The Broken Teaglass Emily Arsenault

I haven't had a terribly interesting life, so I won't share too many details. But the highlights
include: • When I was a preschooler and a kindergartner, I had a lazy eye and I was
Connecticut's \"Miss Prevent Blindness,\" appearing on pamphlets and television urging
parents to get their kids' eyes checked.

Amazon.com: Customer reviews: The Broken Teaglass: A Novel

The Broken Teaglass. Emily Arsenault's compelling debut, The Broken Teaglass, was
resoundingly praised (\"a literary gem,\" New York Times, notable crime book of 2009). It's the
story of two young lexicographers who find clues to an old murder case hidden in the files at their
dictionary company.

Emily Arsenault » Author

Emily Arsenault's debut novel, The Broken Teaglass (Delacorte Press) (reportedly written in a
South African mud-brick house), whose main characters labor at the venerable Samuelson
Company, studying the English language and searching for fresh expressions and newly coined
words in preparation for a new edition of the Samuelson Dictionary.

The Broken Teaglass: A Novel eBook: Arsenault, Emily ...

Emily Arsenault has worked as a lexicographer, an English teacher, a children's librarian,
and a Peace Corps volunteer. She wrote The Broken Teaglass while living in rural South
Africa, to pass the long, quiet evenings in her mud brick house. She now lives in Shelburne
Falls, Massachusetts, with her husband.

The Broken Teaglass (Audio Download): Emily Arsenault ...

The citation for each is a book entitled \"The Broken Teaglass\", which doesn't seem
to exist, but sets the two on the hunt for the book, a possible crime and, possibly, a
romance. More of a literary novel, perhaps, than a mystery the book begins with an
intriguing prologue followed by a first chapter that is a complete contrast.

The Broken Teaglass is a beautifully written and quirky mystery by Emily Arsenault In the
stifling boredom of a dictionary publishing house, Billy and Mona find snippets of what
appears to be either a confession, evidence of a crime or a work of fiction dotted through
the otherwise dry citation files – small snippets of text which put the words into context in
sentences.
