TIMES BOOK REVIEW, LOS
ANGELES TIMES, SAN
FRANCISCO CHRONICLE,
AND PUBLISHERS WEEKLY For
more than four hundred years, the
art of ballet has stood at the center
of Western civilization. Its
traditions serve as a record of our
past. Lavishly illustrated and
beautifully told, Apollo's
Angels—the first cultural history of
ballet ever written—is a
groundbreaking work. From
ballet's origins in the Renaissance
and the codification of its basic
steps and positions under
France's Louis XIV (himself an
avid dancer), the art form wound
its way through the courts of
Europe, from Paris and Milan to

Vienna and St. Petersburg. In the
twentieth century, émigré
dancers taught their art to a
generation in the United States and
in Western Europe, setting off a
new and radical transformation of
dance. Jennifer Homans, a
historian, critic, and former
professional ballerina, wields a
knowledge of dance born of
dedicated practice. Her admiration
and love for the ballet, as
Entertainment Weekly notes, brings
“a dancer's grace and sure-
footed agility to the page.”

Immortals HarperCollins Australia
Sometimes being immortal makes you wish you were dead. Celeste Crenshaw has survived her parents' grisly murders, grueling and gender-biased police training, a battle with rogue vampires, and even her own death. While immortality might seem a dream come true, can she accept the strings attached? Celeste spends the start of her immortal life being mentored by the Elders of the Hollow Earth. They release her once they feel certain Celeste has honed her supernatural powers. But little do they know, Celeste isn't wholly committed to granting eternal life to those deserving. Upon a return home to her immortal lover, and the Kansas City Detective Squad, she battles mortal foes, not so unlike the demonic undead. And when a fellow detective falls victim to a murderous gang member, Celeste faces a gut-wrenching decision and the possible wrath of the Elders.

Conquest Square Fish Sex, Drugs, and Giant Monsters! Meet Jenny Tetsuo, the hard drinkin', hard partyin' daughter of beloved superhero, Mega Commander Zero. After washing out as the military's top Kaiju-killer, "Jenny Zero" now lives the celebante life with her

hotel heiress and publicist best friend, Dana Sheraton. But when the massive creatures return, Jenny must decide if she can sober up and save the world! From Dave Dwonch (Cyrus Perkins and the Haunted Taxi Cab, Mind Palace), Brock McKinney (MAD Magazine, Full Moon Deadly Ten films) and superstar in the making, Magenta King comes a new hero for a new decade! Pride Mates Rodopi A USA Today bestselling novel Amber has never heard of the Immortals--ancient warriors who come to the aid of those in trouble, summoned by the Calling spell. She only learns about them when one crashes into the deserted warehouse where she's fighting the demon who murdered her sister, and proceeds to beat back the demon and destroy every single one of Amber's protective spells. Adrian, the oldest Immortal, is intrigued by the lone young woman trying to face an ancient demon, an Old One. He saves her life and takes her home, wanting to know more about her, and the story of her sister's quest and death. He discovers that Amber's sister had found Adrian's brother, Tain, lost for seven hundred years, and has left clues as to where to seek him. Adrian wants to leave Amber behind, out of danger, as he searches

for Tain, but Amber sticks to him, needing to know the truth about what happened to her sister. She's also drawn to this hard-edged man in the leather coat, who looks more like a biker than an ancient warrior, and finds herself falling for his dark eyes, warm voice, and incredible magic. Together they begin their quest, traveling to Los Angeles to consult with a vampire master and a dragon, then into the wilderness to continue the search. They discover that their quest goes far beyond finding Tain or confronting the demon--the problem touches the edge of a far greater plan that puts the entire world in danger. Only the Immortals--all of them together--can hope to stop it. The danger to Adrian is even greater--he has found his soul-mate in the warm-hearted Amber and he'll do anything to keep her safe. Highlander (TM): Scotland the Brave N A L Trade
In this modern-day "lively re-imagining of classical mythology" (Deborah Harkness), when a string of women are murdered in an ancient pagan ritual, Selene DiSilvia -- known by some as the goddess Artemis -- hears their cries for help and takes up her bow once more. Manhattan has many secrets. Some are older

than the city itself. The city sleeps. In the predawn calm, Selene DiSilva finds the body of a young woman washed ashore, gruesomely mutilated and wreathed in laurel. Her ancient rage returns, along with the memory of a promise she made long ago -- when her name was Artemis. Jordanna Max Brodsky's acclaimed debut sets Greek Gods against a modern Manhattan backdrop, creating an unputdownable blend of myth and mystery. She has picked up life where she left off when she was alive, living with her parents and dog in a nice house in a nice neighborhood. When she's summoned before The Council, she learns that the afterlife isn't just an eternity of leisure. She's been

assigned a job, Soul Catcher, and a teacher, Bodhi, a possibly cute, seemingly nerdy boy who's definitely hiding something. They return to earth together for Riley's first assignment, a Radiant Boy who's been haunting a castle in England for centuries. Many Soul Catchers have tried to get him to cross the bridge and failed. But all of that was before he met Riley . . . Radiance is the first book in the Riley Bloom series from bestselling author Alyson Noë. Immortal Dreams Jennifer Ashley An increasing number of parents are refusing vaccines, believing vaccines pose greater risks than benefits to their children. Given the certainty of the medical community that vaccines are safe and effective, many wonder how such parents, who are most likely to be white, have high levels of education, and have the greatest access to healthcare services and resources, could hold such beliefs? Reich has been following the issue of vaccine refusal for over a decade, and examines how parents who opt out of vaccinations see their decision: what they

fear, what they hope to control, and what they believe is in their child's best interest. -- adapted from back cover The Palace of Impossible Dreams Vintage From the imagination of USA Today bestselling author Jennifer Ashley. Four Immortal warriors who have been scattered across the world for centuries must be found and united to help protect mankind against one of their own who's gone rogue. When Leda Stowe finds a half-naked man in the enclosure with her injured lion, she never dreams he's an Immortal warrior named Hunter who will draw her into the final race to save the world. From Blood and Ash Yap Books In the epic conclusion to the Falling Kingdoms series, sworn enemies must become allies as they fight to save Mytica. Jonas continues to willfully defy his destiny, but the consequences of plotting his own course are drastic. As the fight for Mytica rages on, he must decide just how much more he's willing to sacrifice. Lucia knows there's something special about her daughter and she'll do anything to protect

her, even if that means facing Kyan alone. Amara is called back home to Kraeshia. Grandma Cortas has her own plans for Mytica's future. She promises Amara power, revenge, and dominance if she agrees to be part of her scheme. Magnus and Cleo's love will be put to the ultimate test. Dark magic is causing widespread destruction throughout the kingdom. Enemies across the sea are advancing. And unrest is stirring throughout the land. Is their love strong enough to withstand the outside forces tearing them apart?

The Immortals Mira #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most

closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

career, and the Scandinavian way at home.

Jennifer Strange Gibbs Smith

Isabel has had some very unusual experiences when it comes to men. In fact, they typically tend to steer completely clear of her. One lousy tornado and a few storms and she is dubbed 'lighting girl' by all. However, on the eve of her 22nd birthday things change literally, overnight. When Isabel wakes up in a dream with a man not fit for human consumption she can't believe it. And upon waking things go even more haywire. Never could she have imagined the world that she sees once the 'blindness' are off. Abandoned by the very person who sent these gifts to her to see the world for what it is, she is naturally skeptical of it all. Her men problems before were laughable. Enter two of the most gorgeous creatures she had ever laid eyes upon. Add a curse and a requirement to pick one in the next 9 days. Make that nights, since she can only reach them in her dreams. Oh, and it just so happens if she picks the wrong one then the veil between all the magical realms could

be destroyed and create ultimate chaos and death.

Both men want to seduce her and make her his, but only one will lead to restoring the realms, and her heart. So heavy the burden, so great the stakes. Will she even survive the war that has already begun to rage between the worlds before her choice is made? There are the waking hours too, that are contending for her fate. And very little help is on her side....

The Calling and Veiled Threat Aspect

Eternity is a long time to be watching over your shoulder... The Tide is turning, and the Immortals who have walked the world for eons are once again coming into their powers and stepping from obscure boltholes to take control once more. The very mortal lady Arkady knows of their plans but holds out little hope of being able to stop them. Branded and sold into slavery, Arkady fears all she knows and loves is lost—her husband, Stellan, was probably dead by now, hanged by the Immortal Jaxyn for his own nefarious purposes; and Declan Hawkes, the King of Glaeba's

Spymaster and her childhood friend — perhaps the only other human she knew who might risk everything to save her — doesn't even know she's in danger. She will turn to her new owner for help ... but learning the truth about him may cost them both their lives. And Stellan? Well, it turns out he isn't dead and Jaxyn's plans hit a snag when he realises that Stellan, the one man who can challenge him for the Glaeban throne, has sought asylum in neighbouring Caelum. Strangely enough, the Empress of the Five Realms (a Tide Lord in hiding no more), and the Tide Lords, Tryan and Elyssa, seem to be on Stellan's side ... Plots within plots. Magic tinges the very air and the Tide will bring mayhem and madness to both mortal and Immortal alike. Among the Hidden Ja / AG Publishing Collared and controlled, Shifters are outcast from humanity, forced to live in Shifertowns. But waiting within are passions that no collar

can contain... Like most Shifters, Liam Morrissey has learned that trusting humans leads to no good. But when beautiful attorney Kim Fraser enters Shifertown alone in order to prove her client's innocence, Liam's alpha nature leaves him no choice but to offer his protection.

Immortals NYU Press MacLeod is drawn into a conspiracy of Immortals on a militant quest to win back the independence that Scotland lost, centuries ago, at the battle of Culloden. If Duncan follows the call of the clans he risks being drawn into a web of death.

Child Of Darkness Blue Box Press

Savannah, Georgia is one of the most haunted places in the United States, a fact Jennifer Strange has become all too aware of since moving there to live with her sister after their father's disappearance. Ghosts love her. They haunt her and everyone around her. Now they seem to want her to do something for them.

Just what she's not sure but she better figure it out before they force her to join them. Cat's amazing illustrations bring the ghosts and demons of her fictional world to eerie and beautiful life, harkening back to the style of SCARY STORIES TO TELL IN THE DARK. With the success of Madeleine Roux's ASYLUM and Ransom Riggs' MISS PEREGRINE'S HOME FOR PECULIAR CHILDREN, it seems a perfect time to do an illustrated YA horror novel.
