IF YOU LIKE MONTY PYTHON...

The Life of Python HarperCollins

October 2019 marks the fiftieth anniversary of the
first broadcast of Monty Python's Flying Circus
on BBC Television. Back by popular demand...

The extraordinary comic genius of Monty
Python is on full display in this humour classic.
One of the most original and ground-breaking
humour classics of all time, the Papperbok was
compiled for Methuen in the early-1970s by the
young Monty Python team at the height of their
creative powers, and was published on the heels
of the improbable success of the Monty Python's
Flying Circus television series. A surreal delight,

the Papperbok broke the mould for tie-in books,
and was a testing ground for ideas equally as fresh
and funny as the Flying Circus material. It is full of
colourful and rude illustrations by Terry Gilliam,
odd-ball instruction sheets, cod schoolboy stories
about adventure and mischief, misleading
horoscopes, informative and thrilling features
such as 'Hamster: A Warning', 'The Python Book
of Etiquette', and 'The London Casebook of
Detective Ren é Descartes', zany competitions,
fake editorials, spurious film reviews, and some of
the oddest miscellany ever pressed between the
pages of a book. Monty Python Graham
Chapman's education and vocational training
occurred variously in such places as the Midlands,
Eton, the University of Cambridge, St Swithin's
Hospital, on tour in a revue with John Cleese in
New Zealand and on the island of Ibiza with
David Frost. He was the author of A Liar's

Autobiography and he also wrote for Monty Python's Flying Circus and the TV show Doctor in the House. Graham Chapman died in 1989. John Cleese was educated at the University of Cambridge where he performed in Footlights and then went to work in London as a performer and as a comedy writer for the BBC. Besides his work with Python he is best known for his TV series Fawlty Towers (co-written with Connie Booth), the books he has written with psychologist Robin Skinner and films such as Clockwise, A Fish Called Wanda and Fierce Creatures. Eric Idle was educated at the University of Cambridge where he joined the Footlights Club becoming president of the club in 1965. He created and acted in The Rutles and has appeared in numerous films including The Adventures of Baron Munchausen and wrote the book, and co-wrote the lyrics, for the award-winning musical Spamalot (based on

Monty Python & The Holy Grail). Educated at the University of Oxford, Terry Jones worked in theatre, and wrote revues and scripts for the BBC before becoming one of the creators of Monty Python. He has written many books for children and is also the author (with other scholars) of Who Murdered Chaucer? and a study of Chaucer's Knight. He has directed such films as Personal Services, Erik the Viking and The Wind in the Willows, along with all the Python films. Michael Palin was born in Sheffield in 1943 and lives with his wife Helen in North London. His adventures around the world have been huge bestsellers. His books (all of which have accompanied his documentaries for the BBC) include Around the World in 80 Days, Pole to Pole, Full Circle, Sahara and Himalaya. His films have included The Missionary and A Private Function. As part of the Monty Python team,

Terry Gilliam produced the series' bizarre animations as well as performing. His subsequent career has encompassed animation and film-making, and he has directed films including *The Adventures of Baron Munchausen*, *Brazil*, *Twelve Monkeys* and *Fear and Loathing in Las Vegas*. *Monty Python Speaks!* Hyperion
NEW YORK TIMES BESTSELLER • From the ingenious comic performer, founding member of Monty Python, and creator of *Spamalot*, comes an absurdly funny memoir of unparalleled wit and heartfelt candor. We know him best for his unforgettable roles on Monty Python—from the Flying Circus to *The Meaning of Life*. Now, Eric Idle reflects on the meaning of his own life in this entertaining memoir that takes us on a remarkable journey from his childhood in an

austere boarding school through his successful career in comedy, television, theater, and film. Coming of age as a writer and comedian during the Sixties and Seventies, Eric stumbled into the crossroads of the cultural revolution and found himself rubbing shoulders with the likes of George Harrison, David Bowie, and Robin Williams, all of whom became dear lifelong friends. With anecdotes sprinkled throughout involving other close friends and luminaries such as Mike Nichols, Mick Jagger, Steve Martin, Paul Simon, Lorne Michaels, and many more, as well as John Cleese and the Pythons themselves, Eric captures a time of tremendous creative output with equal parts hilarity and heart. In *Always Look on the Bright Side of Life*, named for the song he wrote for *Life of Brian* and which has since

become the number one song played at funerals in the UK, he shares the highlights of his life and career with the kind of offbeat humor that has delighted audiences for five decades. The year 2019 marks the fiftieth anniversary of The Pythons, and Eric is marking the occasion with this hilarious memoir chock full of behind-the-scenes stories from a high-flying life featuring everyone from Princess Leia to Queen Elizabeth.

The Brand New Monty Python Papperbok Crown

With a Foreword by John Oliver, host of Last Week Tonight In celebration of the 50th anniversary of its BBC debut, a revised and updated edition of the complete oral history of Monty Python—an insightful, in-depth portrait

of the brilliant and hysterically funny show that transformed modern comedy. Broadcast by the BBC between 1969 and 1974, Monty Python ' s Flying Circus introduced something completely different: a new brand of surrealistic, stream-of-consciousness comedy that pushed the traditional boundaries of format, style, and content. Blending brilliant satire with slapstick silliness, The Pythons—Graham Chapman, John Cleese, Terry Gilliam, Eric Idle, Terry Jones and Michael Palin—spoke to a generation eager to break free of the conventional. Making their way across the Atlantic and the world, the Pythons ' zany approach to comedy would have a monumental influence on modern popular culture, paving the way for farcical entertainment from Saturday Night Live to The Simpsons to Austin Powers. In Monty Python Speaks, David Morgan has collected interviews with Monty Python ' s

founding members, actors, producers, and other collaborators to produce a no-holds-barred look at the Pythons' legendary sketches and films, including Monty Python's *Life of Brian*, Monty Python and the Holy Grail (the inspiration for the hit Broadway musical *Spamalot*), and *The Meaning of Life*. Featuring four new chapters that focus on the group's oeuvre since the first edition's publication twenty years ago, as well as a new foreword and updated resources, *Monty Python Speaks* offers a fascinating peek behind the scenes of the Pythons' creative process—including the friendships and feuds—that catapulted a comedy revolution. Monty Python, Shakespeare and English Renaissance Drama Oxford University Press

For centuries, Arthurian legend has captured imaginations throughout Europe and the Americas with its tales of Camelot, romance, and chivalry. The ever-shifting, age-old tale of King Arthur and his world is one which depends on retellings for its endurance in the cultural imagination. Using adaptation theory as a framework, *From Camelot to Spamalot* foregrounds the role of music in selected Arthurian adaptations, examining six stage and film musicals. The book considers how musical versions in twentieth and twenty-first century popular culture interpret the legend of King Arthur, contending that music guides the audience to understand this well-known tale and its characters in new and unexpected ways. All of the productions considered include an overtly modern perspective on the legend, intruding and even commenting on the tale of King Arthur. Shifting from an idealistic utopia to a silly place, the myriad notions of Camelot offer a look at the importance of myth in American popular culture.

Author Megan Woller's approach, rooted in the literary theory of scholars like Linda Hutcheon, highlights the intertextual connections between chosen works and Arthurian legend. In so doing, *From Camelot to Spamalot* intersects with and provides a timely contribution to several different fields of study, from adaptation studies and musical theater studies to film studies and Arthurian studies.

Professor at Large Harper Collins

A comprehensive study examining the history, content, and context of the legendary comedy series Monty Python's Flying Circus.

Monty Python Speaks Hachette UK

This humorous classic is a surreal delight. Originally published in the early-1970s by the young Monty Python team, the 'papperbok' broke the mould for tie-in books, and was a testing ground for ideas equally as fresh and funny as the Flying Circus material.

Monty Python's Big Red Book Crown Archetype

Monty Python, the genius comedy troupe from Britain, single-handedly revolutionized sketch comedy and paved the way for everything from Saturday Night Live to Austin Powers. Now, in their official oral history, founding members John Cleese, Eric Idle, Terry Gilliam, Terry Jones, and Michael Palin take readers behind the scenes in this no-holds-barred look at their lives and unforgettable comic works like "The Spanish Inquisition," "Dead Parrot," Monty Python's *Life of Brian*, Monty Python and the *Holy Grail* (inspiration for the hit Broadway musical *Spamalot*), and many, many more, with never-before-seen photos and rare interviews from friends and collaborators.

Always Look on the Bright Side of Life Pavilion Books, Limited

Carlton is an android working for Alex and Lewis, two comedians from the twenty-second century who travel the outer vaudeville circuit of the solar system known ironically as the Road to

Mars. Being a computer he can't understand irony, but is nevertheless attempting to write a thesis about comedy, its place in evolution, and whether it can ever be cured. He is studying the comedians of the late twentieth century (including obscure and esoteric comedy acts such as Monty Python's Flying Circus) in his search for the comedy gene. Meanwhile, during an audition for a gig on the Princess Di (a solar cruise ship), his two employers inadvertently become involved in a terrorist plot against Mars, the planet of showbiz. Can Carlton prevent Alex and Lewis from losing their gigs, overcome the love thing and finally understand the meaning of comedy in the universe? From one of the original members of Monty Python's Flying Circus.

Monty Python's Flying Circus Methuen Pub Limited

The award-winning 1983 masterpiece

lampooning the Seven Ages of Man.

Monty Python Encyclopedia Edinburgh University Press

Known for its outrageous humor, occasionally controversial content, and often silly spirit, Monty Python's Flying Circus poked fun at nearly everything. Indeed, many of the allusions and references in the program were routinely obscure, and therefore, not always understood or even noticed. This exhaustive reference identifies and explains the plethora of cultural, historical, and topical allusions of this landmark series. In this resource, virtually every allusion and reference that appeared in an episode is identified and explained. Organized chronologically by episode, each entry is listed alphabetically, indicates what sketch it appeared in, and is cross-referenced between episodes. Scholars and fans who already appreciate the silliness of the

Pythons can also enjoy the acculturated know-it-all-ness of their heroes.

Personal anecdotes, humorous reminiscences, and more than one thousand photographs and illustrations celebrate the popular comedy troupe that began in 1969.

The Brand New Monty Python Bok Rowman & Littlefield

This is the story of Monty Python, one the most popular and influential forces in modern comedy--and of their TV show--told in words and images. This celebratory book includes 22 removable facsimiles of rare memorabilia from their official archives, including hand-scribbled scripts, cue sheets, character lists, posters, and animation artwork. Written with active input from the Pythons themselves, the book recounts

the adventures of all six members and their TV show, from early days in the Cambridge Footlights through early appearances on the BBC, global stardom, the inevitable fights, and their triumphant reunions.

Nobody Expects the Spanish Inquisition Methuen Publishing

Join King Arthur, Sir Galahad, Sir Lancelot, and brave Sir Robin on their holy quest from 1974.

Monty Python's Flying Circus Cornell University Press

Available for the first time in paperback, Monty Python's Flying Circus: All the Bits includes every script from every episode of the innovative, hilarious, and absurd series--one of the most influential of all time--plus hundreds of annotations, behind-the-scenes stories, profiles, and more, as well as photographs, drawings, and Terry Gilliam's iconic artwork. Monty Python's Flying Circus is one of the most popular, important and oft-quoted comedy series of all time. Python's influence on comedy has been compared to the Beatles' influence on music. This landmark work collects the complete scripts for every one of the 45 episodes of Flying Circus: every silly setup, every clever conceit, every snide insult, and ever saucy aside from these classic skits, including "The Ministry of Silly Walks," "The Dead Parrot," "Banter in the Cheese Shop," "Spam, the Funniest Joke in the World," "The Spanish Inquisition," "The Argument Clinic," "The Fish-Slapping Dance," "The Lumberjack Song," and all the rest. Every script is thoroughly annotated with notes that cover the

plethora of cultural, historical, and topical references touched upon in each sketch. Sidebars and commentary throughout include profiles of the principles -- Graham Chapman, Eric Idle, Terry Jones, Michael Palin, Terry Gilliam, and John Cleese -- fascinating facts about technical concerns, set design, and shooting locations; insider stories from on and off the set, including arguments, accidents, and practical jokes; goofs and gaffes; and much more. Also included are thousands of stills and artwork from the shows.

Creativity Macmillan

The legendary comedian, actor, and writer of Monty Python, Fawlty Towers, and A Fish Called Wanda fame shares his key ideas about creativity: that it ' s a learnable, improvable skill. “ Many people have written about creativity, but although they were very, very clever, they weren't actually creative. I like to think I'm writing about it from the inside. ” —John Cleese You might think that

creativity is some mysterious, rare gift—one that only a few possess. But you ' d be wrong. As John Cleese shows in this short, practical, and often amusing guide, creativity is a skill that anyone can acquire. Drawing on his lifelong experience as a writer, Cleese shares his insights into the nature of creativity and offers advice on how to get your own inventive juices flowing. What do you need to do to get yourself in the right frame of mind? When do you know that you ' ve come up with an idea that might be worth pursuing? What should you do if you think you ' ve hit a brick wall? We can all be more creative. John Cleese shows us how.
