"A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of betrayals, cabals, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power "Dark, strange, thick with mystery and twists—a story so believable in its magic, you'll be keeping one eye on your shadow as you turn the pages." — Leigh Bardugo, New York Times bestselling author of Ninth House "If Neil Gaiman channeled Stephen King, the result might be this book . . . scintillating prose, whiplash twists, and a voice of character that demands to be heard from again. " — James Rollins, New York Times bestseller of The Starless Crown " Heart, soul, and a bit of kink—The Book of Night is smart, decadent fun. " — Kelly Link, Pulitzer Prize Finalist "A dark romp full of danger and shadows with a razor sharp heroine and vivid magic." — Zoraida Córdova, Nationally bestselling author of The Inheritance of Orquídea Divina "A deliciously clever page-turner." —Paolo Bacigalupi, New York Times Bestselling author of The Water Knife "Book of Night delivers hot sex, a breathless plot, perfect characters, and some of the most gorgeous writing I've read in years, sharp as a razor blade, clear as a one-way glass." — Ellen Kushner, award-winning author of Swordpoint "A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow "A dark and glittering cocktail of a book, heady with glamour and seediness, deep magic and desperate grifters. Black's spiky, irresistible heroine will lead you like a will o' the wisp into the dark." — Melissa Albert New York Times Bestselling author of The Hazel Wood "Holly Black is a master of fantasy with the Midas touch--there is no story she cannot turn to gold." — V.E. Schwab, New York Times bestselling author of The Invisible Life of Addie LaRue "A gripping ride from start to finish. Book of Night invites you to reckon with the shadows of your past." — Olivie Blake, author of The Atlas Six " Black is a master at world-building. " — The New York

In The Women I Think About at Night, Mia Kankimäki blends travelogue, memoir, and biography as she recounts her enchanting travels in Japan, Kenya, and Italy while retracing the steps of ten remarkable female pioneers from history. What can a forty-something childless woman do? Bored with her life and feeling stuck, Mia Kankimäki leaves her job, sells her apartment, and decides to travel the world, following the paths of the female explorers and artists from history who have long inspired her. She flies to Tanzania and then to Kenya to see where Karen Blixen—of Out of Africa—fame lived in the 1920s. In Japan, Mia attempts to cure her depression while researching Yayoi Kusama, the contemporary artist who has voluntarily lived in a psychiatric hospital for decades. In Italy, Mia spends her days looking for the works of forgotten Renaissance women painters of the Uffizi Gallery in Florence, and finally finds her heroines in the portraits of Sofonisba Anguissola, Lavinia Fontana, and Artemisia Gentileschi. If these women could make it in the world hundreds of years ago, why can't Mia? The Women I Think About at Night is part travelogue and part thrilling exploration of the lost women adventurers of history who defied expectations in order to see—and change—the world.

When seventeen-year-old Lena Beckford hears the lock turn in her bedroom door she begins her nightly ritual to honor the moon. But instead of seeing the usual visions from her father, the flame, she's contacted by her grandmother pleading for Lena's help after she's been buried alive in the Strangers' Graveyard. As Lena begins her search she meets two witches, like herself, that promise to help her find her grandmother--a ridiculous old crone

that seems to be leading her around in circles, and a handsome young man that she's immediately drawn to. But she can't quite seem to escape from either of them when she realizes they're armed with their own devilish motives, which blur the lines between friend and foe, sanity and insanity. Is it murder Lena must commit, or justice she must serve, to finally free her grandmother from the darkness of the grave?

The Book Simon & Schuster

Arriving one year after the Haitian-American's first novel (Breath, Eyes, Memory) alerted critics to her compelling voice, these 10 stories, some of which have appeared in small literary journals, confirm Danticat's reputation as a remarkably gifted writer.

Examining the lives of ordinary Haitians, particularly those struggling to survive under the brutal Duvalier regime, Danticat illuminates the distance between people's desires and the stifling reality of their lives. A profound mix of Catholicism and voodoo spirituality informs the tales, bestowing a mythic importance on people described in the opening story, "Children of the Sea," as those "in this world whose names don't matter to anyone but themselves." The ceaseless grip of dictatorship often leads men to emotionally abandon their families, like the husband in "A Wall of Fire Rising," who dreams of escaping in a neighbor's hot-air balloon. The women exhibit more resilience, largely because of their insistence on finding meaning and solidarity through storytelling; but Danticat portrays these bonds with an honesty that shows that sisterhood, too, has its power plays. In the book's final piece, "Epilogue: Women Like Us," she writes: "Are there women who both cook and write? Kitchen poets, they call them. They slip phrases into their stew and wrap meaning around their pork before frying it. They make narrative dumplings and stuff their daughter's mouths so they say nothing more." The stories inform and enrich one another, as the female characters reveal a common ancestry and ties to the fictional Ville Rose. In addition to the power of Danticat's themes, the book is enhanced by an element of suspense (we're never certain, for example, if a rickety boat packed with refugees introduced in the first tale will reach the Florida coast). Spare, elegant and moving, these stories cohere into a superb collection.

From an acclaimed and powerful talent in historical fiction, a literary historical novel set in a bohemian enclave of Vienna about love, freedom, and what constitutes a family Set in Vienna from 1910 to 1946, All of You Every Single One is an atmospheric, original, and deeply moving novel about family, freedom, and how true love might survive impossible odds. Julia Lindqvist, a woman unhappily married to a famous Swedish playwright, leaves her husband to begin a passionate affair with a female tailor named Eve. The pair run away together and settle in the more liberal haven of Vienna, where they fall in love, navigate the

challenges of their newfound independence, and find community in the city's Jewish quarter. But Julia's yearning for a child throws their fragile happiness into chaos and threatens to destroy her life and the lives of those closest to her. Ada Bauer's wealthy industrialist family have sent her to Dr. Freud in the hope that he can cure her mutism—and do so without a scandal. But help will soon come for Ada from an unexpected place, changing many lives irrevocably. Through the lives of her queer characters, and against the changing backdrop of one of the greatest cities of the age, Hitchman asks what it's like to live through oppression, how personal decisions become political, and how far one will go to protect the ones they love. Moving across Europe and through decades, Hitchman's sophomore novel is an intensely poignant portrait of life and love on the fringes of history.

"Staying here tonight. A beautiful motel as most of them are and there are so many." So wrote a traveler spending a night at a motel between Richmond and Petersburg, Virginia writing home on the motel's postcard in 1955. U.S. Highway 1, before the arrival of Interstate 95, was considered America's Main Street, the most heavily traveled highway on the east coast, running from the Canadian border in Maine to Key West, Florida. In 2010, Highway 1 was designated an Historic Highway. The stretch of highway between Richmond and Petersburg, long known locally as the Richmond-Petersburg Turnpike, or "Pike" for short, was an important stopover for tourists driving to and from Florida and the number, and variety, of travel accommodations attest to the Pike's popularity. Using over 160 postcards along with over 55 other images including some provided by the Virginia Department of Historic Resources and the Chesterfield County Historical Society, the book provides a history of motels, tourist courts, tourist camps, etc. that flourished along Historic Highway 1 from 1920 to 1975. But Spending the Night on the Pike is not a history of postcards. It is a history of what postcards tell us about travelers in the first half of the 20th century and of the evolution of the lodging that accommodated them. For many tourist courts and motels, postcards are the only record remaining of these once vibrant businesses and are the source of clues that help identify buildings that still remain but are hidden or disguised. For those motels still operating, their postcards give us a glimpse of their former glory, when they were new and polished, before the arrival of the interstates that siphoned off the tourist business. And they tell of the time when motels were family-owned "Mom and Pop's" and proudly advertised that fact on their postcards. It is also a nostalgic look back for those who remember the time when road trips required driving through towns instead of around them and of a time that seems less complicated, less stressful, and less rushed. And for those who take the time to look, the motels, tourist courts, and tourist cabins still standing provide us a reminder of that earlier time.

WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich's grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness

and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new “ emancipation ” bill on its way to the floor of the United States Congress. It is 1953 and he and the other council members know the bill isn ’ t about freedom; Congress is fed up with Indians. The bill is a “ termination ” that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans “ for as long as the grasses shall grow, and the rivers run ” ? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice ’ s shameful alcoholic father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to follow her beloved older sister, Vera, who moved to the big city of Minneapolis. Vera may have disappeared; she hasn ’ t been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice ’ s best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In the Night Watchman, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, The Night Watchman is a majestic work of fiction from this revered cultural treasure.

From the author of the National Book Award finalist Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success. ” — The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

In a fusion of fact and fiction, nineteenth-century women institutionalized as hysterics reveal what history ignored “ City of Incurable Women is a brilliant exploration of the type of female bodily and psychic pain once commonly diagnosed as hysteria—and the curiously hysterical response to it commonly exhibited by medical men. It is a novel of powerful originality, riveting historical interest, and haunting lyrical beauty. ” —Sigrid Nunez, author of *The Friend and What Are You Going Through* “ Where are the hysterics, those magnificent women of former times? ” wrote Jacques Lacan. Long history ’ s ghosts, marginalized and dispossessed due to their gender and class, they are reimagined by Maud Casey as complex, flesh-and-blood people with stories to tell. These linked, evocative prose portraits, accompanied by period photographs and medical documents both authentic and invented, poignantly restore the humanity to the nineteenth-century female psychiatric patients confined in Paris ’ s Salpê tri è re hospital and reduced to specimens for study by the celebrated neurologist Jean-Martin Charcot and his male colleagues. Maud Casey is the author of five books of fiction, including *The Man Who Walked Away*, and a work of nonfiction, *The Art of Mystery: The Search for Questions*. A Guggenheim Fellow and recipient of the St. Francis College Literary Prize, she teaches at the University of Maryland.
