"The" Winning of the West Viking

A collection containing 3 autobiographical works by President Theodore Roosevelt, including The Autobiography of Theodore Roosevelt, The Rough Riders, and Throught the Brazilian Wilderness
Colonel Roosevelt Oxford University Press

At the turn of the twentieth century, the Republican Party stood at the brink of an internal civil war. After a devastating financial crisis, furious voters sent a new breed of politician to Washington. These young Republican firebrands, led by "Fighting Bob" La Follette of Wisconsin, vowed to overthrow the party leaders and purge Wall Street's corrupting influence from Washington. Their opponents called them "radicals," and "fanatics." They called themselves Progressives. President Theodore Roosevelt disapproved of La Follette's confrontational methods. Fearful of splitting the party, he compromised with the conservative House Speaker, "Uncle Joe" Cannon, to pass modest reforms. But as La Follette's crusade gathered momentum, the country polarized, and the middle ground melted away. Three years after the end of his presidency, Roosevelt embraced La Follette's militant tactics and went to war against the Republican establishment, bringing him face to face with his handpicked successor, William Taft. Their epic battle shattered the Republican Party and permanently realigned the electorate, dividing the country into two camps: Progressive and Conservative. Unreasonable Men takes us into the heart of the epic power struggle that created the progressive movement and defined modern American politics. Recounting the fateful clash between the pragmatic Roosevelt and the radical La Follette, Wolraich's riveting narrative reveals how a few Republican insurgents broke the conservative chokehold on Congress and initiated the greatest period of political change in America's history.

The Big Scrum St. Martin's Press

National Book Award – winner Timothy Egan turns his historian's eye to the largest-ever forest fire in America and offers an epic, cautionary tale for our time. On the afternoon of August 20, 1910, a battering ram of wind moved through the drought-stricken national forests of Washington, Idaho, and Montana, whipping the hundreds of small blazes burning across the forest floor into a roaring inferno that jumped from treetop to ridge as it raged, destroying towns and timber in the blink of an eye. Forest rangers had assembled nearly ten thousand men to fight the fires, but no living person had seen anything like those flames, and neither the rangers nor anyone else knew how to subdue them. Egan

recreates the struggles of the overmatched rangers against the implacable fire with unstoppable dramatic force, and the larger story of outsized president Teddy Roosevelt and his chief forester, Gifford Pinchot, that follows is equally resonant. Pioneering the notion of conservation, Roosevelt and Pinchot did nothing less than create the idea of public land as our national treasure, owned by every citizen. Even as TR's national forests were smoldering they were saved: The heroism shown by his rangers turned public opinion permanently in favor of the forests, though it changed the mission of the forest service in ways we can still witness today. This e-book includes a sample chapter of SHORT NIGHTS OF THE SHADOW CATCHER.

The Bully Pulpit Open Road Media

Between 1897 and 1933 the presidents of the United States joined progressive reformers in redefining the concept of the United States as a melting pot. Their use of this metaphor to describe assimilation never meant that immigrants had to completely abandon their ethnic cultures. Instead, they argued that the melting pot blended the best of the immigrants traits and traditions to create a new American race united by patriotism and committed to liberal political and economic ideals. While nativists regarded new immigrants from southern and eastern Europe as incapable of assimilation, the presidents celebrated immigrant contributions to America and emphasized the need to improve immigrants' lives through education, resettlement away from urban ghettos, and economic uplift. The president's speeches, letters, and administrative records reveal consistent support for the melting pot model as an alternative to nativist racism. While McKinley, Roosevelt, Taft and Wilson supported the exclusion of racial aliens and those with mental or physical illness, they repeatedly praised the new immigrants for embracing American ideals while maintaining their ethnic cultures. They argued that everyone should be judged by their moral character rather than their ancestry. World War I raised fears of disloyal aliens that Roosevelt and Wilson heightened by denouncing hyphenated Americans. Harding, Coolidge, and Hoover continued to use melting pot rhetoric, however, rather than endorsing coercive assimilation. The melting pot legacy lives on, and still offers a middle ground between the demands for national unity and multiculturalism.

Time for Kids: Theodore Roosevelt: The Adventurous President Smithsonian Inst Press

Ronald Reagan led the West to victory in the Cold War and led the revolution that unleashed the power of private enterprise. Through it all, he demonstrated a deceptively simple management style that was profoundly effective. Through quotes, anecdotes, and analysis, readers will learn the Great Communicator's leadership techniques.

Theodore Roosevelt: Activated Vision Through the Bully Pulpit Simon and Schuster

Theodore Roosevelt is well-known as a rancher, hunter, naturalist, soldier, historian, explorer, and statesman. His visage is etched on Mount Rushmore--alongside George Washington, Thomas Jefferson, and Abraham Lincoln--as a symbol of his vast and consequential legacy. While Roosevelt's life has been written about from many angles, no modern book probes deeply into his engagement with religious beliefs, practices, and controversies despite his

lifelong church attendance and commentary on religious issues. Theodore Roosevelt: Preaching from the Bully Pulpit traces Roosevelt's personal religious odyssey from youthful faith and pious devotion to a sincere but more detached adult faith. Benjamin J. Wetzel presents the president as a champion of the separation of church and state, a defender of religious ecumenism, and a preacher who used his bully pulpit to preach morality using the language of the King James Bible. Contextualizing Roosevelt in the American religious world of the late nineteenth and early twentieth centuries, Wetzel shows how religious groups interpreted the famous Rough Rider and how he catered to, rebuked, and interacted with various religious constituencies. Based in large part on personal correspondence and unpublished archival materials, this book offers a new interpretation of an extremely significant historical figure.

Summary of The Bully Pulpit Forum Books

A biography that will coincide with the 100th anniversary of Roosevelt's third party run for presidency with the Progressive, or Bull Moose, Party offers a compact profile of the first politician to use the power of celebrity to advance to the White House. Original.

American Lion Simon and Schuster

This book explores how presidents use speeches to shape and influence public policy. Each chapter examines a selected speech delivered by every president from Roosevelt through Barack Obama to show how language has been instrumental in directing policy.

The Presidency of Theodore Roosevelt Capstone

Most American presidents are given, at most, a period of eight years in which to protect a single country. But unknown to the public at large, one rough-riding president took it upon himself to protect the whole known universe -- for the entire expanse of time. What do a man who was formerly president and an inventor who was formerly alive get up to when they obtain a stolen time machine? Science, that's what. Teddy Roosevelt and the ghost of Thomas Edison travel to the far-flung future on a wager, only to discover the terrible secret of space! It's a rough and tumble tale of science with both fists as our two heroes race through time to liberate the Red Planet from its foreign invaders.

Unreasonable Men Scribner

Drawn from a wealth of new materials offering important new insights into Teddy Roosevelt's final decade, this spellbinding biography takes its title from Roosevelt's sense of himself as a man summoned to the heroic. of photos.

The Bully Pulpit and the Melting Pot Crown Forum

President Theodore Roosevelt left his mark on every facet of American life, including, quite colorfully, its language. Here, in a single volume, are not only his best "Teddyisms"—"hyphenated America," "muckraker," "the square deal," "the lunatic fringe," "good to the last drop," and many others—and lost words, but also the best of Roosevelt's most memorable quotations, which serve to illuminate every area of our culture: Americans; boxing; citizenship; conservation; courage; death; democracy; extremists; family values; football; government; heroism; history; hunting; leadership; liberty; patriotism; power; religion; war and peace; winning; women's rights; and much more.

The Bully Pulpit Mercer University Press

Theodore Roosevelt began explicitly using public address as what he termed a "bully pulpit" during his presidency. Public address provided him the opportunity to talk to the people--and thereby put pressure on reluctant public figures to effect policy. In doing so, Roosevelt significantly enlarged the rhetorical impact of the presidency. After Roosevelt, presidents have used this "bully pulpit" to different degrees,

but the idea of speaking directly to the people on a regular basis--as well as to Congress--has inarguably affected the presidency and the nation's politics. The Bully Pulpit contains words of every president from Theodore Roosevelt onward. The opening chapter introduces readers to various ways of studying presidential rhetoric. Selections include inaugural addresses, foreign policy pronouncements, State of the Union addresses, political campaign and convention speeches, farewell addresses and eulogies, press conferences, and written texts and tweets. The book includes famous speeches as well as relatively unknown gems, such as Wilson speaking on woman's suffrage, Harding on civil rights, and Truman rallying the 1948 Democratic National Convention. Brief biographical sketches, head notes, and discussion questions provide readers with background, context, and opportunities for reflection. The Bully Pulpit is the ideal anthology for courses in presidential rhetoric, American public address, and political communication. It also serves as a valuable supplementary text for courses in political science.

Theodore Roosevelt in the Field Lexington Books

Presents a social history of the United States in 1940, along with a moment-by-moment account of Roosevelt's leadership and the private lives of the president and First Lady, whose remarkable partnership transformed America. (This book was previously featured in Forecast.)

Power and Responsibility Taylor Trade Publications

In 1901, at the age of 42, Theodore Roosevelt became the twenty-sixth President of the United States. He had the vision to see America as a great world power. His leadership transformed America from isolationism to a strong nation with an influential international role. Roosevelt's family background gave him his foundational values upon which he built his *Strenuous Life*: translating thought into action, words into deeds. As President, Roosevelt pursued domestic progressive reform to provide all Americans a Square Deal. He based his foreign policy on international involvement using diplomacy and power. He skillfully used the Bully Pulpit to activate his vision of America as a great world power. Roosevelt's powerful rhetoric, stories, and symbols communicated his objectives. Theodore Roosevelt's vision and actions launched America into the 20th Century as a world power.

Doris Kearns Goodwin: The Presidential Biographies Simon and Schuster

Doris Kearns Goodwin, author of the acclaimed multi-million copy bestseller *Team of Rivals*, filmed by Spielberg as *Lincoln*, turns to the birth of America's Progressive Era - that heady, optimistic time when the 20th Century is fresh. Reform is in the air, and it is time to take on the robber barons and corrupt politicians who have brought the country to its knees. The story is told through the close friendship between two Presidents: Theodore Roosevelt (1901-1909) and his handpicked successor William Howard Taft (1909-1913). The decades-long intimacy strengthens both men as they reform America, breaking up monopolies, protecting the rights of labour, banning unsafe drugs and closing sweatshops. Also at the heart of the story are the original 'muckrakers' - a brilliant group of investigative journalists at the celebrated magazine McClure's. They publish popular exposes of fraudulent railroads and millionaire senators, aiding Roosevelt in his quest for change and fairness. As Roosevelt, Taft and the muckrakers confront corruption and expose exploitation, America is reborn. The Bully Pulpit, Presidential Speeches, and the Shaping

of Public Policy Times Books

The national radio host and bestselling author of *The American Miracle* reveals the happy accidents, bizarre coincidences, and flat-out miracles that continue to shape America's destiny. "A hopeful message for our troubled times . . . Michael Medved has an eye for a story, and a preternatural gift for telling it in beguiling ways." —Joseph J. Ellis, Pulitzer Prize and National Book Award–winning author of *Founding Brothers* Has God withdrawn his special blessing from the United States? Americans ponder that painful question in troubled times, as we did during the devastation of the Civil War and after the assassinations of the '60s, and as we do in our present polarization. Yet somehow—on battlefields, across western wilderness, and in raucous convention halls—astounding events have reliably advanced America, restoring faith in the Republic's providential protection. In this provocative historical narrative, Michael Medved brings to life ten haunting tales that reveal this purposeful pattern, including:

- A near-fatal carriage accident forces Lincoln's secretary of state into a canvas-and-steel neck brace that protects him from a would-be assassin's knife thrusts, allowing him two years later to acquire Alaska for the United States.
- A sudden tidal wave of Russian Jewish immigration, beginning in 1881, coincides with America's rise to world leadership, fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed.
- Campaigning for president, Theodore Roosevelt takes a bullet in the chest, but a folded speech in his jacket pocket slows its progress and saves his life.
- At the Battle of Midway, U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive-bombing that wrecks Japan's fleet, convincing even enemy commanders that higher powers intervened against them.
- A behind-the-scenes "conspiracy of the pure of heart" by Democratic leaders forces a gravely ill FDR to replace his sitting vice president—an unstable Stalinist—with future White House great Harry Truman. These and other little-known stories build on themes of *The American Miracle*, Medved's bestseller about America's remarkable rise. The confident heroes and stubborn misfits in these pages shared a common faith in a master plan, which continues to unfold in our time. *God's Hand on America* confirms that the founders were right about America's destiny to lead and enlighten the world.

The Bully Pulpit Simon & Schuster

WINNER OF THE PULITZER PRIZE AND THE NATIONAL BOOK AWARD • One of Modern Library's 100 best nonfiction books of all time • One of *Esquire*'s 50 best biographies of all time "A towering biography . . . a brilliant chronicle." —*Time* This classic biography is the story of seven men—a naturalist, a writer, a lover, a hunter, a ranchman, a soldier, and a politician—who merged at age forty-two to become the youngest President in history. *The Rise of Theodore Roosevelt* begins at the apex of his international prestige. That was on New Year's Day, 1907, when TR, who had just won the Nobel Peace Prize, threw open the doors of the White House to the American people and shook 8,150 hands. One visitor remarked afterward, "You go to the White House, you shake hands with Roosevelt and hear him talk—and then you go home to wring the personality out of your clothes." The rest of this book tells the story of TR's irresistible rise to power. During the years 1858–1901, Theodore Roosevelt transformed himself from a frail, asthmatic boy into a full-blooded man. Fresh out of Harvard, he simultaneously published a distinguished work of naval history and became the fist-swinging leader of a Republican insurgency in the New York State Assembly. He

chased thieves across the Badlands of North Dakota with a copy of *Anna Karenina* in one hand and a Winchester rifle in the other. Married to his childhood sweetheart in 1886, he became the country squire of Sagamore Hill on Long Island, a flamboyant civil service reformer in Washington, D.C., and a night-stalking police commissioner in New York City. As assistant secretary of the navy, he almost single-handedly brought about the Spanish-American War. After leading "Roosevelt's Rough Riders" in the famous charge up San Juan Hill, Cuba, he returned home a military hero, and was rewarded with the governorship of New York. In what he called his "spare hours" he fathered six children and wrote fourteen books. By 1901, the man Senator Mark Hanna called "that damned cowboy" was vice president. Seven months later, an assassin's bullet gave TR the national leadership he had always craved. His is a story so prodigal in its variety, so surprising in its turns of fate, that previous biographers have treated it as a series of haphazard episodes. This book, the only full study of TR's pre-presidential years, shows that he was an inevitable chief executive. "It was as if he were subconsciously aware that he was a man of many selves," the author writes, "and set about developing each one in turn, knowing that one day he would be President of all the people."

Bully! Random House Trade Paperbacks

From America's "Historian-in-Chief" (*New York* magazine), The Presidential Biographies boxed set—featuring the Pulitzer Prize-winning author's beloved and bestselling biographies *No Ordinary Time*, *Team of Rivals*, and *The Bully Pulpit*. After five decades of acclaimed studies of the presidency, Doris Kearns Goodwin stands as America's premier presidential historian. Now, for the first time, her three most esteemed books are collected in one beautiful box set. *No Ordinary Time*: Winner of the Pulitzer Prize for History, *No Ordinary Time* relates the story of how Franklin D. Roosevelt, surrounded by a small circle of intimates, led the nation to victory in World War II and with Eleanor's essential help, changed the fabric of American society. *Team of Rivals*: The landmark biography of Abraham Lincoln, adapted by Steven Spielberg into the Academy Award-winning film *Lincoln*, and winner of the prestigious Lincoln Prize, illuminates Lincoln's political genius as he brought disgruntled opponents together and marshaled their talents to the task of preserving the Union. *The Bully Pulpit*: The prize-winning biography of Theodore Roosevelt—a dynamic history of the first decade of the Progressive era when the nation was coming unseamed and reform was in the air. Told through the friendship of Roosevelt and William Howard Taft, Goodwin captures an epic moment in history.

Theodore Roosevelt OUP USA

Traces the life and career of Theodore Roosevelt and discusses his love of the outdoors, sports, and hunting.

[Theodore Roosevelt on Leadership](#) Idreambooks

This biography traces Roosevelt's personal religious odyssey from youthful faith and pious devotion to a sincere but more detached adult faith.
