## A Woman in Berlin Simon and Schuster

A current pro player takes fans on a pseudonymous trip through one of the most infamous years of football—the very long, sometimes funny, often controversial 2013-2014 season—sharing raucous, behind-the-scenes, on-the-field, and in-the-locker-room truth about life in the National Football League. “Well, to hell with being safe. I’ m going to be honest.” Johnny Anonymous’ life goal was to be nothing greater or less than the Best NFL Back-Up of All Time™. For two years, he was content earning hundreds of thousands of dollars to stand on the sidelines doing absolutely nothing. But early in his third year, a starting lineman is injured, and he

suddenly finds himself on the field. For most players, this moment is a dream come true. But not so for our author, one of the incredibly rare birds in football who reach the highest echelons, but who actually hate America’ s favorite game. That’ s right. Johnny Anonymous hates football. He hates what it does to his body, his brain, his life. Luckily, he can see the humor in his own situation, but also in the machinations of the NFL. Part truth-telling narrative, part whip-smart commentary that only a true insider could bring, part hilarious, NFL Confidential gives football fans a look at a world most would give anything to see, and gives non-fans a wild ride through the strange, and sometimes

---

disturbing customs and realities of football today. Here is a truly unaffiliated look at the nation's biggest most lucrative pastime over the course of one of its most transformative seasons. From hard-to-stomach diets, showdowns in the weight room, shenanigans in the locker room, the looming dread of being cut from the team, the racial issues that still exist in modern-day football, the rock-star lifestyle that players find themselves able to afford and sometimes enjoy a little too much, the notion of being lauded in a league plagued by controversy and the sharp contrast between the love/hate of the game and the reality of the job, Johnny reveals a never-before-seen side of the NFL.

A for Anonymous Simon and Schuster  
A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in

fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, David and Goliath examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—The Tipping Point, Blink, Outliers and What the Dog Saw—David and Goliath draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

--Sven Birkerts, *The Atlantic*  
*A Warning* Houghton Mifflin Harcourt

Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of *The Bomber Mafia*. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In *David and Goliath*, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability,

The epistle of Hebrews is the only New Testament book whose author remains a mystery. Although some Bibles call it "The Epistle of Paul to the Hebrews" his name does not appear in the letter itself. Many say that the text of Hebrews precludes Paul having written it. Ancient tradition variously ascribes it to Barnabas, Paul, or even to Luke or Clement. Modern scholars have suggested names ranging from Apollos to Priscilla. Which of these, if any, wrote Hebrews? Dr. Criswell, best known for his Biblical Controversies series, sets out to answer that very question. He examines all the evidence for the authorship of Hebrews. When was it written?

From whence was it written? To whom was it written? What criteria fits the proposed authors? Criswell lays out evidence both for and against each candidate, including charts. A full chapter is dedicated to each of these major candidates including Paul, Barnabas, Luke, Apollos, Priscilla, Aquila, Clement, Silas, and Mark. In addition, there is a chapter devoted to other suggestions including Aristion, Epaphras, Jude, Peter, Philip the Evangelist, Timothy, and Titus. Anonymous also includes an appendix which discusses the place of Hebrews in the Biblical canon.

Calling Maggie May Penguin

Winner of the National Jewish Book Award Winner of the Washington Institute Book Prize One of the Best Books of the Year St. Louis Post-Dispatch \* Kirkus Reviews In this groundbreaking work, Bruce Hoffman—America's leading expert on terrorism—brilliantly re-creates the crucial thirty-year period that led to the birth of Israel. Drawing on

---

previously untapped archival resources in London, Washington, D.C., and Jerusalem, *Anonymous Soldiers* shows how the efforts of two militant Zionist groups brought about the end of British rule in the Middle East. Hoffman shines new light on the bombing of the King David Hotel, the assassination of Lord Moyne in Cairo, the leadership of Menachem Begin, the life and death of Abraham Stern, and much else. Above all, he shows exactly how the underdog “anonymous soldiers” of Irgun and Lehi defeated the British and set in motion the chain of events that resulted in the creation of the formidable nation-state of Israel. One of the most detailed and sustained accounts of a terrorist and counterterrorist campaign ever written, Hoffman has crafted the definitive account of the struggle for Israel—and an impressive investigation of the efficacy of guerilla tactics. *Anonymous Soldiers* is essential to anyone wishing to understand the current situation in the Middle East.

The inspiration for the major motion picture *The Green Knight* starring Dev Patel, an early English poem of magic, chivalry and seduction.

Composed during the fourteenth century in the English Midlands, *Sir Gawain and the Green Knight* describes the events that follow when a mysterious green-coloured knight rides into King Arthur's Camelot in deep mid-winter. The mighty knight presents a challenge to the court:

---

he will allow himself to be struck by one blow, on the condition that he will be allowed to return the strike on the following New Year's Eve. Sir Gawain takes up the challenge, decapitating the stranger - only to see the Green Knight seize up his own severed head and ride away, leaving Gawain to seek him out and honour their pact. Blending Celtic myth and Christian faith, Gawain is among the greatest Middle English poems: a tale of magic, chivalry and seduction.

Everything Is Fake Penguin UK

Just in time for the Apocalypse comes a new Biblical scripture from God and thirteen-time Emmy Award – winning comedy writer David Javerbaum. 3,000 years ago, King David wrote The Book of Psalms—hymns in praise of God that became famous worldwide. Now, with humanity on the verge of a self-generated catastrophe, God (with the help of another

David) has decided to return, and reverse, the favor. God has collected a cornucopia of insults of the human race in the form of prose, poetry, and parody. From topics as diverse as COVID-19, Trump, racism, abortion, meth, math, and on a lighter note, the platypus, God provides a 21st-century spin on life 's many problems. And he 's not alone: his son Jesus Christ has contributed thirty sermons of his own, updating some of his Biblical teachings for the modern audience. Even the Holy Ghost stops by to make sure you don 't forget him. Anybody who 's a fan @TheTweetofGod and/or NOT a fan of the human race is sure to love The Book of Psalms. The Anonymous Diary Collection HarperCollins Required by her cross-country coach to keep a food diary, an insecure teen finds that writing helps organize her thoughts, especially about issues that she, her best friend, and her mother face related to weight and eating.
