A lush, slow-burn romance set in 17th century France, and based on the history of the Hope Diamond--The Glittering Court meets Alex and Eliza. Her story begins . . . in Paris. The only daughter of the King's crown jeweler, Juliette marvels at the large, deep-blue diamond Louis XIV has commanded her father to make shine like the sun. But Jean Pitau has never cut a diamond quite like this, and shaping it is a risky endeavor. As Jean spirals into depression, Juliette takes it upon herself to cut the stone, and with every misstep, brings her family closer to ruin. Her story resumes . . . in a cold, dark cell of the Bastille prison. Charged with stealing the King's diamond, Juliette has but one chance to convince him that her motives were pure. If she fails, this night may very well be her last. Though, death wouldn't be her worst fate. Because recording Juliette's confession is Ren é , a court-appointed scribe, and the man she loves. But Ren é holds his own grudge against Juliette, and this is her one and only chance to win back his heart.

WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar. Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of The Black Swan

*The Leaf Thief* For Kids

The universal experience for most high school students is learning to drive and getting their driver's license. Add breathlessly plotted romance and an accident and you have a poignant and realistic novel. Remy Martin prays to the God of Driver's Education that she will get to drive today. She doesn't know where she's going, but she knows one thing . . . she is going to get there fast. Morgan Campbell had been standing on the threshold of 16 and getting his driver's license ever since he could remember. But deep into the first crush of his life, thinking of nothing but girls, Morgan forgot what driving was all about. This poignant novel about responsibility and consequences is as convincing as it is irresistible.

People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and

nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH – LESS AND MORE. In The ONE Thing, you'll learn to \* cut through the clutter \* achieve better results in less time \* build momentum toward your goal\* dial down the stress \* overcome that overwhelmed feeling \* revive your energy \* stay on track \* master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

The Thief of Always Harper Collins

In the tradition of Counting By 7s and The Thing About Jellyfish, a heartwarming coming-of-age story about grief, family, friendship, and the importance of finding your voice Wayne Kovok lives in a world of After. After his uncle in the army was killed overseas. After Wayne and his mother survived a plane crash while coming back from the funeral. After he lost his voice. Wayne has always used his love of facts to communicate ("Did you know more people die each year from shaking a vending machine than from shark attacks?"). Without his voice, how will he wow the prettiest girl in school? How will he stand up to his drill-sergeant grandfather? And how will he share his hopes with his deadbeat dad? It's not until Wayne loses his voice completely that he realizes how much he doesn't say. Filled with Karen Harrington's signature heart and humor, Mayday tackles an unforgettable journey of family and friendship.

**\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

As she goes about her work with the villagers, slum dwellers and the common men and women of India, Sudha Murty—writer, social worker and teacher—listens to them and records what they have to say. Their accounts of the struggles and hardships which they have at times overcome, and at other times been overwhelmed by, are put together in this book. There are stories about people's generosity—and selfishness—in times of natural disasters like the tsunami; women

struggling to speak out in a world that refuses to listen to them; and tales of young professionals trying to find their feet as they climb up the corporate ladder. Told simply and directly from the heart, *The Old Man and His God* is a collection of snapshots of the varied facets of human nature and a mirror to the souls of the people of India.

Building on the strengths of the fourth edition, *Basic Nursing: Essentials for Practice* is back in a new edition! Thoroughly updated and revised to provide a more focused and engaging presentation, this new edition offers the basic principles, concepts, and skills needed by nursing students. The five-step nursing process returns to provide a consistent, logical organizational framework, with a clear writing style and numerous learning aids. An increased emphasis on caring, along with new boxes on Focused Client Assessment and Outcome Evaluation, reflect current practice trends. This new edition is better than ever! Five-Step Nursing Process provides a consistent organizational framework. More than 40 nursing skills are presented in a clear, 2-column format with rationales for all steps. Procedural Guidelines boxes provide streamlined step-by-step instructions for performing basic skills. Growth and Development chapter and age-related considerations throughout clinical chapters help prepare students to care for clients of all ages. Sample Nursing Care Plans highlight defining characteristics in assessment data, include client goals and expected outcomes in the planning section, and provide rationales for each nursing intervention. Progressive Case Studies follow the interactions of a client and nurse throughout the chapter to illustrate steps in the nursing process and develop critical thinking skills. Brief coverage of higher level concepts including research, theory, professional roles, and management, maintains the text's focus on essential, basic content. The narrative style makes the text more engaging and appealing. Focused Client Assessment boxes provide specific guidelines for factors to assess, questions and approaches, and physical assessment. Content on delegation is discussed throughout the narrative and specific guidelines are included for each skill. Skills now include Unexpected Outcomes and Interventions to alert for potential undesirable responses and provide appropriate nursing actions. Caring in Nursing is presented in a new chapter and as a thread throughout the text. Outcome Evaluation are based on the chapter's case study and provide guidelines on how to ask questions and evaluate care based on the answers received. NIC and NOC are discussed in the Nursing Process chapter to provide an overview of these taxonomies encountered in practice. NCLEX-style multiple-choice questions at the end of each chapter help students evaluate learning.
