Alfie Briggs, a burglar, returns from a hard night's thieving to find that someone has burgled his breakfast.

The Man Who Loved Books Too Much Sky Pony

Burglary has all the credentials as the 'folk crime of the new millennium', and is regularly identified as one of the crimes most feared by the public. Victims are particularly affected by burglary, and burglary is generally at the centre of crime prevention and community safety

strategies. This book provides an accessible, systematic account of burglary, focusing on the problem of crime in the first main part of the book, and on policy responses in the second. This book identifies the particular characteristics of burglary as a crime, drawing upon an extensive range of research in both the UK and elsewhere. It will be of interest to both students of criminology and criminal justice and practitioners in policing and crime prevention, and it looks at burglary in both national and international contexts. Professor Mawby is particularly well qualified to write on this subject, being involved in policy initiatives at local, national and international levels, as well as being editor of a leading crime prevention journal.

accessible and authoritative account of one of the most important crimes and policy responses to it author ideally qualified in view of experience of local, national and international crime prevention initiatives.

"B" is for Burglar Oxford University Press, USA

"The story of an obsessive-compulsive housebreaker whose every waking moment is jam-packed with finicky clockwork ritual--the kind of intense micro-planning that might have made even Napoleon back off...Matthew Dicks has created an unforgettable character that will have you torn between wanting to throttle him--or adopt him." --Alan Bradley, author of the New York Times bestselling Flavia de Luce novels
A career criminal with OCD tendencies and a savant-like genius for bringing order to his crime scenes, Martin considers himself one of the best. After all, he 's been able to steal from the

same people for years on end—virtually undetected. Of course, this could also be because of his unique business model—taking only items that will go unnoticed by the homeowner. After all, who would notice a missing roll of toilet paper here, a half-used bottle of maple syrup there, or even a rarely used piece of china buried deep within a dusty cabinet? Even though he's never met these homeowners, spending hours in their houses, looking through their photo albums and reading their journals, he feels like he knows them. So Martin decides to meddle more in their lives—playing the part of a rather odd guardian angel—even though it means breaking many of his neurotic rules. In this hilarious, suspenseful and often profound novel about a man used to planning every second of his life, Martin comes to realize that life is much better lived on the edge (at least some of the time).

Dear Mr. Henshaw Crown Bristling with a razor-sharp wit, *The Burglar Diaries* is the first person account of petty thief Bex: a bit of a geezer who, with long time partner-in-crime Ollie, just about gets by on the money he makes from house-breaking in small town suburbia. Not the sharpest tools in the box, Bex and

Ollie get into more than their fair share of scrapes, but they stick together, have a laugh, and make enough cash to stay in the pub all weekend. A confident and lippy raconteur, Bex frequently shares his thoughts on life which are as dodgy as he is and offer an hilarious insight into the mind of the petty criminal.

The Thief Lion Fiction

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

The Burglar Who Liked to Quote Kipling Hachette UK

"Block is a master of witty dialogue, plotting and pace, and the series' wacky, offbeat characters make great companions." —Cleveland Plain-Dealer "Fans will welcome it. New readers will delight in it. A witty, and always affectionate, sendup of the genre." —Denver Post "Clever and amusing."

—Detroit Free Press "Wittily diverting...rather like an Agatha Christie novel narrated by Basil Fawlty, or a game of Clue organized by Monty

Python." —Entertainment Weekly "Block peoples his mystery with a wacky cast of characters who all happen to have a knack for snappy dialogue, the wackiest and snappiest being Bernie himself, of course." —Florida Times-Union "Rhodenbarr is one of the slickest characters in crime, and Block...one of the most talented writers." —Houston Chronicle "...you'd rather be stranded on a desert island with [Bernie Rhodenbarr] than with any other detective in fiction."

—Kirkus Reviews "In his Matthew Scudder books, Block is one of the most serious of crime novelists. When he chronicles Bernie...Block is one of the funniest...[Bernie] is enough to give burglary a good name." —Los Angeles Times Bernie Rhodenbarr has gone legit -- almost -- as the new owner of a used bookstore in New York's Greenwich Village. Of course, dusty old tomes don't always turn a profit, so to make ends meet, Bernie's forced, on occasion, to indulge in his previous occupation: burglary. Besides which, he likes it. Now a collector is offering Bernie an opportunity to combine his twin passions by stealing a very rare and very bad book-length poem from a rich man's library. The heist goes off without a hitch. The delivery of the ill-gotten volume, however, is a different story. Drugged by the client's female go-between, Bernie

wakes up in her apartment to find the book gone, the lady dead, a smoking gun in his hand, and the cops at the door. And suddenly he's got to extricate himself from a rather sticky real-life murder mystery and find a killer -- before he's booked for Murder One.

The Burglar Who Traded Ted Williams Zondervan

B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the

manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. The Burglar's Breakfast HarperTorch

Newbery Medal Winner * Teachers' Top 100 Books for Children * ALA Notable Children's Book Beverly Cleary's timeless Newbery Medal-winning book explores difficult topics like divorce, insecurity, and bullying

through the thoughts and emotions of a sixth-grade boy as he writes to his favorite author, Boyd Henshaw. After his parents separate, Leigh Botts moves to a new town with his mother. Struggling to make friends and deal with his anger toward his absent father, Leigh loses himself in a class assignment in which he must write to his favorite author. When Mr. Henshaw responds, the two form an unexpected friendship that will change Leigh's life forever. From the beloved author of the Henry Huggins, Ramona Quimby, and Ralph S. Mouse series comes an epistolary novel about how to navigate and heal from life's growing pains.

Editha's Burglar Open

Road + Grove/Atlantic

Everything in Burglar Bill's life is stolen, from the toast, marmalade and coffee he has for breakfast to the bed he sleeps in. One night when he is out burgling, he comes across a box with holes in the lid on a doorstep. He picks it up of course and when he gets home he discovers, to his horror, that he has stolen a baby. He and the baby muddle along together until one night he is disturbed by a burglar - Burglar Betty. She is the mother of Burglar Bill's baby. Bill and Betty decide to reform and live honest

lives; they return all the stolen goods, get married and live happily ever after!

The Burglary Chicken House

The first five novels in the unforgettable Bernie Rhodenbarr series.

BURGLARS CAN'T BE

CHOOSERS: Bernie

Rhodenbarr tends to work alone. Some call him a sleuth. Some call him a burglar. But who could resist being hired - and pocketing a nice, easy fee - for a simple break-in? But nothing's ever that simple. No sooner is Bernie inside the apartment when he discovers the item he's to collect is missing - and in its place is a dead body. Accused of murder and on the run, Bernie must figure out who set him up and why. **THE BURGLAR IN THE CLOSET:** Bernie's all ears when his dentist starts complaining about his soon-to-be-ex-wife, and happens to mention the valuable diamonds she keeps lying around. A couple of nights later Bernie's in her apartment with larceny on his mind, but has to duck into a closet when she unexpectedly returns.

Unfortunately he's still there when an unseen assailant kills her and then vanishes with the jewels. Now Bernie's got to hunt down the killer who left him hanging. **THE BURGLAR WHO LIKED TO QUOTE KIPLING:** Bernie, bookseller and thief, can't resist the lure of a long lost Kipling poem, even

if it is locked inside a millionaire's high security library. Bernie manages to break in and find the poem - but also discovers a dead redhead. Now Bernie has to prove his innocence - and fast. **THE BURGLAR WHO STUDIED SPINOZA:** Bernie doesn't often get philosophical about his criminal career. He's good at it, it's addictively exciting - and it pays a whole lot better than being a bookseller. But he's latest heist gets him in his biggest fix yet when two other burglars are involved. **THE BURGLAR WHO PAINTED LIKE MONDRIAN:** By day he sells books, by night he's a master of illegal entry. But this time Bernie didn't do the burglary - but one missing painting worth a quarter of a million dollars, two corpses and a very clever frame-up put him on top of the most wanted list...

Burglar Bill Simon and Schuster

Hollywood burglar-turned-detective Junior Bender has a knotty new case to solve—a 60-year-old Tinseltown mystery There are not many people brave enough to say no to Irwin Dressler, Hollywood's infamous mob boss-turned-movie king. Even though Dressler is ninety-three years old, Junior Bender is quaking in his boots when Dressler's henchmen haul him in for a meeting. Dressler wants

Junior to solve a “crime” he believes was committed more than seventy years ago, when an old friend of his, once-famous starlet Dolores La Marr, had her career destroyed after compromising photos were taken of her at a Las Vegas party. Dressler wants justice for Dolores and the shining career she never had. Junior can’t help but think the whole thing is a little crazy. After all, it’s been sixty years. Even if someone did set up Dolores for a fall from grace back then, they’re probably long dead. But he can’t say no to Irwin Dressler (no one can, really). So he starts digging. And what he finds is that some vendettas never die—they only get more dangerous. The Burglar Who Counted the Spoons Simon and Schuster Trained from an early age as a cat burglar, orphaned teenager K Westree is sent to ramshackle Bellsong Academy by a group known as “The Obtainers,” who need to hone her skills so that she can solve a mystery surrounding her past and that of the school. The Burglar Diaries Penguin UK It’s not that used bookstore owner and part-time burglar Bernie Rhodenbarr believes the less legal of his two professions is particularly

ethical. (It is, however, a rush, and he is very good at it.) He just thinks it’s unfair to face a prison term for his legitimate activities. After appraising the worth of a rich man’s library -- conveniently leaving his fingerprints everywhere in the process -- Bernie finds he’s the cops’ prime suspect when his client is murdered. Someone has framed Bernie Rhodenbarr better than they do it at the Whitney. And if he wants to get out of this corner he’s been masterfully painted into, he’ll have to get to the bottom of a rather artful -- if multiply murderous -- scam. “A witty series, Bernie is incorrigibly adorable. Between his inquiring mind and his sticky fingers, Bernie is the ideal sleuth. Notre Dame at dusk. Pepy’s account of the great fire of London. A really good cashmere coat. Some treasures are timeless...I feel like putting Bernie Rhodenbarr on that list.” —New York Times Book Review “As good as it gets. Rhodies will eat it up.” —Philadelphia Inquirer “Block’s touch is light, his creations literary soufflés that both please and leave you hungry for more.” —Pittsburgh Post-Gazette “Clever, witty...Too hip to be Poirot, too gentlemanly to be Philip Marlowe, Rhodenbarr brings his own style to murder mystery fiction.” —Providence Sunday Journal “[An] addictive series...Block’s effortless mastery of the material, his

relaxed ease, are as pleasurable as always. Pure pleasure. Bernie Rhodenbarr...is one of Block’s most stylish creations.” —Publishers Weekly “Lawrence Block clearly has a great deal of fun writing his Bernie Rhodenbarr mysteries, and the sense of whimsy is infectious.” —Richmond Times-Dispatch “Once again, Block has produced a funny and eminently readable mystery with clever plotting and amusing twists.” —Roanoke Times “Engaging. Have you read Block’s [Rhodenbarr] mysteries? You should. They are a real kick. Bernie Rhodenbarr is one of the most charming and witty characters in the burglar business.” —Rocky Mountain News **The Burglar Who Liked to Quote Kipling** Subterranean Press The city seen from a unique point of view: those who want to break in and loot its treasures At the heart of Geoff Manaugh’s *A Burglar’s Guide to the City* is an unexpected and thrilling insight: the city as seen through the eyes of robbers. From experts on both sides of the law, readers learn to understand the city as an arena of possible tunnels and picked locks—and architecture itself as an obstacle to be outwitted and second-guessed. Never again will readers enter a bank without imagining the vault geometry, or visit a museum without plotting ways to bring their favorite painting home with them. From how to pick locks (and the tools required) to how to case a bank

on the edge of town, readers will learn to spot the vulnerabilities, blind spots, and unseen openings that surround us all the time. This simultaneously allows us to view the city—from specific buildings and individual rooms to whole neighborhoods—through the privileged eyes of FBI investigating agents and security consultants, people dedicated both to solving and to preempting these attempts at devious entry. Full of absurd and marvelous stories of heists and capers, and offering a kind of criminal X-ray of the built environment, *A Burglar's Guide to the City* includes its own twist: the realization, hidden in its final chapter, that all along the book has been laying out the relevant details for plotting the perfect robbery, an ambitious and real proposal for robbing a bank in New York City.

The Burglar Who Liked to Quote Kipling Vintage

Bernie Rhodenbarr is a personable chap, a good neighbor, a passable poker player. His chosen profession, however, might not sit well with some. Bernie is a burglar, a good one, effortlessly lifting valuables from the not-so-well-protected abodes of well-to-do New Yorkers like a modern-day Robin Hood. (The poor, as Bernie would be the first to tell you, alas, have nothing worth stealing.) He's not perfect, however; he occasionally makes mistakes. Like accepting a paid assignment from a total stranger to retrieve a particular item from a rich man's apartment. Like still being there when the cops arrive. Like having a freshly slain corpse lying in the next room, and no proof that Bernie isn't the killer.

Now he's really got his hands full, having to locate the true perpetrator while somehow eluding the police -- a dirty job indeed, but if Bernie doesn't do it, who will?

Macmillan

For the first time, the best work of a distinctive master of American noir is available in authoritative e-book editions from The Library of America. In *The Burglar* (1953), first published like all his later novels as a paperback original, David Goodis explores his characteristic notion of the criminal gang as surrogate family, wracked by thwarted aspirations and contradictory desires. Other David Goodis novels available as Library of America E-Book Classics include: *Nightfall*, *Dark Passage*, *The Moon in the Gutter*, and *Street of No Return*.

The Thief Lord Library of America

#1 NEW YORK TIMES BESTSELLER • New enemies rise and desire burns in the latest thrilling novel of the paranormal romance series the *Black Dagger Brotherhood*. Sola Morte, former cat burglar and safecracker, has given up her old life on the wrong side of the law. On the run from a drug lord's family, she is lying low far from Caldwell, keeping her nose clean and her beloved grandmother safe. Her heart, though, is back up north, with the only man who has

ever gotten through her defenses: Assail, son of Assail, who never meant to fall in love—and certainly not with a human woman. But they have no future, and not just because she doesn't know he is a vampire, but because he is not about to stop dealing arms to the *Black Dagger Brotherhood*. Fate, however, has other plans for them. When Assail falls into a coma and lingers on the verge of death, his cousins seek out Sola and beg her to give him a reason to live. The last thing she wants is a return to her past, but how can she leave him to die? As a lethal new enemy of the vampires shows its face, and the *Brotherhood* needs Assail back on his feet, Sola finds herself not only a target, but a mission-critical force in a war she doesn't understand. And when Assail's truth comes out, will she run from the horror . . . or follow her heart into the arms of the male who loves her more than life itself? [Burglars Can't Be Choosers](#) Bloomsbury Publishing The never-before-told full story of the history-changing break-in at the FBI office in Media, Pennsylvania, by a group of unlikely activists—quiet, ordinary, hardworking Americans—that made clear the shocking truth

and confirmed what some had long suspected, that J. Edgar Hoover had created and was operating, in violation of the U.S. Constitution, his own shadow Bureau of Investigation. It begins in 1971 in an America being split apart by the Vietnam War . . . A small group of activists—eight men and women—the Citizens Commission to Investigate the FBI, inspired by Daniel Berrigan’s rebellious Catholic peace movement, set out to use a more active, but nonviolent, method of civil disobedience to provide hard evidence once and for all that the government was operating outside the laws of the land. The would-be burglars—nonpro’s—were ordinary people leading lives of purpose: a professor of religion and former freedom rider; a day-care director; a physicist; a cab driver; an antiwar activist, a lock picker; a graduate student haunted by members of her family lost to the Holocaust and the passivity of German civilians under Nazi rule. Betty Medsger’s extraordinary book re-creates in resonant detail how this group of unknowing thieves, in their meticulous planning of the burglary, scouted out the low-security FBI building in a small town just west of Philadelphia, taking into consideration every possible factor, and how they planned the break-in for the night of the long-anticipated boxing match between Joe

Frazier (war supporter and friend to President Nixon) and Muhammad Ali (convicted for refusing to serve in the military), knowing that all would be fixated on their televisions and radios. Medsger writes that the burglars removed all of the FBI files and, with the utmost deliberation, released them to various journalists and members of Congress, soon upending the public’s perception of the inviolate head of the Bureau and paving the way for the first overhaul of the FBI since Hoover became its director in 1924. And we see how the release of the FBI files to the press set the stage for the sensational release three months later, by Daniel Ellsberg, of the top-secret, study on U.S. decision-making regarding the Vietnam War, which became known as the Pentagon Papers. At the heart of the heist—and the book—the contents of the FBI files revealing J. Edgar Hoover’s “secret counterintelligence program” COINTELPRO, set up in 1956 to investigate and disrupt dissident political groups in the United States in order “to enhance the paranoia endemic in these circles,” to make clear to all Americans that an FBI agent was “behind every mailbox,” a plan that would discredit, destabilize, and demoralize groups, many of them legal civil rights

organizations and antiwar groups that Hoover found offensive—as well as black power groups, student activists, antidraft protestors, conscientious objectors. The author, the first reporter to receive the FBI files, began to cover this story during the three years she worked for The Washington Post and continued her investigation long after she’d left the paper, figuring out who the burglars were, and convincing them, after decades of silence, to come forward and tell their extraordinary story. *The Burglar* is an important and riveting book, a portrait of the potential power of non-violent resistance and the destructive power of excessive government secrecy and spying. *The Burglar in Short Order* Knopf Books for Young Readers Since his 1977 debut, Bernie Rhodenbarr has won the devotion of an ever-increasing international audience. The lighthearted and light-fingered fellow, whose talents as a detective get him out of the trouble his burglar skills get him into, wins readers’ hearts and minds as he goes along. **THE BURGLAR WHO STUDIED SPINOZA** is his fourth adventure.
