The Bourne Identity John Wiley & Sons
Once, Jason Bourne was notorious in the clandestine world of covert-ops as one of the CIA's most expert international killers for hire. Out of the ashes of his violent past he's emerged today as a Georgetown professor, living a quiet life, retired from danger-until he narrowly escapes the bullet of a faceless assassin. And when two of Bourne's closest associates are murdered, Bourne knows that his legacy has followed him-and set him up as prime suspect for the brutal crimes. The quicksand of lies and betrayals is deeper than Bourne ever imagined. Hunted by the CIA as a dangerous rogue agent, he has only one option to stay alive-and one last chance to stay one step ahead of an unseen assailant whose vengeance is personal. Pursued across the globe, Bourne's on the run, and on the edge of

discovering the truth-that he's become the expendable pawn in an international terrorist plot. One that's taking every living witness with it and plunging Bourne one step closer to the world-shattering consequences of...

Sometimes the weakness we fear most can become our greatest strength . . .

Jack McClure has had a troubled life. His dyslexia always made him feel like an outsider. He escaped from an abusive home as a teenager and lived by his wits on the streets of Washington D.C. It wasn't until he realized that dyslexia gave him the ability to see the world in unique ways that he found success, using this newfound strength

to become a top ATF agent. When a terrible accident takes the life of his only daughter, Emma, and his marriage falls apart, Jack blames himself, numbing the pain by submerging himself in work. Then he receives a call from his old friend Edward Carson. Carson is just weeks from taking the reins as President of the United States when his daughter, Alli, is kidnapped. Because Emma McClure was once Alli's best friend, Carson turns to Jack, the one man he can trust to go to any lengths to find his daughter and bring her home safely. The search for Alli leads Jack on a road toward reconciliation . . . and into the path of a dangerous and calculating man. Someone whose actions are as

cold as they are brilliant. Whose power and reach are seemingly infinite. Faith, redemption, and political intrigue play off one another as McClure uses his unique abilities to journey into the twisted mind of a stone cold genius who is constantly one step ahead of him. Jack will soon discover that this man has affected his life and his country in more ways than he could ever imagine. The hit international thriller from Eric Van Lustbader, the New York Times bestselling author of The Bourne Legacy For centuries, a

hidden splinter sect of the Franciscans has guarded secrets that could transform the world. Now the safety of those secrets—and much more—depends on one man. Braverman “ Bravo ” Shaw always knew his father had secrets. But not until Dexter Shaw dies mysteriously does Bravo discover the enormity of his father's life as a high-ranking member of the Order of Gnostic Observatines. For more than eight hundred years, the Order has preserved an ancient cache of documents that could shake Christianity to its foundations. But the rival Knights of St. Clement will stop at nothing to obtain the treasure, and now Bravo is a target and a pawn in an ongoing war far larger and more deadly than any he could have imagined. From New York City to Washington, D.C., to Paris, to Venice, and beyond, the race is on for the quintessential prize...the Testament. At the

Reenter the shadowy world of Jason Bourne, an expert assassin still plagued by the splintered nightmares of his former life. This time the stakes are higher than ever. For someone else has taken on the Bourne identity—a ruthless killer who must be stopped or the world will pay a devastating price. To succeed, the real Jason Bourne must maneuver through the dangerous labyrinth of international espionage—an exotic world filled with CIA plots, turncoat

agents, and ever-shifting alliances—all the while hoping to find the truth behind his haunted memories and the answers to his own fragmented past. This time there are two Bournes—and one must die. **BONUS:** This edition contains an excerpt from Robert Ludlum's *The Bourne Ultimatum*. *The 4-hour Workweek* St. Martin's Paperbacks Russian meddling, American fragmentation, and global politics collide in this action-packed, international thriller. In *The Nemesis Manifesto*, New York Times bestselling author Eric Van Lustbader, "the master of the smart thriller,"* delivers an epic and harrowing adventure of the predatory forces that are threatening the very fabric of democracy and kicks off a compelling new series with a singular new hero for our time. Evan Ryder is a lone wolf, a field agent for a black-ops arm of the DOD, who has survived unspeakable

tragedy and dedicated her life to protecting her country. When her fellow agents begin to be systematically eliminated, Evan must unravel the thread that ties them all together...and before her name comes up on the kill list. The list belongs to a mysterious cabal known only as Nemesis, a hostile entity hell-bent on tearing the United States apart. As Evan tracks them from Washington D.C. to the Caucasus Mountains, from Austria to a fortress in Germany where her own demons reside, she unearths a network of conspirators far more complex than anyone could have imagined. Can Evan uproot them before Nemesis forces bring democracy to its knees? *Nelson DeMille At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The man Jason Bourne fishes out of the freezing sea is near death, half-drowned and bleeding profusely from a gunshot wound. He awakens with no memory of who he is or why he was shot--and Bourne is eerily reminded of his own amnesia. From Stockholm to Washington, D.C., from Mexico City to Beijing, the web of lies and betrayals extends into a worldwide conspiracy of monumental proportions.

On Parrish Island, a restricted island off the coast of Virginia, is a little-known and never-visited psychiatric facility. There, far from prying eyes, the government stores former intelligence employees whose psychiatric states make them a danger to their own government, people whose ramblings might endanger ongoing operations or prove dangerously inconvenient. One of these employees, former Consular Operations agent Hal Ambler, is kept heavily medicated and closely watched. But there's one difference between Hal and the other patients - Hal isn't crazy. With the help of a sympathetic nurse, Hal manages to clear his mind of the drug-induced haze and then pulls off a daring escape. Now he's out to discover who stashed him here and why - but the world he returns to isn't the one he remembers. Friends and longtime associates don't remember

Already devastated by loss, Bourne is shattered by a report that his last friend in the world, Martin Lindros has gone missing. A CI deputy director, Lindros was in

Ethiopia tracking suspicious shipments of yellowcake uranium and atomic bomb weaponry. His last lifeline to humanity, Bourne will not let Lindros go. Despite his hatred for CI, Bourne sets out to rescue his friend and finish the job: dismantling a terrorist network determined to build nuclear armaments by cutting off their source of money. But Bourne doesn't realize that these men, Islamic supremacists, are leaders of an incredibly dangerous, technologically savvy group with ties from Africa, across the Middle East, and into Eastern Europe and Russia. They have predicted Bourne's every move, and are counting on his unwitting help in their plans to destroy America.

Jason Bourne has been pursued by powerful

governments--and escaped, hunted by the most skilled assassins in the world--and outsmarted them, and targeted by terrorists--and defeated their plans for global chaos, but now, Bourne wants only one thing: retribution. Bourne's friend Eli Yadin, head of Mossad, learns that Ouyang Jidan, a senior member of China's Politburo, and a major Mexican drug lord may have been trafficking in something far more deadly than drugs. Yadin needs Bourne to investigate. Bourne agrees, but only because he has a personal agenda: Ouyang Jidan is the man who ordered Rebeka--one of the only people Bourne has ever truly cared about--murdered. Bourne is determined to avenge her death, but in the process he becomes enmeshed in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Bourne's increasingly desperate search for Ouyang takes

him from Tel Aviv to Shanghai, Mexico City, and, ultimately, a village on China's coast where a clever trap has been laid for him. Bourne finds himself pursued on all sides and unsure whom he can trust. As he moves closer to Ouyang, closer to avenging the woman he loved, he also moves ever closer to his own death . . .

The electrifying follow-up to the Jack McClure thriller *First Daughter* from the New York Times bestselling author of *The*

Bourne Sanction and *The Bourne Deception* Jack McClure, Special Advisor and closest friend to the new President of the United States, interprets the world very differently from the rest of us. It's his greatest liability, and his greatest asset. An American senator, supposedly on a political trip to the Ukraine, turns up dead on the island of Capri. When the President asks him to find out how and why, Jack sets out from Moscow across Eastern Europe, following a perilous trail of diplomats, criminals, and corrupt politicians. Thrust into the midst of a global jigsaw puzzle, Jack's unique dyslexic mind allows him to put together the pieces that others can't even see. Still unreconciled to the recent death of his daughter and the dissolution of his marriage, Jack takes on a

personal mission along with his official one: keeping safe from harm his two unlikely, unexpected, and incompatible companions—Annika Dementieva, a rogue Russian FSB agent, and Alli Carson, the President's daughter. As he struggles to keep both young women safe and unearth the answers he seeks, hunted by everyone from the Russian mafia to the Ukrainian police to his own NSA, Jack learns just how far up the American and Russian political ladders corruption and treachery has reached. In the vein of Eric Van Lustbader's latest bestselling Jason Bourne novels, Lustbader takes us on an international adventure in this powerful page-turner that will keep you reading through the night. It was once said that you must trust and believe in people or life becomes impossible . . . Alli Carson has been through her own personal hell. With her father, the President of the United States, recently dead and her mother in a coma from a terrible accident, she has poured herself into her training to become one of the best FBI agents at the Fearington Institute. Her inspiration and solace comes from the one man with whom she has ever felt a kinship, National Security Adviser, Jack McClure. But when Alli becomes the prime suspect in a murder at Fearington, a wide ranging

investigation is triggered, involving local homicide detectives, the secret service, the FBI itself, and Alli's own uncle, the billionaire lobbyist Henry Carson. And yet nothing is what it seems. What follows is a treacherous journey that leads Jack and Alli into a complex web of lies and deceit. Using Jack's unique gifts to see through the labyrinth of manipulation, their investigation leads them into the dark heart of the international slave trade, tied to a powerful Albanian crime lord whose ability and influence in global terrorism grows with each day. The two find themselves in the crosshairs of vast global enterprise, one that lurks in the shadows of power and has infiltrated Washington and their lives in ways neither of them could ever have

imagined. And hidden deep among it all sits a terrifying criminal mastermind, someone fueled by a hatred that can never be quenched, and a mind that knows neither feeling nor mercy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Robert Ludlum's The Bourne Betrayal
Hachette UK

Jason Bourne returns in this stunning new thriller from Eric Van Lustbader, continuing Robert Ludlum's classic series. General Boris Karpov, head of the feared Russian FSB, is dead. But Karpov has reached out from the grave with an unstoppable cyber operation he conceived before his murder, aimed at the heart of the United States--a

way to steal the president's nuclear launch codes. Who has taken over the operation? Karpov trusted only one man: Jason Bourne. But can Bourne be working against his own country? The U.S. Government is convinced of his treason, and is doing everything in its power to kill him. Flushed from cover and gravely wounded, Bourne's only hope is to join forces with his bitterest enemy: a powerful Somali terrorist named Keyre, and his protoge, the Angelmaker. If he hopes to survive, Bourne has no choice but unravel the mystery of Karpov's last legacy--a weaponized code that may bring about the unthinkable: a violent end to America.

Anthony Lane on Con Air— “Advance word on Con Air said that it was all about an airplane with an

unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on *The Bridges of Madison County*— “I got my copy at the airport, behind a guy who was buying *Playboy’s Book of Lingerie*, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on *Martha Stewart*— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted *New Yorker* readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest
