Graeme Davis draws upon the classic sources to retell the great myths and legends of Theseus, the founder-king of Athens, and backs this narrative with a factual examination of the myth, its variations, and its development over time. Replete with both classical and modern illustrations, this book is a concise exploration of one of the most enduring myths of Ancient Greece. Even before Theseus descended into the labyrinth to face the Minotaur, he was already a famous hero and a veteran of many battles. The son of a man, a woman, and the god Poseidon, he'd journey far across Ancient Greece, fighting numerous monsters including the Periphetes 'the clubber', the Crymmyon Sow, and the insane demigod, Procrustes 'the stretcher'. He also survived several assassination attempts, including one by Medea, the famous witch-wife of Jason. Despite these adventures, it was on Crete that Theseus faced his greatest challenge. Taking the place of a sacrificial tribute to the king of Crete, Theseus used his wits and charm to convince the princess Ariadne and the famous inventor Daedalus to help him defeat the dreaded Minotaur, a hideous combination of man and bull that lived in a labrythine dungeon.

The Quest for Theseus Transaction Large Print

A hardcover omnibus edition of the two classic novels in which Mary Renault brilliantly recreated the legendary hero Theseus and his defeat of the Minotaur. CONTEMPORARY CLASSICS. In her inventive novels of ancient Greece, Mary Renault performs the alchemical feats of fashioning from the myth of Theseus a convincingly flawed hero and of weaving a thrillingly plausible account of the events that inspired the fantastical tale of the Labyrinth and the Minotaur. The King Must Die follows young Theseus from his mystery-shrouded birth and youthful insecurity about his small size, through his growing strength and ingenuity to a dawning belief in his destiny. When teenaged Theseus sets out to join his true father, the King of Athens, he is delayed by unforeseen adventures: first by a perilous forced sojourn in the matriarchal society of Eleusis and next when he volunteers to join the annual tribute of Athenian youths sent to be sacrificed to a bull-worshipping cult on the island of Crete. Once trapped in the labyrinthine palace of King Minos, Theseus enlists the help of the high priestess Ariadne in a daring plan to free the Athenians forever from the dominance of Crete. The Bull from the Sea begins after Theseus's triumphal return to Athens, where he finds that his father has died and he is now king. But his confidence in his divinely ordained destiny will be shaken by the adventures yet ahead of him: a life-changing encounter with Hippolyta, queen of the Amazons; the birth of a son who will insist on choosing his own path; and the tragic results of his wife Phaedra's treachery. Combining her deep understanding of the cultures of the ancient

Greek world with inspired speculation, Renault brings the heroes and monsters of legend enthrallingly to life. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket.

The Persian Boy HarperCollins

The conclusion to the New York Times–bestselling trilogy of ancient Greece by the author Hilary Mantel calls “a shining light.” By the end of his reign, Alexander the Great had seized control of an empire that extended from the Adriatic Sea to the Indus River. When he died in 323 BC, a fervent scramble for power ensued. *Funeral Games* is Mary Renault’s remarkable novel of this turmoil and the gradual erosion of the Greek empire. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander’s disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. *Funeral Games* is the final volume of the *Novels of Alexander the Great* trilogy, which begins with *The Persian Boy* and *Fire from Heaven*. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a

shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

The Bull from the Sea BRILL

“A historically rich reworking of Theseus and the Minotaur . . . A world and story both excitingly alien and pleasingly familiar” (Kirkus Reviews, starred review). Ariadne is destined to become a goddess of the moon. She leads a lonely life, filled with hours of rigorous training by stern priestesses. Her former friends no longer dare to look at her, much less speak to her. All that she has left are her mother and her beloved, misshapen brother Asterion, who must be held captive below the palace for his own safety. So when a ship arrives one spring day, bearing a tribute of slaves from Athens, Ariadne sneaks out to meet it. These newcomers don’t know the ways of Krete; perhaps they won’t be afraid of a girl who will someday be a powerful goddess. And indeed, she meets Theseus, the son of the king of Athens. Ariadne finds herself drawn to the newcomer, and soon they form a friendship—one that could perhaps become something more. Yet Theseus is doomed to die as an offering to the Minotauros, that monster beneath the palace—unless he can kill the beast first. And that “monster” is Ariadne’s brother . . . “Fans of historical fiction and Greek myths should be pleased.” —Booklist “Barrett offers clever commentary on the spread of gossip and an intriguing matriarchal version of the story. Fans of Greek mythology should appreciate this edgier twist on one of its most familiar tales.” —Publishers Weekly

New York Times Bestseller and Man Booker Prize Finalist: A novel of ancient Greece by

the author Hilary Mantel calls "a shining light." Alexander the Great stands alone as a leader and strategist, and *Fire from Heaven* is Mary Renault's unsurpassed dramatization of the formative years of his life. His parents fight for their precocious son's love: On one side, his volatile father, Philip, and on the other, his overbearing mother, Olympias. The story tells of the conqueror's two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone's life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. *Fire from Heaven* is the first volume of the *Novels of Alexander the Great* trilogy, which continues with *The Persian Boy* and *Funeral Games*. The Bull from the Sea is the story of Theseus, King of Athens, but also Mary Renault's brilliant historical reconstruction of ancient Greek politics. Throughout his reign, Theseus is torn between his genius for kingship and his truant craving for adventure. As Theseus for a dynastic marriage with Phaedra, Pirithoos, the pirate prince, lures him off to explore the unknown Euxine, where he meets and captures the young warrior priestess Hippolyta. She is the love of his life, and that love is the crux of his fate. The bull of Marathon, the battle of the Lapiths and Kentaurs, and the moon-goddess cult of Pontos are merely a portion of the legendary material that Renault weaves into the fabric of great historical fiction. Whether or not these myths have their far-distant origin in actual events, the author's imagination and scholarship have invested them with immediate and magical reality.

The Bull from the Sea National Geographic Books

An epic tale of ancient Crete that depicts the curse of the Minotaur from its inception to conclusion, as told from the point of view of Ariadne, daughter of King Minos and Queen Pasiphae. Stepping back into this visceral

telling of an ancient myth, Crete and the palace of Knossos become vivid with color and life. The royal family, the gods, and Ariadne and the Minotaur are born fully formed, as the goddess Athena from Zeus' head. It begins when she's thirteen, on the day she is given by her parents to the shrine of Dionysus, the god of wine, to become his high priestess. Dionysus hears her Call, after generations of neglect, and he comes to her on the altar, promising to bless the island's vines and grapes, and ignites desperate emotions in powerful people, jealousy, envy, fear—along with her family's greed, that turn a god's wrath against them. Thus, the curse of the Minotaur is born, a deformed babe, a monster, and Ariadne's half-brother. She is the only person who feels the slightest compassion and tenderness towards the poor creature, caring for it when no one else will. He grows into a huge beast with the mind of a child, and the temper of a god, who will only obey Ariadne. Learning the ways of her god Dionysus, and through him the ancient gods of Olympus, Ariadne becomes a powerful force, capable of controlling her beautiful and kind, yet jealous and wrathful god.
