The Book of Memory by Petina Gappah review – a fictional ...

Beautifully written, "The Book of Memory", by Petina Gappah, is the gripping story with enough wit (some hilarious malapropisms) to get you through the darkness. The protagonist, Memory, who has albinism, is narrating the story from a Zimbabwe prison where she is sentenced to death for the murder of the white man who "bought" her from her parents.

THE BOOK OF MEMORY Mary

Carruthers's classic study of the training and uses of memory for a variety of purposes in European cultures during the Middle Ages has fundamentally changed the way scholars understand medieval culture. This fully revised and updated second edition considers afresh all the material and conclusions of the first. While responding
