The title of my talk today is “ The Book of Mormon: Man-Made or God-Given? ” 1 Because the Book of Mormon is “ the keystone of our religion, ” as described by Joseph Smith, 2 the Church rises or falls on the truth of it. As a result, if the Book of Mormon can be proved to be man-made, then the Church is man-made.

The Book of Mormon Made Harder is the perfect tool to improve personal and family scripture study, sacrament meeting talks, or Sunday School lessons. So much of modern life is geared to finding faster and easier ways to do the same old things. The Made Harder series is proof that making things easier does not always make them better.

"The Book of Mormon Made Harder" by James E. Faulconer

The Book of Mormon is a sacred text of the Latter Day Saint movement, which, according to Latter Day Saint theology, contains writings of ancient prophets who lived on the American continent from approximately 2200 BC to AD 421. It was first published in March 1830 by Joseph Smith as The Book of Mormon: An Account Written by the Hand of Mormon upon Plates Taken from the Plates of Nephi.

Description. Latter-day Saint philosopher James E. Faulconer ’ s Made Harder series raises many more questions than it answers. And that is precisely the point. Faulconer wrote The Book of Mormon Made Harder on the premise that our scripture study is only as good as the questions we bring to the endeavor. While many books about the Book of Mormon provide useful shortcuts, chapter synopses, timelines, and memorizable bullet-points, this book consists almost entirely of challenging questions ...

The founder of Mormonism said the Book of Mormon was the most correct book of any book, including the Bible (History of the Church, vol. 4, p. 461), and that a man could get closer to God by following it than any other book. Yet, essential Mormon doctrines aren't even found in it. This is because the Book of Mormon is nothing more than a fictional account made up by Joseph Smith. It wasn't until after the book had been printed that the additional heretical doctrines of Mormonism started to ...

A natural question that arises at some point is whether or not this book is man-made or God-given. The initial argument by the critics that the Book of Mormon was man-made was based on the premise that Joseph Smith was too unlearned and “ ignorant ” to write such a comprehensive work and therefore someone allegedly much more intelligent than he, such as Sidney Rigdon or Oliver Cowdery, must have authored it.
