A Little Life Van Ryder Games

A Sherlock Holmes script sparks controversy and murder in Hollywood in a "most engrossing mystery" from the author of Nine Times Nine (The New Yorker). Anthony Boucher was a literary renaissance man: an Edgar Award-winning mystery reviewer, an esteemed editor of the Hugo Award-winning Magazine of Fantasy and Science Fiction, a prolific scriptwriter of radio mystery programs, and an accomplished writer of mystery, science fiction, fantasy, and horror. With a particular fondness for the locked room mystery, Boucher created such iconic sleuths as Los Angeles PI Fergus O'Brien, amateur sleuth Sister Ursula, and alcoholic ex-cop Nick Noble. When Metropolis Pictures announces plans to make a movie out of an Arthur Conan Doyle classic, it triggers outrage from a group

of Sherlock Holmes fans called the Baker Street Irregulars. In hopes of calming their protest, the studio invites the five members to advise on the film, and even throws them a celebration in a house numbered 221B. Also on the guest list is Los Angeles police detective A. Jackson. He was hoping to spend his night off hanging out at a Hollywood party with his brother, Paul, the famous actor. Instead he finds himself in one of the most bizarre murder cases he's ever encountered, complete with cryptograms and a disappearing corpse, all of which results in a "delightfully farcical narrative, which offers a surprise on nearly every page" (The New York Times Book Review).

Damn Delicious Penguin

A sumptuous biographical saga, both intimate and epic, about the waning of the British Empire in India John Auden was a pioneering geologist of the Himalaya. Michael Spender was the first to draw a detailed map of the North Face of Mount Everest. While their younger brothers--W. H. Auden and Stephen Spender--achieved literary fame, they vied to be included on an expedition that would deliver Everest's summit to an Englishman, a quest that had become a metaphor for Britain's struggle to maintain power over India. To this rivalry was added another: in the summer of 1938 both men fell in love with a painter named Nancy Sharp. Her choice would determine where each man's wartime loyalties would lie. Set in Calcutta, London, the glacier-locked wilds of the Karakoram, and on Everest itself, The Last Englishmen is also the story of a generation. The cast of this exhilarating drama includes Indian and English writers and artists, explorers and Communist spies, Die Hards and Indian nationalists, political rogues and police informers. Key among them is a highborn Bengali poet named Sudhin Datta, a melancholy soul torn, like many of his generation, between hatred of the British Empire and a deep love of European literature, whose life would be upended by the arrival of war on his Calcutta doorstep. Dense with romance and intrigue, and of startling relevance for the great power games of our own day, Deborah Baker's The Last

Englishmen is an engrossing story that traces the end of empire and the stirring of a new world order.
