The Book With No Name

The Book with No Name is best described as a Quentin Tarantino styled tongue-in-cheek, all-action horror onslaught, with vampires, hitmen, monks, cops, local gangs, and a serial killer called the Bourdon Kid. It

should be chaos, it should be unmanageable, it shouldn't work, but it does. Total escapism with a charged atmosphere.

The Book With No Name reached out a hand and roughly pulled back the man's hood to reveal the chiselled but unshaven face of a blond-haired fellow in his early thirties. The man had bloodshot eyes, suggesting he was slightly hungover or had only just woken prematurely from a drunken slumber.
