"People always say I'm going to look back on these days and laugh — why put it off?" When Angela Nissel found herself struggling financially while in college, instead of sulking, she decided to entertain herself by creating an online journal that chronicled her day-to-day trials and tribulations. Written with humor and intelligence, her "Broke Diary" quickly found an audience as people wrote to Angela to empathize with, console, and laugh with her about her experiences and even share their own. *The Broke Diaries* is the first complete compilation of her experiences, written in a voice that is funny, unique, and dead-on. On buying ramen noodles: I am soooooo embarrassed. I only have 33 cents. I (please don't laugh) put the money on the counter and quickly attempt to dash out with my Chicken Flavored Salt Noodles. The guy calls me back! I look up instinctively, I should have run . . . Why didn't I run????!! He tells me the noodles are 35 cents. I try to apologize sincerely. I thought the sign said 33 cents yesterday, so that's all I brought with me. Could he wait while I ran home and get the 2 cents? I show him my student I.D. to let him know I am not a thief. He shakes his head and motions either for me to get the hell out of his store and never come back again or get the money as do come back. I don't know. He said something like "Nyah" and swiped his hand in my direction. I can't translate hand motions well. The noodles: tasty!!!

On Diary is the second collection in English of the groundbreaking and profoundly influential work of one of the best-known and provocative theorists of autobiography and diary. Ranging from the diary's historical origins to its pervasive presence on the Internet, from the spiritual journey of the sixteenth century to the diary of Anne Frank, and from the materials and methods of diary writing to the question of how diaries end, these essays display Philippe Lejeune's expertise, eloquence, passion, and humor as a commentator on the functions, practices, and significance of keeping or reading a diary. Lejeune is a leading European critic and theorist of diary and autobiography. His landmark essay, "The Autobiographical Pact," has shaped life writing studies for more than thirty years, and his many books and essays have repeatedly opened up new vistas for scholarship. As Michael Riffaterre notes, "Lejeune's work on autobiography is the most original, powerful, effective approach to a difficult subject. . . . His style is very personal, lively. It grabs the reader as scholarship rarely does. Lejeune's erudition and methodology are impeccable." Two substantial introductory essays by Jeremy Popkin and Julie Rak place Lejeune's work within its critical and theoretical traditions and comment on his central importance within the fields of life writing, literary genetic studies, and cultural studies.

For forty years, David Sedaris has kept a diary in which he records everything that captures his attention—overheard comments, salacious gossip, soap opera plot twists, secrets confided by total strangers. These observations are the source code for his finest work, and through them he has honed his cunning, surprising sentences. Now, Sedaris shares his private writings with the world. *Theft by Finding*, the first of two volumes, is the story of how a drug-abusing dropout with a weakness for the International House of Pancakes and a chronic inability to hold down a real job became one of the funniest people on the planet. Written with a sharp eye and ear for the bizarre, the beautiful, and the uncomfortable, and with a generosity of spirit that even a misanthropic sense of humor can't fully disguise, *Theft By Finding* proves that Sedaris is one of our great modern observers. It's a potent reminder that when you're as perceptive and curious as Sedaris, there's no such thing as a boring day.

Buster, a half-German Shepherd mutt, was adopted by Roy Hattersley in December 1995. He began to dictate his diaries soon after his arrival. Buster became England's most famous dog in 1996 when he defended himself against a goose in St. James's Park -- a goose which, unfortunately, belonged to the Queen. Pursued by the press ever since, he has sought solace in writing. *Buster's Diaries* is the comically heart-warming true story of

Buster's triumph over adversity, as he describes his rescue from a paw-to-mouth existence on scraps to his new life in the lap of luxury -- and at the same time reveals the secrets of the strange relationship between dog and the Man on the other end of the lead. Never before have readers been offered such insights into the aromatic canine world. The irresistible fragrance of chicken bones picked off the sidewalk. The special rituals required to receive delicious treats (pig ears, dog biscuits). The sawdust balls Buster must eat to stay healthy while the Man gobbles down chocolate cookies. The painful digestive consequences of eating cream filled cookies while still wrapped. The diaries also reveal the strain of living with the Man -- the constant power struggle of who's boss, the "training" ceremonies, the Man's strange excrement collection syndrome and reliance on new dog humiliation technology. *Buster's Diaries* will make you laugh and it will make you cry but it has a happy ending. Mais um romance de sucesso. Verity é perturbador, arrepiante e inesperado. Uma experiência inesquecível. Lowen Ashleigh é uma escritora que se debate com grandes dificuldades financeiras, até que aceita uma oferta de trabalho irrecusável: terminar os três últimos volumes da série de sucesso de Verity Crawford, uma autora de renome que ficou incapacitada depois de um terrível acidente. Para poder entrar na cabeça de Verity e estudar as anotações e ideias reunidas ao longo de anos de trabalho, Lowen aceita o convite de Jeremy Crawford, marido da autora, e muda-se temporariamente para a casa deles. Mas o que ela não esperava encontrar no caótico escritório de Verity era a autobiografia inacabada da autora. Ao lê-la, percebe que esta não se destinava a ser partilhada com ninguém. São páginas e páginas de confissões arrepiantes, incluindo as memórias de Verity relativas ao dia da morte da filha. Lowen decide ocultar de Jeremy a existência do manuscrito, sabendo que o seu conteúdo destroçaria aquele pai, já em tão grande sofrimento. Mas, à medida que os sentimentos de Lowen por Jeremy se intensificam, ela apercebe-se de que talvez seja melhor ele ler as palavras escritas por Verity. Afinal de contas, por mais dedicado que Jeremy seja à sua mulher doente, uma verdade tão horrenda faria com que fosse impossível ele continuar a amá-la. Werner Otto Müller-Hill served as a military judge in the Wehrmacht during World War II. From March 1944 to the summer of 1945, he kept a diary, recording his impressions of what transpired around him as Germany hurtled into destruction—what he thought about the fate of the Jewish people, the danger from the Bolshevik East once an Allied victory was imminent, his longing for his home and family and, throughout it, a relentless disdain and hatred for the man who dragged his beloved Germany into this cataclysm, Adolf Hitler and the Nazi party. Müller-Hill calls himself a German nationalist, the true Prussian idealist who was there before Hitler and would be there after. Published in Germany and France, Müller-Hill's diary has been hailed as a unique document, praised for its singular candor and uncommon insight into what the German army was like on the inside. It is an extraordinary testament to a part of Germany's people that historians are only now starting to acknowledge and fills a gap in our knowledge of WWII.
