*The More Beautiful World Our Hearts Know Is Possible* Simon and Schuster

An interactive coloring book for fashionistas of all ages, *My Wonderful World of Fashion* is packed with beautiful and sophisticated illustrations specially created by the leading fashion-illustrator Nina Chakrabarti. The book encourages creativity, with illustrations to color in and designs to finish off, as well as simple ideas for making and doing (how to make a sari, turn a napkin into a headscarf, dye a T-shirt, and so on). Covering clothing, shoes, bags, jewelry, and other accessories, the illustrations span both vintage fashions drawing on beautiful and interesting objects from past ages and contemporary designs from the illustrator's own imagination. 'Did you know...?' features that give brief historical notes encourage children to be inspired by history and by other cultures. A wonderful celebration of fashion,

---

the book will appeal to fashion addicts from 8 years plus.

The incredible story of the man behind TOMS Shoes and One for One, the revolutionary business model that marries fun, profit, and social good. “ A creative and open-hearted business model for our times. ” —The Wall Street Journal Why this book is for you:

- You ’ re ready to make a difference in the world—through your own start-up business, a nonprofit organization, or a new project that you create within your current job.
- You want to love your work, work for what you love, and have a positive impact on the world—all at the same time.
- You ’ re inspired by charity: water, method, and FEED Projects and want to learn how these organizations got their start.
- You ’ re curious about how someone who never made a pair of shoes, attended fashion school, or worked in retail created one of the fastest-growing footwear companies in the world by giving shoes away.
- You ’ re looking for a new model of success to share with your children, students, co-workers, and members of your community.

You ’ re ready to start something that matters.

*The Big Book of Chic* Random House

I just don't know what's going on Or why it has to be But every day it's something worse What's happening to me? So begins this uproarious new story from the best-selling creator of *No Jumping on the Bed!*, *Green Wilma*, and other popular books. The young narrator has discovered a disturbing trend: There's fuzz in his belly button his toes are peeling and something just fell out of his nose. The last straw is a loose tooth, which convinces him of the awful truth his parts are

coming unglued! Parts deals with a subject of deepest interest to every young child: the stuff our bodies shed. Parents will appreciate the reassuring message that it's all quite normal, while Tedd Arnold's comical illustrations and rhyming text are guaranteed to make young readers laugh their heads off.

When was the last time you had some good and serious fun? If your to-do list has become the boss of you, if you're so exhausted and overwhelmed you can't remember--all of that is about to change. *Have More Fun* is your crash course to getting unstuck, laughing freely, and enjoying the ride. MOPS International CEO, Mandy Arioto, is known to thousands worldwide as a lively storyteller, a force of hope, and an audacious risk-taker. She brings it all in this rollicking adventure of an audiobook bent on helping you do more of what makes you come alive. *Have More Fun* is for anyone who has forgotten that fun is an option. In a world where political dramas and cultural uncertainties churn through our news feed every day, Mandy is here to suggest that the answer to many of the most pressing questions is fun. How do I get more done? Fun. How do I parent in meaningful ways? Fun. How do I make friends? Fun. How can I find my purpose? Fun. How do I spice up my sex life? Fun. How do I adapt when things don't go as planned? Fun. How do I improve my marriage? Fun. Not to mention that choosing fun can be a spiritual discipline--a place to experience the boundless love and joy of God in everyday, surprising ways. If you have ever waited until your to-do list is finished to have fun or you can't remember the last time you really laughed, it is possible you might be taking life, work, or parenting too seriously. Weaving together science, historical trends, hilarious stories, practical ideas and spiritual truth, Mandy uncovers fresh ways

NEW YORK TIMES BESTSELLER • A deeply moving and brilliantly idiosyncratic visual book of days by the National Book Award–winning author of *Just Kids* and *M Train*, featuring more than 365 images and reflections that chart Smith’s singular aesthetic—inspired by her wildly popular Instagram. ONE OF THE BEST BOOKS OF THE YEAR: *Variety*, *Pitchfork*, *PopSugar* In 2018, without any plan or agenda for what might happen next, Patti Smith posted her first Instagram photo: her hand with the simple message “Hello Everybody!” Known for shooting with her beloved Land Camera 250, Smith started posting images from her phone including portraits of her kids, her radiator, her boots, and her Abyssinian cat, Cairo. Followers felt an immediate affinity with these miniature windows into Smith’s world, photographs of her daily coffee, the books she’s reading, the graves of beloved heroes—William Blake, Dylan Thomas, Sylvia Plath, Simone Weil, Albert Camus. Over time, a coherent story of a life devoted to art took shape, and more than a million followers responded to Smith’s unique aesthetic in images that chart her passions, devotions, obsessions, and whims. Original to this book are vintage photographs: anniversary pearls, a mother’s keychain, and a husband’s Mosrite guitar. Here, too, are photos from Smith’s archives of life on and off the road, train stations, obscure cafés, a notebook always nearby. In wide-ranging yet intimate daily notations, Smith shares dispatches from her travels around the world. With over 365 photographs taking you through a single year, *A Book of Days* is a new way to experience the expansive mind of the visionary poet, writer, and performer. Hopeful, elegiac, playful—and complete with an introduction by Smith that explores her documentary process—*A Book of Days* is a timeless offering for deeply uncertain times, an inspirational map of an artist’s life.

His Trademark approach to design has brought to life rooms infused with boldness, fantasy, and sophistication. This lavishly illustrated volume will be an inspiration to anyone interested in spirited, eclectic design.

**Parts** Simon & Schuster

As seen on Oprah’s *Super Soul Sunday* A beacon of hope in the face of our current world crises, this uplifting book demonstrates how embracing our interconnectedness is key to world transformation In a time of social and ecological crisis, what can we as individuals do to make the world a better place? This inspirational and thought-provoking book serves as an empowering antidote to the cynicism, frustration, paralysis, and overwhelm so many of us are feeling, replacing it with a

---

grounding reminder of what's true: we are all connected, and our small, personal choices bear unsuspected transformational power. By fully embracing and practicing this principle of interconnectedness—called interbeing—we become more effective agents of change and have a stronger positive influence on the world. Throughout the book, Eisenstein relates real-life stories showing how small, individual acts of courage, kindness, and self-trust can change our culture's guiding narrative of separation, which, he shows, has generated the present planetary crisis. He brings to conscious awareness a deep wisdom we all innately know: until we get ourselves in order, any action we take—no matter how good our intentions—will ultimately be wrong-headed and wrong-hearted. Above all, Eisenstein invites us to embrace a radically different understanding of cause and effect, sounding a clarion call to surrender our old worldview of separation, so that we can finally create the more beautiful world our hearts know is possible. With chapters covering separation, interbeing, despair, hope, pain, pleasure, consciousness, and many more, the book invites us to let the old Story of Separation fall away so that we can stand firmly in a Story of Interbeing.

#### *More Is More* Penguin

Following on from *The Big Book of Therapeutic Activity Ideas for Children and Teens*, this book provides EVEN MORE imaginative and fun activity ideas, lessons, and projects for use with difficult and challenging children and teens aged 5+. From ice breakers and group starters to bibliotherapy and monthly character education activities, there are over 90 ideas designed to unleash the creativity of children and teens, and teach social skills, strategies to control anger and anxiety, conflict resolution, positive thinking skills, and more. They make use of art,

scientific experiments, expressive arts and books, and many come with photocopiable handouts. The activities can be used in a variety of settings, and they are adaptable for use with both individuals and groups. This is a practical resource bursting with ideas, and it will be invaluable for anyone working with children and teens, including school counselors, teachers, social workers, youth workers, arts therapists, and psychologists.

#### *A Book of Days* Random House

Based on the award-winning 10-million-plus-hit blog 1000 Awesome Things, *The Book of Awesome* is an international bestselling high five for humanity and a big celebration of life's little moments. Sometimes it's easy to forget the things that make us smile. With a 24/7 news cycle reporting that the polar ice caps are melting, hurricanes are swirling in the seas, wars are heating up around the world, and the job market is in a deep freeze, it's tempting to feel that the world is falling apart. But awesome things are all around us, like:

- Popping Bubble Wrap
- Wearing underwear just out of the dryer
- Fixing electronics by smacking them
- Getting called up to the dinner buffet first at a wedding
- Watching *The Price Is Right* when you're home sick
- Hitting a bunch of green lights in a row
- Waking up and realizing it's Saturday

*The Book of Awesome* reminds us that the best things in life are free (yes, your grandma was right). With laugh-out-loud observations from award-winning comedy writer Neil Pasricha, *The Book of Awesome* is filled with smile-inducing moments on every page that make you feel like a kid looking at the world for the first time. Read it and you'll remember all the things there are to feel good about. Updated with stories from people who have been inspired by the original text, a guide to connecting with what matters most identifies four phrases for honoring relationships, letting go of unhealthy emotions, and living life fully.

There Is More! Penguin

Simon Sinek sparked a movement with his bestsellers *START WITH WHY* and *LEADERS EAT LAST*. Now this beautifully illustrated book will inspire more readers to ask for help, help others, and discover their own courage through a charming story about change. Life is a series of choices. Do we go left or right? Jump forward or hold back? Sometimes our choices work out for the better...and sometimes they don't. But there is one choice, regardless of every other decision, that profoundly affects how we feel about our journey: Do we go alone or do we go together? It is the courageous few who ask for help. It is the giving few willing to help others. We can all find the courage we need and know the joy of service – the minute we learn that together is better. Filled with inspiring quotes, this richly illustrated fable tells a delightful story of three kids who go on a journey to a new playground and take a stand for what they believe. The story is a metaphor for anyone looking to make a change or wondering how to pursue their dreams. And the message is simple: relationships – real, human relationships – really, really matter. The stronger our relationships, the stronger the bonds of trust and cooperation, the more we can accomplish and the more joy and fulfillment we get from our work and personal lives. The three heroes are archetypes who represent us all at various points in our lives. Their main challenge is the

same one we face every day: How can we find the things we're looking for? According to Sinek, if we each do our part to help advance a shared vision, we can build the world we imagine. In addition to the story itself, Sinek shares such profound lessons as: - A team is not a group of people that work together. A team is a group of people that trust each other. - Fight against something and we focus on the thing we hate. Fight for something and we focus on the thing we love. - Working hard for something we don't care about is called stress. Working hard for something we love is called passion. - A star wants to see himself rise to the top. A leader wants to see those around him become stars. *Together is Better* was designed to be given as a gift to someone you want to inspire, or to say thank you to someone who inspires you. It's completely different from Sinek's previous work. It may look like a children's book, but it's definitely for adults. This book includes a special page featuring the Scent of Optimism.

*The Book of (Even More) Awesome* North Atlantic Books

Combines colorful photographs and interactive examples in an introduction to the science and math of probability that provides comprehensive explanations about games of chance and various easy-to-understand scenarios. By the author of *Great Estimations*.  
*The World Needs More Purple People* Jessica Kingsley Publishers  
An elegant, page-turning thriller in the vein of *Night Film* and *Crooked Letter*, *Crooked Letter*, this tautly crafted novel is about stories: the ones we tell, the ones we keep hidden, and the ones that we'll do anything to ensure they stay buried. When literary agent Peter Katz receives a partial book submission entitled *The Book of Mirrors*, he is intrigued by its promise and original voice. The author, Richard Flynn, has written a memoir about his time as an English student at Princeton in the late 1980s, documenting his relationship with the

---

protégée of the famous Professor Joseph Wieder. One night just before Christmas 1987, Wieder was brutally murdered in his home. The case was never solved. Now, twenty-five years later, Katz suspects that Richard Flynn is either using his book to confess to the murder, or to finally reveal who committed the violent crime. But the manuscript ends abruptly—and its author is dying in the hospital with the missing pages nowhere to be found. Hell-bent on getting to the bottom of the story, Katz hires investigative journalist John Keller to research the murder and reconstruct the events for a true crime version of the memoir. Keller tracks down several of the mysterious key players, including retired police detective Roy Freeman, one of the original investigators assigned to the murder case, but he has just been diagnosed with early-onset Alzheimer's. Inspired by John Keller's investigation, he decides to try and solve the case once and for all, before he starts losing control of his mind. A trip to the Potosi Correctional Centre in Missouri, several interviews, and some ingenious police work finally lead him to a truth that has been buried for over two decades...or has it? Stylishly plotted, elegantly written, and packed with thrilling suspense until the final page, *The Book of Mirrors* is a book within a book like you've never read before.

### The Book of Awesome Penguin

In *More or Less*, Jeff Shinabarger calls readers to create their own social experiments to answer the question, "What is enough?" It all started with one idea: What would happen if we created a culture in which we gave away whatever was more than enough for us? How would our habits change if we shed the excess of money, clutter, and food in our lives? In *More or Less*, readers will learn how to draw a line of "enough" in their consumer choices, how to see generosity as a chance to experience freedom in a greedy world, and how to make small changes now that will help others forever. As Shinabarger reminds them, defining "enough" is more than a responsibility—it

is an opportunity to give hope. With a foreword by Bob Goff.

### **The Big Book of EVEN MORE Therapeutic Activity Ideas for Children and Teens** Adams Media

A new collection of fun, practical, and outrageous projects from the genius minds of the original Show Me How. Volume two of the Show Me How series contains brand-new instructions that show readers how to amaze, trick, create, style, and love, among other endeavors. Ideas range from the practical (hang a ceiling fixture; hem a pair of pants) to the outrageous (boobytrap a bathroom; forge an antiquity) to the romantic (ace a school crush; send a saucy cell phone pic.) So go ahead and learn some killer pool moves. Or stage your own impromptu gallery show. Style your hair in a fauxhawk. More Show Me How is the indispensable real-life resource that helps readers live life to the fullest and be the star of the party.

### *Now I Know* Pearson Education ESL

Bestselling Author Shows How to Access the Power of the Holy Spirit The majority of Christians understand grace as not getting the judgment they deserve and receiving the eternal life they don't deserve. But the greatness of God's grace and his salvation are far more than what most of us have come to expect! Here Randy Clark shares what that "more" is--more love for God and others, more power, more joy, more faith, more results in prayer--and how believers can experience God's empowering presence in their lives to do more than they ever imagined. "More" is not only biblical, explains Clark, but essential for greater fruitfulness in

---

ministry and for serving in the kingdom of God with joy and effectiveness.

My Wonderful World of Fashion Harper Collins

Praise for the Webby Award-winning newsletter: "I eagerly read 'Now I Know' every day. It's always fresh, always a surprise, and always interesting!" --Jimmy Wales, founder of Wikipedia and Wikia Did you know that there are actually 27 letters in the alphabet, or that the U.S. had a plan to invade Canada? And what actually happened to the flags left on the moon? Even if you think you have a handle on all things trivia, you're guaranteed a big surprise with Now I Know.
