The trilogy that began with The Emperor's Blades and

continued in The Providence of Fire reaches its epic conclusion, as war engulfs the Annurian Empire in Brian Staveley's The Last Mortal Bond The ancient csestriim are back to finish their purge of humanity; armies march against the capital; leaches, solitary beings who draw power from the natural world to fuel their extraordinary abilities, maneuver on all sides to affect the outcome of the war; and capricious gods walk the earth in human guise with agendas of their own. But the three imperial siblings at the heart of it all--Valyn, Adare, and

Kaden--come to understand that even if they survive the holocaust unleashed on their world, there may be no reconciling their conflicting visions of the future. “ Many people say you can fix a broken marriage, but Mark and Jill show you how. ” —Dr. Juli

Slattery, psychologist, author, and president of Authentic Intimacy. No marriage is perfect. But every marriage can get better. Do you feel like the spark is gone? Like a critical spirit has invaded your marriage? Like you want more intimacy, but something is in the way? You could be suffering from the Perfection Infection. The Perfection Infection happens when we cultivate unrealistic expectations of ourselves and our spouse, gradually leading to intimacy-killing behavior, also known as the “Seven Slow Fades.” That was the case for Jill and Mark Savage, and it eventually led to infidelity. In *No More Perfect Marriages* they speak honestly about their

struggles, how they came back from betrayal, and the principles keeping their marriage strong today. They guide you in everything you need to know to kick the Perfection Infection right out and return to intimacy. In their warm, honest, personable style, Jill and Mark discuss: How the Perfection Infection invades a marriage—even a good marriage. How to detect and correct the Seven Slow Fades. How to set and communicate realistic expectations. What to do if your spouse just won’t change. How to guard your marriage from the Perfection Infection for good. Hurting marriages can heal, and good marriages can become great. It takes work, yes, but *No More*

Perfect Marriages will give you the insights, language, and roadmap you need for the journey. So start today. **GROUP RESOURCES:** A leader’s guide is included in the back of the book. **FREE** video curriculum and additional group resources are available for *No More Perfect Marriages* at www.NoMorePerfect.com. _____ “ [Replaces] the Hollywood mirage of a storybook romance with a healthy blueprint of a real and rock-solid relationships. Times The radical search for the simple life in today's America. On a frigid April night, a classically trained opera singer, five months pregnant, and her husband, a former marine biologist, disembark an Amtrak train in La Plata, Missouri, assemble two bikes, and pedal off into the night, bound for a homestead they've purchased, sight unseen. Meanwhile, a horticulturist, heir to the Great Migration that brought masses of African Americans to Detroit, and her husband, a product of the white flight from it, have turned to urban farming to revitalize the blighted city they both love. And near Missoula, Montana, a couple who have been at the forefront of organic farming for decades

navigate what it means to live and raise a family ethically. A work of immersive journalism steeped in a distinctively American social history and sparked by a personal quest, *The Unsettlers* traces the search for the simple life through the stories of these new pioneers and what inspired each of them to look for -- or create -- a better existence. Captivating and clear-eyed, it dares us to imagine what a sustainable, ethical, authentic future might actually look like.

“ God, if you ’ re real, make yourself real to me. ” Each of us spends our lives on a journey toward God. Yet often our most deeply felt longings—for meaning, for love, for significance—end up leading us away from, instead of toward, our Creator and the person he made us to be. Finding Your Way Back to God shows you how to understand and listen to your longings in a whole new way. It ’ s about waking up to who you really are, and daring to believe that God wants to be found even more than you want to find him. It ’ s about making the biggest wager of your life as you ask God to make

himself known to you. And it ’ s about watching what happens next.
The Triple Agent Crown
Everybody has value and should be made to feel that way. That was one of our fundamental tenets, and we all bough into it completely. We believed that if you've built the right culture-a culture of inclusion-then an important contribution could just as likely come from a guy who says he's keeping his fingers crossed to hang on with the team as from one of the stars.

STOPMOUTH AND HIS
family know of no other life than the daily battle to survive. To live, they must hunt rival species, or negotiate flesh-trade with those who crave meat of the freshest human kind. It is a savage, desperate existence. And for Stopmouth, considered slowwitted hunt-fodder by his tribe, the future looks especially bleak. But then, on the day he is callously

betrayed by his brother, a strange and beautiful woman falls from the sky. It is a moment that will change his destiny, and that of all humanity, forever. With echoes of Tarzan, Conan the Barbarian, and The Truman Show, Peadar Ó Guilín's debut is an action—and idea-packed—blockbuster that will challenge your perceptions of humanity and leave you hungry for more.

winning reporter, a stunning narrative account of the mysterious Jordanian who penetrated both the inner circle of al-Qaeda and the highest reaches of the CIA, with a devastating impact on the war on terror. "Warwick is a brilliant reporter...A gripping true-life spy saga."—Los Angeles Times In December 2009, a group of the CIA's top terrorist hunters gathered at a secret base in Khost, Afghanistan, to greet a rising superspy: Humam Khalil al-Balawi, a Jordanian double-agent who infiltrated the upper

ranks of al-Qaeda. For months, he had sent shocking revelations from inside the terrorist network and now promised to help the CIA assassinate Osama bin Laden ' s top deputy. Instead, as he stepped from his car, he detonated a thirty-pound bomb strapped to his chest, instantly killing seven CIA operatives, the agency ' s worst loss of life in decades. In *The Triple Agent*, Pulitzer Prize – winning reporter Joby Warrick takes us deep inside the CIA ' s secret war against al-Qaeda, a war that pits robotic planes and laser-guided missiles against a cunning enemy intent on unleashing carnage in American cities. Flitting precariously between the two sides was Balawi, a young man with extraordinary gifts who managed to win the confidence of hardened terrorists as well as veteran spymasters. With his breathtaking accounts from inside al-Qaeda ' s lair, Balawi appeared poised to become America ' s greatest double-agent in half a century—but he was not at all what he seemed.

Combining the powerful momentum of *Black Hawk Down* with the institutional insight of Jane Mayer ' s *The Dark Side*, Warrick takes the readers on a harrowing journey from the slums of Amman to the inner chambers of the White House in an untold true story of miscalculation, deception, and revenge.

“ A fiendishly sharp, intelligent examination of modern human life that is as funny as hell. ” —The Times (London) The end is nigh and the Prince of Darkness has

just been offered one hell of a deal: reentry into Heaven for eternity—if he can live out a well-behaved life in a human body on earth. It ' s the ultimate case of trying without buying and, despite the limitations of the human body in question (previous owner one suicidally unsuccessful writer, Declan Gunn), Luce seizes the opportunity to run riot through the realm of the senses. This is his chance to straighten the biblical record (Adam, it ' s hinted, was a misguided variation on the Eve design), to celebrate his

favorite achievements (everything from the Inquisition to Elton John), and, most important, to get Julia Roberts attached to his screenplay. But the experience of walking among us isn't what His Majesty expected: instead of teaching us what it's like to be him, Lucifer finds himself understanding what it's like to be us. By an author hailed by the Times Literary Supplement as one of Britain's top twenty young novelists, I, Lucifer is "a masterpiece . . . startlingly witty, original and beautifully

written" (Good Book Guide). "Duncan's witty and perverse, yet somehow life-affirming, Lucifer is powerful indeed." —Booklist

Guns of the Dawn is a pacey, gripping fantasy of war and magic, from Arthur C. Clarke Award-winning author, Adrian Tchaikovsky. "One of the best books I've ever read" — Peter Newman, author of The Vagrant

The first casualty of war is truth . . . First, Denland's revolutionaries assassinated their king, launching a wave of

bloodshed after generations of peace. Next they clashed with Lascanne, their royalist neighbour, pitching war-machines against warlocks in a fiercely fought conflict. Genteel Emily Marshwic watched as the hostilities stole her family's young men. But then came the call for yet more Lascanne soldiers in a ravaged kingdom with none left to give. Emily must join the ranks of conscripted women and march toward the front lines. With barely enough training to hold a musket, Emily braves the savage reality of warfare. But she begins to doubt her country's cause,

and those doubts become critical. For her choices will determine her own future and that of two nations locked in battle. ‘ An engrossing story, beautifully told ’ – SFX ‘ Moving, gripping and wonderfully paced ’ – The Bookbag

One thing—more than any other—keeps us from a compelling life: we are STUCK. Some of us are stuck for short seasons of time. But others surrender to a life of being continually trapped and frustrated. The hang-ups of our past, fear of failure, victim mindsets, broken relationships, disappointment with ourselves—together with the lack

of fresh encounters with God—have left many of us struggling and unable to move into our next season. Unstuck is a wake-up call for all those tired of being stuck. Organized around the most significant event of the prophet Elijah's life, his cave experience, Unstuck helps you discover what is holding you back from starting a new chapter of life. Mark Jobe will help you address your unfinished business, rediscover your boundaries, break out of isolation, and re-envision your life story to step out of your cave and into your call.

Marc Lynch's last book, *The Arab Uprising*, described the then ongoing revolutionary change and prospect for the consolidation of democracy in key Arab countries that still seemed possible. But Lynch saw dark signs on the horizon, especially in Syria. That book ended with the hope that the Arab uprisings heralded a fundamental change over the long-term, but with the warning that Arab regimes would not easily give up their power. Instead, Egypt's revolution has given way to a military coup;

Libya's produced a failed state; Yemen is the battleground for a proxy war and will be destroyed; Syria has become a sprawling humanitarian catastrophe that will take a generation to begin to recover from. At the same time, America has less and less reason to want to engage with the region and now has only one functional ally apart from Israel. The *New Arab Wars* describes how the political landscape of an entire region has been convulsed, with much of it given over to anarchy, as proxy wars on behalf of three competing powers—Iran, Turkey and Saudi Arabia—scar the region. It is a brutal,

compelling story.

WHO ARE YOU? WHAT DEFINES YOU? WHAT IS YOUR IDENTITY? How you answer those questions affects every aspect of your life: personal, public, and spiritual. So it's vital to get the answer right. Pastor and best-selling author Mark Driscoll believes false identity is at the heart of many struggles—and that you can overcome them by having your true identity in Christ. In *Who Do You Think You Are?*, Driscoll explores the question, “What does it

mean to be ‘ in Christ ’ ? ”

In the process he dissects the false-identity epidemic and, more important, provides the only solution—Jesus. “ This book will give you an unshakeable, biblical understanding of who you are in Christ. When you know who you are, you ’ ll know what to do. ” —Craig Groeschel, Senior Pastor of LifeChurch.tv and author of Soul Detox, Clean Living in a Contaminated World “ I spent years in ministry for Christ without understanding my identity in Christ. I know

now that I was not alone.

When, by the grace of God, we understand who we are in Christ, everything else can crumble and we will still be standing. I highly commend this book to you. ” —Sheila Walsh, speaker and author of God Loves Broken People
