Learn that it is safe to embrace the sacred
dark, for there is much wisdom there. As a
matter of fact, much is taken from my own
personal Book of Shadows, where I reveal the
inner mysteries of rites, beliefs and also the
practices of the Old Religion. This book, The
Book of Shadows will challenge your own
perceptions as you explore the Eleusinian
Mysteries, and begin to understand the role
of the journey to the underworld. You will
gain a new sense of the rich heritage that was
passed on from the Old Ways in Southern
Italy. Also in this Book are comparatives of
different religions and how at the core they all

connect together as one. Some examples of the exploration of this include: the resurrection of Jesus and the return of Persephone to the land of the living. Shedding new light on how both are an allegory of the journey of the soul. The Old Ways have their roots in the Indus Valley, it is delved into; where by speculating that they then eventually traveled to other lands.

Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others.
