Revelation and the End of All Things Chartwell Books
A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Dr. Beasley-Murray has made a special study of the Revelation, the notorious difficulties of which have challenged and fascinated him for many years. An essential key to the understanding of its enigmatic character is the realization that it comes within the category of apocalyptic literature, in which acknowledged symbols were used to disguise the real meaning. According to the author, that which "to the uninitiated modern reader appears grotesque imagery spoke with power to John's fellow-Christians . . ." Due weight is also given to the Christology of the book, which the author sees as inseparable from its eschatology.

Both the introduction and the prophecy are saturated with allusions to Hebrew Scripture, which has been applied typologically to the situation at the time the documents were composed. Knowing the scripture involved is basic to understanding the message of the Book of Revelation. Buchanan shows the text of Revelation in one column and the relevant passages to Hebrew Scripture in a parallel column. He calls it redemption literatureÓ rather than apocalypticÓ and compares it to Jewish redemption literature composed during the period from the Bar Cochba Revolt to the end of the Crusades, and with redemption literature found in Isaiah, Jeremiah, Ezekiel, Zechariah, Haggai, Daniel, and some of the Psalms.

Revelation 12:7-9 “ And war broke out in heaven: Michael and his angels fought with the dragon; and the dragon and his angels fought, but they did not prevail, nor was a place found for them in heaven any longer. So the great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him. ” Luke 21:25-28 “ And there will be signs in the sun, in the moon, and in the stars; and on the earth distress of nations, with perplexity, the sea and the waves roaring; men ’ s hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken. Then they will see the Son of Man coming in a cloud with power and great glory. Now when these begin to happen, look up and lift up your heads, because your redemption draws near. ” Revelation 19:11-14 “ Now I saw heaven opened, and behold, a white horse. And He who sat on him was called Faithful and True, and in righteousness He judges and makes war. His eyes were like a flame of fire, and on His head were many crowns. He had a name written that no one knew except Himself. He was clothed with a robe dipped in blood, and His name is called The Word of God. And the armies in heaven, clothed in fine linen, white and clean, followed Him on white horses. Revelation 20:10 “ The devil, who deceived them, was cast into the lake of fire and brimstone where the beast and the false prophet are. And they will be tormented day and night forever and ever. ”

Unfolding Revelation Deseret Book
The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

“ The Book of Revelation: A New Beginning ” contains the hidden secrets of Saint John ’ s Revelation, and as you know, it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it. Man has always assumed the word of God ’ s prophets and their stories were indisputable just because of their eminence in interpreted them as being true. Man has forgotten the history of himself, Earth, God, the origin of the universe, and how the scriptures have been documented, interpreted, and strictly passed down by our ancestors and religious leaders. As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti-Christ as we understand it nor is it about Jesus coming to save you. In truth, Saint John ’ s Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross, like Jesus, and now the time has come for you to ascend to a higher state of Mind. The book of Revelation: “ A New Beginning ” is a book that will help open the gates of your soul memories so you can become aware of your own divineness, and that you are a God too. My fellow Gods, what is coming to an end is the old ways of perceiving and understanding God. It is not that God is a mystery. It is you that is the mystery, and when fear is resolved within, you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years, either on purpose or because of ignorance.

The Book of Revelation Zondervan
This monumental commentary on the book of Revelation, originally published in 1999, has been highly acclaimed by scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages -- including our own. Engaging important questions concerning the interpretation of Revelation in scholarship today, as well as interacting with the various viewpoints scholars hold on these issues, Beale's work makes a major contribution in the much-debated area of how the Old Testament is used in the Apocalypse. Approaching Revelation in terms of its own historical background and literary character, Beale argues convincingly that John's use of Old Testament allusions -- and the way the Jewish exegetical tradition interpreted these same allusions -- provides the

key for unlocking the meaning of Revelation's many obscure metaphors. In the course of Beale's careful verse-by-verse exegesis, which also untangles the logical flow of John's thought as it develops from chapter to chapter, it becomes clear that Revelation's challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past.

Such thorough exegetical work lies at the heart of these volumes, which contain detailed verse-by-verse commentary preceded by general comments on each section and subsection of the text. An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs. In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text. The text on which these commentaries are based is the UBS Greek New Testament, edited by Kurt Aland and others. The idea of "The Rapture" -- the return of Christ to rescue and deliver Christians off the earth -- is an extremely popular interpretation of the Bible's Book of Revelation and a jumping-off point for the best-selling "Left Behind" series of books. This interpretation, based on a psychology of fear and destruction, guides the daily acts of thousands if not millions of people worldwide. In The Rapture Exposed, Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible. The truth, Rossing argues, is that Revelation offers a vision of God's healing love for the world. The Rapture Exposed reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.
