As I Wake Routledge

A dramatic and thought-provoking novel of one family's triumph in the face of the hardships and challenges of the post-Civil War South. *The Wake of the Wind*, J. California Cooper's third novel, is her most penetrating look yet at the challenges that generations of African Americans have had to overcome in order to carve out a home for themselves and their families. Set in Texas in the waning years of the Civil War, the novel tells the dramatic story of a remarkable heroine, Lifee, and her husband, Mor. When Emancipation finally comes to Texas, Mor, Lifee, and the extended family they create from other slaves who are also looking for a home and a future, set out in search of a piece of land they can call their own. In the face of constant threats, they manage not only to survive but to succeed--their crops grow, their children thrive, they educate

themselves and others. Lifee and Mor pass their intelligence, determination, and talents along to their children, the next generation to surge forward. At once tragic and triumphant, this is an epic story that captures with extraordinary authenticity the most important struggle of the last hundred years.

The Dangerous Type Syracuse University Press

Fall under the spell of *Wake*—the first book in an achingly beautiful new series by celebrated author Amanda Hocking—and lose yourself to the *Watersong*. Gorgeous. Fearless. Dangerous. They're the kind of girls you envy; the kind of girls you want to hate. Strangers in town for the summer, Penn, Lexi and Thea have caught everyone's attention—but it's

Gemma who's attracted theirs. She's the one they've chosen to be part of their group. Gemma seems to have it all—she's carefree, pretty, and falling in love with Alex, the boy next door. He's always been just a friend, but this summer they've taken their relationship to the next level, and now there's no going back. Then one night, Gemma's ordinary life changes forever. She's taking a late night swim under the stars when she finds Penn, Lexi and Thea partying on the cove. They invite her to join them, and the next morning she wakes up on the beach feeling groggy and sick, knowing something is different. Suddenly Gemma is stronger, faster, and more beautiful than ever. But her new powers come with a terrifying price. And as she uncovers the truth, she's is forced to choose between staying with those she loves—or entering a new world brimming with dark hungers and unimaginable secrets.

James Joyce's Finnegans Wake HMH

A fiercely gripping narrative as only Elizabeth Scott can write! Ava is welcomed home from the hospital by a doting mother, lively friends, and a crush finally beginning to show interest. There's only one problem: Ava can't remember any of them--and can't shake the eerie feeling that she's not who they say she is. As she struggles to break through her amnesiac haze, the only memories that surface take place in a very different world. Ava doesn't know what to make of these visions, or of the boy who is

at the center of them all, until he reappears in her life and offers answers . . . but only in exchange for her trust.

In Her Wake Random House

Welcome to Bright Falls—a seemingly idyllic small town in the Pacific Northwest. The perfect place for Alan Wake, a bestselling crime novelist, and his wife, Alice, to relax for a few weeks. Maybe a second honeymoon and the fresh air will cure Wake of his writer's block. But when Alice goes missing under mysterious circumstances, Wake's desperate search for her leads him into a hell only he could imagine. In the depths of nearby Cauldron Lake, a dark and malevolent presence has awakened from a long slumber. It's reaching out now, turning the townsfolk into mindless killers. Sheathed in shadows, vulnerable only to light, they are Taken.

Wake's journey will lead him to the very edge of madness, and deep within the dark woods, he will come face-to-face with a story he has no recollection of ever writing.

Finnegans Wake Crown

#1 NEW YORK TIMES BESTSELLER •

From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the Lusitania “ Both terrifying and enthralling. ” —Entertainment Weekly
“ Thrilling, dramatic and powerful. ” —NPR
“ Thoroughly engrossing. ” —George R.R. Martin
On May 1, 1915, with WWI entering its tenth month, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were surprisingly at ease, even though Germany had declared the seas around

Britain to be a war zone. For months, German U-boats had brought terror to the North Atlantic. But the Lusitania was one of the era's great transatlantic "Greyhounds"—the fastest liner then in service—and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of Unterseeboot-20, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the Lusitania made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the

great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, *Dead Wake* brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, *Dead Wake* captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history. Finalist for the Washington State Book Award

- One of the Best Books of the Year: The Washington Post, St. Louis Post-Dispatch,

Miami Herald, Library Journal, Kirkus Reviews, LibraryReads, Indigo
Before I Wake Llewellyn Worldwide
They say there are three sides to every story. Yours, mine and the truth. In *Before I Wake*, debut novelist Robert J. Wiersema cleverly introduces a multitude of voices to tell this astonishing story of loss, redemption and forgiveness. And the truth? Well, when miracles start happening around Sherry Barrett, a three-year-old girl in a coma, explanations of a rational kind no longer seem important. Injured by a hit-and-run driver while crossing the street, Sherry Barrett lies in a hospital where her doctors say she will never wake up. Her distraught parents, Karen and Simon, make the painful decision to take her off life support.

But when they do, Sherry spontaneously begins breathing on her own, the first of many miraculous events to occur. Henry Denton, the driver who struck Sherry, is haunted by the accident and attempts to take his own life, only to be saved by an unexplained force. Sherry's nurse discovers that the little girl has the power to heal. When word of her gift leaks, the sick begin lining up to be saved and a mysterious stranger sets his sights on vanquishing the believers and the Barretts. *Before I Wake* delicately brings together grandiose leaps of faith with the fragility of every day moments. There's a fly-on-the-wall quality in Wiersema's observations, as his realistically flawed characters struggle with guilt, self-loathing and belief while they go about their

daily lives. The novel 's fractured narrative style is propulsive and unexpected at every turn, and succeeds in raising questions about times of great faith, and what happens when they happen to the most unlikely of people.

“ I believe in miracles — we see them around us all the time, ” Wiersema says. “ I believe in not having the answers, in there being forces beyond our understanding. ”

Gods and Dragons Da Capo Press

Anna Hope 's brilliant debut unfolds over the course of five days, as three women must deal with the aftershocks of World War I and its impact on the men in their lives. Wake: 1) Emerge or cause to emerge from sleep. 2) Ritual for the dead. 3) Consequence or aftermath. London, 1920. The city prepares to observe the two-year anniversary of Armistice Day with the burial of the unknown soldier.

Many are still haunted by the war: Hettie, a dance instructress, lives at home with her mother and her brother, who is mute after his return from combat. One night Hettie meets a wealthy, educated man and finds herself smitten with him. But there is something distracted about him, something she cannot reach. . . . Evelyn works at the Pensions Exchange, through which thousands of men have claimed benefits from wounds or debilitating distress. Embittered by her own loss, she looks for solace in her adored brother, who has not been the same since he returned from the front. . . . Ada is beset by visions of her son on every street, convinced he is still alive. Helpless, her loving husband has withdrawn from her. Then one day a young man appears at her door, seemingly with notions to peddle, like hundreds of out-of-work veterans. But when he utters the

name of her son, Ada is jolted to the core. The lives of these three women are braided together, their stories gathering tremendous power as the ties that bind them become clear, and the body of the unknown soldier moves closer and closer to its final resting place. Advance praise for *Wake* “ Hope ’ s unblinking prose is reminiscent of Vera Brittain ’ s classic memoir *Testament of Youth* in its depiction of the social and emotional fallout, particularly on women, of the Great War. . . . Hope reaches beyond the higher echelons of society to women of different social classes, all linked by their reluctance to bid goodbye to the world the conflict has shattered. ” —The New York Times Book Review “ *Wake* is a tender and timely novel, full of compassion and quiet insight. The author gives us a moving and original glimpse into the haunted peace after the Great War, her characters drawn by the gravity of the unmarked, the unknown, and perhaps, finally, the un hoped for. ” —Chris Cleave, author of *Little Bee* “ *Wake* is a compelling and emotionally charged debut about the painful aftermath of war and the ways—small, brave, or commonplace—in which we keep ourselves going. It touches feelings we know, and settings—dance halls, war fronts, queues outside the grocer ’ s—that we don ’ t. I loved it. ” —Rachel Joyce, author of *The Unlikely Pilgrimage of Harold Fry* “ *Wake* is powerful and humane, a novel that charms and beguiles. Anna Hope ’ s characters are so real, flawed, and searching, and her prose so natural, one almost forgets how very great a story she is telling. ” —Sadie Jones, author of *The Uninvited Guests* “ Using telling detail, Hope creates a vibrant physical and emotional

landscape in which her leading characters, and a sea of others, move irresistibly into the future, some having found resolution, others still in search. Fresh, confident, yet understated, Hope ' s first work movingly revisits immense tragedy while also confirming her own highly promising ability. ” —Kirkus Reviews

Wake Me When You Leave Graywolf Press

A Best Book of 2021 by NPR and The Washington Post Part graphic novel, part memoir, Wake is an imaginative tour-de-force that tells the “ powerful ” (The New York Times Book Review) story of women-led slave revolts and chronicles scholar Rebecca Hall ' s efforts to uncover the truth about these women warriors who, until now, have been left out of the historical record. Women warriors planned and led revolts on slave ships during the Middle Passage. They fought their enslavers throughout the Americas. And then they were erased from history. Wake tells the “ riveting ” (Angela Y. Davis) story of Dr. Rebecca Hall, a historian, granddaughter of slaves, and a woman haunted by the legacy of slavery. The accepted history of slave revolts has always told her that enslaved women took a back seat. But Rebecca decides to look deeper, and her journey takes her through old court records, slave ship captain ' s logs, crumbling correspondence, and even the forensic evidence from the bones of enslaved women from the “ negro burying ground ” uncovered in Manhattan. She finds women warriors everywhere. Using a “ remarkable

blend of passion and fact, action and reflection ” (NPR), Rebecca constructs the likely pasts of Adono and Alele, women rebels who fought for freedom during the Middle Passage, as well as the stories of women who led slave revolts in Colonial New York. We also follow Rebecca ’ s own story as the legacy of slavery shapes her life, both during her time as a successful attorney and later as a historian seeking the past that haunts her. Illustrated beautifully in black and white, *Wake* will take its place alongside classics of the graphic novel genre, like Marjane Satrapi ’ s *Persepolis* and Art Spiegelman ’ s *Maus*. This story of a personal and national legacy is a powerful reminder that while the past is gone, we still live in its wake.

In the Wake of Disaster *The Books at the Wake: a Study of the Literary Allusions in James Joyce's Finnegans Wake*
A perfect life ... until she discovered it wasn ’ t her own
A tragic family event reveals devastating news that rips apart Bella ’ s comfortable existence.
Embarking on a personal journey to uncover the truth, she faces a series of traumatic discoveries that take her to the ruggedly beautiful Cornish coast, where hidden truths, past betrayals and a 25-year-old mystery threaten not just her identity, but also her life. Chilling, complex and profoundly moving, *In Her Wake* is a gripping psychological thriller that questions the nature of family – and reminds us that sometimes the most shocking crimes are committed closest to home.
Wake of War Southern Illinois University Press
Waking Up to Our Capacity to Transform Ourselves and the World As we become more aware of various social injustices in the world,

many of us want to be part of the movement toward positive change. But sometimes our best intentions cause unintended harm, and we fumble. We might feel afraid to say the wrong thing and feel guilt for not doing or knowing enough. Sometimes we might engage in performative allyship rather than thoughtful solidarity, leaving those already marginalized further burdened and exhausted. The feelings of fear, insecurity, inadequacy are all too common among a wide spectrum of changemakers, and they put many at a crossroads between feeling stuck and giving up, or staying grounded to keep going. So how can we go beyond performative allyship to creating real change in ourselves and in the world, together? In *The Wake Up*, Michelle MiJung Kim shares foundational principles often missing in today's mainstream conversations around "diversity and inclusion," inviting readers to deep dive into the challenging and nuanced work of pursuing equity and justice, while exploring various complexities, contradictions, and conflicts inherent in our imperfect world. With a mix of in-the-trenches narrative and accessible unpacking of hot button issues—from inclusive language to representation to "cancel culture"—Michelle offers sustainable frameworks that guide us how to think, approach, and be in the journey as thoughtfully and powerfully as possible. *The Wake Up* is divided into four key parts: Grounding: begin by moving beyond good intentions to interrogating our deeper "why" for committing to social justice and uncovering our "hidden stories." Orienting: establish a shared understanding around our historical and current context and issues we are trying to solve,

starting with dismantling white supremacy. Showing Up: learn critical principles to approach any situation with clarity and build our capacity to work through complexity, nuance, conflict, and imperfections. Moving Together: remember the core of this work is about human lives, and commit to prioritizing humanity, healing, and community. The Wake Up is an urgent call for us to move together while seeing each other ' s full and expansive humanity that is at the core of our movement toward justice, healing, and freedom.

Dead Wake Hachette Go

Publisher description

Kindred Simon and Schuster

“ Joyce ’ s Book of the Dark gives us such a blend of exciting intelligence and impressive erudition that it will surely become established as one of the most fascinating

and readable Finnegans Wake studies now available. ” —Margot Norris, James Joyce Literary Supplement

The Wake of the Wind New World Library
An intimate, lyrical look at the ancient rite of the Irish wake--and the Irish way of overcoming our fear of death Death is a whisper for most of us. Instinctively we feel we should dim the lights, pull the curtains, and speak softly. But on a remote island off the coast of Ireland's County Mayo, death has a louder voice. Each day, along with reports of incoming Atlantic storms, the local radio runs a daily roll call of the recently departed. The islanders go in great numbers, young and old alike, to be with their dead. They keep vigil with the corpse and the bereaved company through the

long hours of the night. They dig the grave with their own hands and carry the coffin on their own shoulders. The islanders cherish the dead--and amid the sorrow, they celebrate life, too. In *My Father's Wake*, acclaimed author and award-winning filmmaker Kevin Toolis unforgettably describes his own father's wake and explores the wider history and significance of this ancient and eternal Irish ritual. Perhaps we, too, can all find a better way to deal with our mortality--by living and loving as the Irish do.

A Guide Through Finnegans Wake St. Martin's Press

What is the state's responsibility to its people in the aftermath of a natural hazard based disaster? The book sets out to address this seemingly simple question, after large scale floods devastated

Pakistan in 2010 and then again in 2011. Along the way it delves into rich detail about people's everyday encounters with the state in Pakistan, uncovers postcolonial discourses on rights of citizenship and dispels mainstream understanding of Islamist groups as presenting an alternative development paradigm to the state. Based on detailed ethnographic fieldwork, *In the Wake of the Disaster* forces the reader to look beyond narratives of Pakistan as the perennial 'failing state' falling victim to an imminent 'Islamist takeover'. The book shifts the conversation from hysteria and sensationalism surrounding Pakistan to the everyday. In doing so it transforms our understanding of contemporary disasters.

[Please Don't Wake the Animals](#) Peachtree Publishers

From the critically acclaimed and bestselling author of *Seraphina* comes a piercing new fantasy adventure that champions our resilience and humility. **MIND OF THE WORLD**,

OPEN YOUR EYES. At the bottom of the world lies a Serpent, the last of its kind. Finding the Serpent will change lives. Tess is a girl on a mission to save a friend. Spira is a dragon seeking a new identity. Marga is an explorer staking her claim on a man's world. Jacomo is a priest searching for his soul. There are those who would give their lives to keep it hidden. And those who would destroy it. But the only people who will truly find the Serpent are those who have awakened to the world around them—with eyes open to the wondrous, the terrible, and the just. When I Wake Up Tor Books

Set in the wake of a galaxy wide war and the destruction of a human empire, *The Dangerous Type* follows the awakening of one of the galaxies most dangerous assassins and her quest for

vengeance. Entombed for twenty years, Reana has been found and released. Thallian has been on the lam for the last fifteen years; a wanted war criminal whose entire family has been hunted down and murdered for their role in the galaxy wide genocide of the Templars. His name is the first on Reana's list, as he's the one that enslaved her, made her his assassin, and ultimately put her in a tomb. But Thallian is willing to risk everything—including his army of cloned sons—to capture her. Now it's a race to see who kills who first. Alternatively, Gaven has spent the last twenty years trying to forget about Reana, who he once saved and then lost to the clutches of Thallian. Reana's adopted sister, Ariel, has been running from the truth: the one about Reana, about her and Gavin, and doesn't know if she'll be able to face either of them. *The Dangerous Type*, a mix of military science fiction and an adventurous space opera that grabs you from the first pages and doesn't let go. Along with a supporting cast of smugglers, black market

doctors, and other ner-do-wells sprawled across a galaxy brimming with alien life, *The Dangerous Type* is a fantastic beginning to Loren Roads' epic trilogy. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Wake Simon and Schuster

While investigating a series of underwater explosions in the Virgin Islands, Jason Wake and his team of covert operatives are attacked by a mysterious group of highly trained killers. Fighting

back and tracking their unknown enemies, they connect the dots to a vicious Russian oligarch obsessed with unearthing a famous lost treasure and spoiling a tropical paradise. From the Leeward Islands to the canals of Venice and the rolling hills of Scotland, Jason will stop at nothing to take down the conniving criminal and ensure that any discovered riches end up in the right hands. Pushed to the edge, Jason will test his mettle against his most dangerous and vile adversaries yet—a deadly list of murderers that includes a notoriously barbaric former Spetsnaz operative. Jam-packed with heart-pounding escapes, nail-biting confrontations, and a double shot of action beneath the waves, the third Jason Wake adventure is sure to keep you on the edge of your seat and leave you breathless.

The Books at the Wake Forge Books

"A work that is as disturbing as it is empathetic, as beautiful as it is riveting." —Eimear McBride, *New Statesman* In the aftermath of

the Norman Invasion of 1066, William the Conqueror was uncompromising and brutal. English society was broken apart, its systems turned on their head. What is little known is that a fractured network of guerrilla fighters took up arms against the French occupiers. In *The Wake*, a postapocalyptic novel set a thousand years in the past, Paul Kingsnorth brings this dire scenario back to us through the eyes of the unforgettable Buccmaster, a proud landowner bearing witness to the end of his world. Accompanied by a band of like-minded men, Buccmaster is determined to seek revenge on the invaders. But as the men travel across the scorched English landscape, Buccmaster becomes increasingly unhinged by the immensity of his loss, and their path forward becomes increasingly unclear. Written in what the author describes as "a shadow tongue"—a

version of Old English updated so as to be understandable to the modern reader—*The Wake* renders the inner life of an Anglo-Saxon man with an accuracy and immediacy rare in historical fiction. To enter Buccmaster's world is to feel powerfully the sheer strangeness of the past. A tale of lost gods and haunted visions, *The Wake* is both a sensational, gripping story and a major literary achievement.

A Skeleton Key to Finnegans Wake Penguin
For years, William York Tindall's guide has been one of the very best ways to approach the difficult writing and complex language of James Joyce's *Finnegans Wake*. Over a period of forty years, Tindall studied, instructed, and most importantly, learned from graduate students about Joyce's greatest literary masterpiece. He explores and analyzes Joyce's unexpected depths and vast collection of puns, allusions,

and word plays involving more than a dozen languages, thereby breaking down the formidable barriers that can discourage readers from enjoying the humor and brilliance of Joyce.

The Wake of Forgiveness Simon and Schuster

First published in 1991. James Joyce ' s Finnegans Wake: A Case Book was published in order to celebrate the 50th anniversary of Joyce's final work with 14 critical essays and a page-by-page outline of the novel. The book includes critical approaches and interpretations in film, drama, and music. This title will be of interest to students of literature.
