The game is professional basketball, as
represented by the Portland Trail Blazers'
1979-80 season--a microcosm, in Halberstam's
wide-angle rendering, of the
commercialization of all that was once genuine
in American life. . . at the cost, often, of human
lives. (In pro basketball, of some of the best and
brightest black lives.)

In *Breaks of the Game*, David
Halberstam explores the 1979-80
Blazers. Explores might be a strange
word choice, but I'm not sure what else
to call what he does. In telling the story
of their season, he provides backstory
on everyone from the President on
down to the janitor.
