Part of the Jewish Encounter series From one of our most trusted spiritual advisers, a thoughtful, illuminating guide to that most fascinating of biblical texts, the book of Job, and what it can teach us about living in a troubled world. The story of Job is one of unjust things happening to a good man. Yet after losing everything, Job—though confused, angry, and questioning God—refuses to reject his faith, although he challenges some central

aspects of it. Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have challenged wisdom seekers and worshippers for centuries. What kind of God permits such bad things to happen to good people? Why does God test loyal followers? Can a truly good God be all-powerful? Rooted in the text, the critical tradition that surrounds it, and the author's own profoundly moral thinking, Kushner's study gives us the book of Job as a touchstone for our time. Taking lessons from historical and personal tragedy, Kushner teaches us about what can and cannot be controlled, about the power of faith when all seems dark, and about our ability to find God. Rigorous and insightful yet deeply affecting, *The Book of Job* is balm for a distressed age—and Rabbi Kushner's most important book since *When Bad Things Happen to Good People*.

“ A brazen, brawny, sexy standout of a historical thrill ride, *The Best Bad Things* is full of unforgettable characters and insatiable appetites. I was riveted. Painstakingly researched and pulsing with adrenaline, Carrasco ' s debut will leave you thirsty for more. ”  
—Lyndsay Faye, author of *The Gods of Gotham* A vivid, sexy barn burner of a historical crime novel, *The Best Bad Things* introduces readers to the fiery Alma Rosales—detective, smuggler, spy It is 1887, and Alma Rosales is on the hunt for stolen opium. Trained in espionage by the Pinkerton Detective Agency—but dismissed for bad behavior and

---

a penchant for going undercover as a man—Alma now works for Delphine Beaumont, the seductive mastermind of a West Coast smuggling ring. When product goes missing at their Washington Territory outpost, Alma is tasked with tracking the thief and recovering the drugs. In disguise as the scrappy dockworker Jack Camp, this should be easy—once she muscles her way into the local organization, wins the trust of the magnetic local boss and his boys, discovers the turncoat, and keeps them all from uncovering her secrets. All this, while sending coded dispatches to the circling Pinkerton agents to keep them from closing in. Alma's enjoying her dangerous game of shifting identities and double crosses as she fights for a promotion and an invitation back into Delphine's bed. But it's getting harder and harder to keep her cover stories straight and to know whom to trust. One wrong move and she could be unmasked: as a woman, as a traitor, or as a spy. A propulsive, sensual tour de force, *The Best Bad Things* introduces Katrina Carrasco, a bold new voice in crime fiction.

Hank Thompson is living off the map in Mexico with a bagful of cash that the Russian mafia wants back and many, many secrets. So when a Russian backpacker shows up in town asking questions, Hank

tries to play it cool. But he knows the jig is up when the backpacker mentions the money . . . and the family Hank left behind. Suddenly Hank's in a desperate race to get to his parents in California before anyone can harm them. Along the way he'll face Federales and Border Patrol, mafiosi and vigilantes, extortionists and drug dealers, and a couple of psychotic surf bums with an ax to grind. From the golden beaches of the Yucatán to the seedy strip clubs of Vegas, Charlie Huston opens a door to the squalid underworld of crime and corruption—and invites the reader to live it in the extreme. [A Bad Case of Stripes](#) Routledge On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too. [Six Bad Things](#) Penguin A gripping novel about a man trying to escape his violent past and soon becomes a murder suspect when a publisher—and the husband of the woman he's having an affair with—turns up dead. The man who calls himself David Loogan is hoping to escape a violent past by living a quiet, anonymous life in Ann Arbor, Michigan. But when he's hired as an editor at a mystery magazine, he is drawn into an affair with the sleek blond wife of the publisher, Tom Kristoll—a man who soon turns up dead. Elizabeth Waishkey is the most talented detective

in the Ann Arbor Police Department, but even she doesn't know if Loogan is a killer or an ally who might help her find the truth. As more deaths start mounting up—some of them echoing stories published in the magazine—it's up to Elizabeth to solve both the murders and the mystery of Loogan himself. They say it's better to have loved and lost than to never have loved at all. I think that's total bullshit. No one wants to be a loser in the Game of Love. Trust me, I know. With a lying fiancée and a canceled wedding, I've lost big time. And that loss turned me bitter, so hell bent on vengeance that I almost let it destroy everything. Determined never to go down that dark path again, I've sworn off romance. Work became my priority, my safe place, the one constant in my life that wouldn't tempt me. Until I took on a project I normally wouldn't, and it introduced me to

someone I never would have talked to before. No matter how hard I try, my professionalism slips away the more we work together, and I know it's a disaster in the making. Bad things happen when I open my guarded heart. But when I look at her, bad things are all I want to do.

Reprinted Edition The Piper clan emigrated from Scotland and founded the town of Santo Verde, California. The Gothic Victorian estate built there has housed the family for generations, and has also become home to an ancient evil forever linked to the Piper name.

... As a boy, Rick Piper discovered he had "the sight." It was supposed to be a family myth, but Rick could see the greenjacks--the tiny mischievous demons who taunted him throughout his childhood--and who stole the soul of his twin brother Robin one Halloween night. Now a widower with two children of his own, Rick has returned home to build a new life. He wants

---

to believe the greenjacks don't exist, that they were a figment of his own childish fears and the vicious torment he suffered at the hands of his brother. But he can still see and hear them, and they haven't forgotten that Rick escaped them so long ago. And this time, they don't just want Rick. This time they want his children. . .

In this ground-breaking book, Shaun Best analyses the intellectual knowledge production of Zygmunt Bauman and his rise to academic stardom in the English speaking world by evaluating the relation between his biography, the contexts in which he found himself, and why his intellectual creativity is admired by so many people. Bauman has an interesting 'contested' biography and underwent a number of intellectual shifts from the early stages of his academic career as Marxist. Bauman moved on and for almost ten years he was associated with 'postmodernity' (from 1989-1997) but in 2000 he decided to distance himself from postmodernism and rebrand his approach to understanding the contemporary world as 'liquid modernity'. Best shows how Bauman

developed his canonised status becoming an intellectual guru in the UK and in Australia despite being largely ignored by the academic community in the United States and Central Europe. Rather than investigating Bauman's academic output as a demonstration of his 'creative genius', Best argues that most academic output involves the interplay of multiple factors and this book evaluates the influences on both intellectual choices and the social factors or contexts that led Bauman to attach himself to different sets of ideas during his academic career. Hot with the Bad Things The Book of Bad Things From the author of Cottonmouths, a Los Angeles Review Best Book of 2017, comes an evocative suspense about the cost of keeping secrets and the dangers of coming home. Beneath the roiling waters of the Arkansas River lie dead men and buried secrets. When Jane Mooney's violent stepfather, Warren, disappeared, most folks in Maud Bottoms, Arkansas, assumed he got drunk and drowned. After all, the river had claimed its

share over the years.

When Jane confessed to his murder, she should have gone to jail. That's what she wanted. But without a body, the police didn't charge her with the crime. So Jane left for Boston--and took her secrets with her. Twenty-five years later, the river floods and a body surfaces. Talk of Warren's murder grips the town. Now in her forties, Jane returns to Maud Bottoms to reckon with her past: to do jail time, to face her revenge-bent mother, to make things right. But though Jane's homecoming may enlighten some, it could threaten others. Because in this desolate river valley, some secrets are better left undisturbed. Bad Things Happen Penguin The #1 bestselling inspirational classic from the internationally known spiritual leader; a source of solace and hope for over 4 million readers. Since its original publication in 1981, When Bad Things Happen to Good People has brought solace and hope to millions. In the preface to this edition, Rabbi Kushner relates the heartwarming responses he has received over the years from people who have found inspiration and comfort within these pages. When Harold

---

Kushner's three-year-old son was diagnosed with a degenerative disease that meant the boy would only live until his early teens, he was faced with one of life's most difficult questions: Why, God? Years later, Rabbi Kushner wrote this straightforward, elegant contemplation of the doubts and fears that arise when tragedy strikes. In these pages, Kushner shares his wisdom as a rabbi, a parent, a reader, and a human being. Often imitated but never superseded, *When Bad Things Happen to Good People* is a classic that offers clear thinking and consolation in times of sorrow.
