DISCUSSION QUESTIONS INCLUDED Story Behind the Book "When my six kids' eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention

amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realized—that is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind." — Chuck Black

[Perfectly Dateless \(My Perfectly Misunderstood Life Book #1\)](#) Zonderkidz Father Groeschel, the highly respected author, psychologist, spiritual director and leader of renewal in the religious life, has written a brief but comprehensive practical guide for all those interested in private revelations, the reports of visions and other extraordinary religious phenomena that are so widespread in these times. Because of the intense interest in extraordinary religious experience that ranges from Medjugorje to the

New Age, Groeschel's book is an urgently needed resource that gives practical norms to everyone on how to evaluate these claims. Drawing on spiritual classics and Church documents not readily available, he summarizes the Church's perennial wisdom on this topic. He also offers an alternative to unusual and extraordinary ways of knowing the things of God, which is a normal everyday opportunity open to all called "religious experience"--the action of grace operating in the context of a human life that can become a powerful source of virtue and holiness. Father Groeschel skillfully directs the reader to the humbler and safer path which discerns God's presence in prayer, Scripture, the sacraments and love of neighbor. The great example of this path to holiness is St. Thérèse of Lisieux who, though having very few extraordinary experiences, was filled with a profound awareness of God's presence and said, "To ecstasy, I prefer the monotony of sacrifice." Recognizing "a playful spirit" as part of our human makeup, Conrad Hyers shows how laughter and humor are integral to our serious study of the Bible. He opens the joy of understanding the Bible in its fullness. With the darker realities of the Bible -- sin, suffering, and death -- there coexists a lighter side -- laughter, humor, and playfulness. Competent biblical study requires both perspectives. This highly readable, preachable, and teachable work gives ministers, students, lay readers a valuable tool for recovering the spirit and offers a chance to share in the celebration of life and the divine comedy of faith, hope, and love.
