patients died under mysterious circumstances. Eventually, the hospital was shut down, the building abandoned and left to rot deep in the woods. As the new kid in town, Neil Cady wants to see Graylock for himself. Especially since rumor has it that the building is haunted. He's got fresh batteries in his flashlight, a camera to document the adventure, and a new best friend watching his back. Neil might think he's prepared for what he'll find in the dark and decrepit asylum. But he's certainly not prepared for what follows him home. . . . Scary, suspenseful, and surprising, Dan Poblocki's latest ghost story will keep you turning pages deep into the dead of night.

A gripping novel about a man trying to escape his violent past and soon becomes a murder suspect when a publisher—and the husband of the woman he's having an affair with—turns up dead. The man who calls himself David Loogan is hoping to escape a violent past by living a quiet, anonymous life in Ann Arbor, Michigan. But when he's hired as an editor at a mystery magazine, he is drawn into an affair with the sleek blond wife of the publisher, Tom Kristoll—a man who soon turns up dead. Elizabeth Waishkey is the most talented detective in the Ann Arbor Police Department, but

even she doesn't know if Loogan is a killer or an ally who might help her find the truth. As more deaths start mounting up—some of them echoing stories published in the magazine—it's up to Elizabeth to solve both the murders and the mystery of Loogan himself. "Witty, sophisticated, suspenseful and endless fun...the best first novel I've read this year." —Washington Post "A hypnotically readable novel, with...dialog worthy of Elmore Leonard."—Douglas Preston "Fans of Peter Abrahams and Scott Turow will find a lot to like."—Publishers Weekly (starred review)

Why Do Bad Things Happen To Good People Thomas & Mercer

"What we have here is a bad case of stripes. One of the worst I've ever seen!" Camilla Cream loves lima beans, but she never eats them. Why? Because the other kids in her school don't like them. And Camilla Cream is very, very worried about what other people think of her. In fact, she's so worried that she's about to break out in...a bad case of stripes!

Zygmunt Bauman Feiwel & Friends

Presents both hard facts and military, social, and political histories of the world's one hundred most violent events, from the second Persian War in 480 BCE to the modern war in the Congo.

Pretty Bad Things The Book of Bad Things

In this ground-breaking book, Shaun Best analyses the intellectual knowledge production of Zygmunt Bauman and his rise to academic stardom in the English speaking world by evaluating the relation between his biography, the contexts in which he found himself, and why his intellectual creativity is admired by so many people. Bauman has an interesting 'contested' biography and underwent a number of intellectual shifts from the early stages of his academic career as Marxist. Bauman moved on and for almost ten years he was associated with 'postmodernity' (from 1989-1997) but in 2000 he decided to distance himself from postmodernism and rebrand his approach to understanding the contemporary world as 'liquid modernity'. Best shows how Bauman developed his canonised status becoming an intellectual guru in the UK and in Australia despite being largely ignored by the academic community in the United States and Central Europe. Rather than investigating Bauman's academic output as a demonstration of his 'creative genius', Best argues that most academic output involves the interplay of multiple factors and this book evaluates the influences on both intellectual choices and the social factors or contexts that led Bauman to attach himself to different sets of ideas during his academic career.

The Stone Child Flatiron Books

I Killed Zoe Spanos meets *The Cheerleaders* in this haunting mystery about an island town with a history of unsolved deaths—and a girl desperate to uncover the mystery behind it all. Luca Laine Thomas lives on a cursed island. To the outside world, Parris is an exclusive, idyllic escape accessible only to the one percent. There's nothing idyllic about its history, though, scattered with the unsolved deaths of young women—deaths Parris society happily ignores to maintain its polished veneer. But Luca can't ignore them. Not when the curse that took them killed her best friend, Polly, three years ago. Not when she feels the curse lingering nearby, ready to take her next. When Luca comes home to police cars outside her house, she knows the curse has visited once again. Except this time, it came for Whitney, her sister. Luca decides to take the investigation of Whitney's death into her own hands. But as a shocking betrayal rocks Luca's world, the identity Whitney's killer isn't the only truth Luca seeks. And by the time she finds what she's looking for, Luca will come face to face with the curse she's been running from her whole life.

Things Are Bad Routledge

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." —Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

When Bad Things Happen to Good People Penguin

Pearl Littlefield's first assignment in fifth grade is complicated: She has to write an essay about her summer. Where does she begin? Her dad lost his job, she had to go to a different

camp—one where her older sister Lexie was a counselor-in-training (ugh!)—and she and her good friend James Brubaker III had a huge fight, which made them both wonder if the other kids were right that girls and boys can't be good friends and which landed one of them in the hospital. And there's much, much more on the list of good and bad things, as Ann Martin takes this appealing character into new adventures through which young readers will see that good or bad, life is what happens when you're making other plans.

The Haunting of Gabriel Ashe Sourcebooks, Inc.

Working with the Shadow is not working with evil, per se. It is working toward the possibility of greater wholeness. We will never experience healing until we can come to love our unlovable places, for they, too, ask love of us. How is it that good people do bad things? Why is our personal story and our societal history so bloody, so repetitive, so injurious to self and others? How do we make sense of the discrepancies between who we think we are—or who we show to the outside world—versus our everyday behaviors? Why are otherwise ordinary people driven to addictions and compulsions, whether alcohol, drugs, food, shopping, infidelity, or the Internet? Why are interpersonal relationships so often filled with strife? Exploring Jung's concept of the Shadow—the unconscious parts of our self that contradict the image of the self we hope to project—Why Good People Do Bad Things guides you through all the ways in which many of our seemingly unexplainable behaviors are manifestations of the Shadow. In addition to its presence in our personal lives, Hollis looks at the larger picture of the Shadow at work in our culture—from organized religion to the suffering and injustice that abounds in our modern world. Accepting and examining the Shadow as part of one's self, Hollis suggests, is the first step toward wholeness. Revealing a new way of understanding our darker selves, Hollis offers wisdom to help you to acquire a more conscious conduct of your life and bring a new level of awareness to your daily actions and choices.

Bad Things Simon and Schuster

And Then There Were None meets The Last Time I Lied in this dark and twisty psychological thriller. In 1995, six university students moved into the house at 215 Caldwell Street. Months later, one of them was found dead on the sofa the morning after their end-of-year party. His death was ruled an accident by the police. The remaining five all knew it wasn't, and though they went on with their lives, the truth of what happened to their sixth housemate couldn't stay buried forever. Twenty years later, all five of them arrive—lured separately under various pretenses—at Wolfheather House, a crumbling, secluded mansion on the Scottish isle of Doon. Trapped inside with no way out and no signal to the outside world, the now forty-somethings fight each other—and the unknown mastermind behind their gathering—as they confront the role they played in their housemate's death. They are given one choice: confess to their crimes or die. They Did Bad Things is a deviously clever psychological thriller about the banality of evil and the human capacity for committing horror.

Alexander and the Terrible, Horrible, No Good, Very Bad Day WaterBrook

Has Gabriel created a monster? Something sinister lurks in the woods outside of Slade. Gabe has seen it, or he thinks he has - a shadow standing at the tree line, watching Gabe's house with faintly glowing eyes. Despite Gabe's misgivings, his new friend, Seth, relishes the creepy atmosphere of the forest. It's the perfect setting for his imaginary struggle against the Hunter, a deformed child-eating creature said to leave the bones of his victims in his wake. It's just a game, but it's all a bit much for Gabe, who quickly loses interest as summer ends and the days grow shorter. But then strange things start to happen. Frightening things. And Gabe knows it has to do with the dark figure watching him from the edge of the woods. Is Seth out to teach Gabe a lesson? Or is the Hunter more than just a myth? Gabe isn't sure which option is more horrifying, but he's determined to learn the truth before someone gets hurt . . . or worse.
