Do angels, ghosts and demons really exist, or are they a figment of our over active imagination? Can ghosts, demons and spirits harm you? If you don't believe in them they can't bother you right? How can you protect yourself against the paranormal? Do we live once and it's all over or do we come back time and again to live new lives? In this book, you will gain information about the paranormal from a psychic-mediums perspective. As a psychic medium I have gathered a lot of information about the other side. The book covers over more than 40 years of paranormal related information interspersed with my own personal paranormal encounters. Anyone who is interested in the paranormal including ghosts, demons, orbs and hauntings will enjoy the many topics covered in this book. Those interested in spiritualism, new age topics and metaphysics will find many of the chapters such as past lives, possession and death and the soul connection. People who are experiencing their own paranormal occurrences such as hauntings and spirit attachments will find help and information to help them. People of all ages, walks of life and many religions will find something of interest in the book. Even those who do not believe in the paranormal will enjoy many of the thought

provoking topics covered in this book.

Wanting to popularize Spiritism and make spreading it easier and quicker, but without prejudicing the basic works of the Spiritist Doctrine, Allan Kardec wrote a number of booklets and distributed them throughout France at prices that were affordable for anyone who might be interested. Some of them had several printings and were highly successful. They continued to be republished even after the Codifier's discarnation. This is one of those booklets. It is hoped that Spiritist readers will find that this unpretentious work enriches their knowledge of the Spiritist Doctrine.

This new, sophisticated, comprehensive reference book will inspire and instruct painters on how to handle today's acrylics in innovative and individualistic ways. Acrylics have grown into the most adaptable art material for the modern age. Developments in the pigment industry have given acrylics a remarkably permanent, rich, and abundant palette, making it the favorite medium of many contemporary artists. As colors are being developed, their chemical components are also enhanced for better texture and handling. Art-supplies vendors now offer acrylic mediums for thinning, thickening, glazing, molding, pouring, texturing, and dozens of other uses. Even experienced acrylic painters can be confused—even intimidated—by this staggering diversity of products. Painter and art materials expert Rhéni Tauchid simplifies this daunting subject, clearly explaining each type of medium and suggesting ways it can enhance your

painting practice. Over twenty step-by-step demonstrations teach you how to apply mediums to create vibrant colors, sensuous surfaces, and striking visual effects. Hundreds of beautiful photos illustrate mediums' almost limitless potential and show you how other artists—both abstract and realist—are employing mediums to push their art in new creative directions. The first book of its kind, this essential reference belongs on every acrylic painter's shelf. Includes the Work of Contemporary Masters: Nick Bantock, Diane Black, Bruno Capolongo, Pauline Conley, Marc Courtemanche, Marie-Claude Delcourt, Claire Desjardins, Marion Fischer, Heather Haynes, Lorena Kloosterboer, Suzy Lamont, Marie Lannoo, Connie Morris, Barry Oretsky, Lori Richards, Hester Simpson, Ksenia Sizaya, Rhéni Tauchid, Alice Teichert, Beth ten Hove, Sharlena Wood, and Heather Midori Yamada.

A companion to his first book, *The Spirits' Guide*, *The Book on Mediums* explains how to apply Allan Kardec's principles of his practical science of spiritism in order to become a medium. His aim is to teach interested readers, those who believe in the existence of the spirit world, and people with a strong desire to communicate with the dead how to cultivate their sensitivity to the paranormal. It is a serious undertaking, and Kardec warns his reader to approach the subject with a scholarly mind and pure intentions. For those who are willing, there is a whole new world just waiting to be experienced. French scholar HIPPOLYTE LEON DENIZARD RIVAIL (1804-1869), aka Allan Kardec, was a longtime teacher of mathematics, astronomy, and other scientific disciplines before turning to the paranormal. He founded the Parisian Society of Psychologic Studies, and founded and edited the monthly magazine *La Revue Spirite*, *Journal of Psychologic Studies*. He is also the author of *The Gospel as Explained by Spirits* (1864).

Author of the acclaimed *Beginners Guide to Mediumship*, Larry Dreller digs deeper into the role of mediums and the meaning of mediumship in our complex, rational, increasingly scientifically sophisticated world. Mediumship necessarily revolves around the, to some scary, but inevitable fact of death. In a broad sense, a medium is simply one who communicates with the spirits of the departed. There is ample evidence of life after death, the continuation of the soul, and other forms of life we don't understand. Yet modern science and technology have yet to explain (or explain away) that evidence. In *Secrets of a Medium*, which is an advanced guide to mediumship, Dreller explores death, the afterlife, and those realms beyond the mortal world in a readable, sensible manner, unclouded by vague jargon or dogmatic faith. He explains the range of psychic abilities and characteristics of mediums—the difference between psychics and channelers, the mental and physical abilities of mediums, what mediums believe, and typical settings for the work of a medium. On a practical side, he lists what is needed for a seance and other works, and how to prepare oneself mentally, physically, and spiritually for the work

of a medium. He goes into some depth about what to expect when contact is made with the other side. More than just a guide to mediumship as a practice, Dreller provides a guide to life for the aspiring medium. A glossary of paranormal terms, an extensive bibliography, and a guide to the paranormal and mediumship in popular media make this an invaluable reference to aspiring and practicing mediums.

What is a psychic? Can I be a medium? I had a psychic tell me I have a dark cloud around me. How can I get rid of it? I don't have six hundred dollars. These are just a few of the questions answered and workshopped in *Psychic Standards: A Guide to Finding or Being an Ethical Reader*. Psychic medium Patti Lehman-McClellan's advice to her readers and students comes from over twenty years working in the metaphysical industry. Her teachings include psychic development and intuitive reading. *Psychic Standards* will answer your questions as you navigate through finding an ethical reader or being one. The book doubles as a workbook with meditations and statements designed to lead the novice client or the seasoned student through the sometimes confusing world of psychics, mediums, and empaths. Patti Lehman-McClellan is a small business owner in Northern New Jersey. At *Angels Owls and Anchors LLC*, she practices hypnotherapy as a CHT, with a certification in advanced hypnosis. She helps people with all types of difficulties, including heartbreak, chakra cleansing, phobias and fears, pain management, smoking cessation, past life regressions, and more. "I have known Patti for over 20 years. I have found her to be of high integrity, and highly authentic. Patti's work speaks for itself, and each client of hers trusts her completely. Patti is a beautiful and gifted soul" (Janet Nohavec, author, medium, and minister). "If I had this book five years ago, my life would be profoundly different. I met a gypsy, and she took monetary advantage of someone in a vulnerable state. *Psychic Standards: A Guide to Finding or Being an Ethical Reader* lives up to the name. I know that Patti, and using this book, will help me right the course of my life" (Kate, client and student).
