The Calling George Weidenfeld & Nicholson

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must

leave behind her life and offer herself to the Primal of Death as his Consort.

However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.

The Hawthorne Legacy Createspace Independent Publishing Platform

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be

looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. CIRCLE WINNER • With music pulsing on every page, this startling, exhilarating novel of self-destruction and redemption "features characters about whom you come to care deeply as you watch them doing things they shouldn't, acting gloriously, infuriatingly human" (The Chicago Tribune). Bennie is an aging former punk rocker and record executive. Sasha is the passionate, troubled young woman he employs. Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs.

"Pitch perfect.... Darkly, ripplingly funny.... Egan possesses a satirist's eye and a romance novelist's heart." —The New York Times Book Review

Divine by Blood NYU Press

Using her well-worn Tarot deck, magical-artifacts hunter Sara Wilde can find anything--for a price. And the price had better be right, since she needs to finance her own personal mission to rescue several young psychics recently sold on the paranormal black market. Enter Sara's most mysterious client and occasional lover, the wickedly sexy Magician, with a job that could yield the ultimate payday. All she'll have to do is get behind Vatican walls... and steal the Devil himself. But play with the Devil and you're bound to get burned. Pressure mounts for Sara to join the Magician's ancient and mysterious Arcana Council, as militant forces unleashed by even darker

powers seek to destroy all magic--including the young psychics Sara is desperate to keep safe. The Council may be their only hope. . . but it could also expose Sara's own dark past. From the twisting catacombs of Rome to the neon streets of Vegas, Sara confronts ancient enemies, powerful demigods, a roiling magical underworld about to explode... and immortal passions that might require the ultimate sacrifice. But oh, what a way to go. No matter how the cards play out, things are about to get Wilde.

Wicked Deeds on a Winter's Night The Redeeming Tain, the fifth brother of the mighty Immortal warriors pledged to fight dark magic, finds love in the unlikelyst of places: with a half-demon woman. Immortals When she finds a gorgeous half-naked warrior in her lion's pen, Leda Stowe surrenders her body and soul to this dangerous Hunter as they join the other Immortals in a battle against great evil. The Calling

"Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of The Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, too: dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with The Ruin of Kings, an epic fantasy novel about a man who discovers his fate is tied to the future of an

empire.

Pride Mates Copper Canyon Press

The first in a brand new series about a world of shapeshifters, from the author of *Hot in Here*. Hidden from mortals for eternity, Annwyn, the Otherworld, is home to shapeshifters, wraiths and dragons. On the border with the mortal realm stands a nightclub called Velvet Haven. The shapeshifter king of Sidhe, Bran, comes there searching for his brother, Carden, who's ensnared in a centuries-old curse. He looks to Mairi, a mortal woman with an unusual aura, for help. He usually just uses humans for sexual pleasure in order to restore his magic energy, but Mairi's lush curves and teasing caresses inflame him like no Sidhe ever has. He has no idea that the woman he's falling for holds the key to his destruction-or his salvation.

The Immortals Jennifer Ashley

In this modern-day "lively re-imagining of classical mythology" (Deborah Harkness), when a string of women are murdered in an ancient pagan ritual, Selene DiSilvia -- known by some as the goddess Artemis -- hears their cries for help and takes up her bow once more. Manhattan has many secrets. Some are older than the city itself. The city sleeps. In the predawn calm, Selene DiSilvia finds the body of a young woman washed ashore, gruesomely mutilated and wreathed in laurel. Her ancient rage returns, along with the memory of a promise she made long ago -- when her name was Artemis. Jordanna Max Brodsky's acclaimed debut sets Greek Gods against a modern Manhattan backdrop, creating an unputdownable blend of myth and mystery. The Olympus Bound series: *The Immortals* Winter

NATIONAL BESTSELLER For more than four hundred years, the art of ballet has stood at the center of Western civilization. Its traditions serve as a record of our past. Lavishly illustrated and beautifully told, *Apollo's Angels*—the first cultural history of ballet ever written—is a groundbreaking work. From ballet's origins in the Renaissance and the codification of its basic steps and positions under France's Louis XIV (himself an avid dancer), the art form wound its way through the courts of Europe, from Paris and Milan to Vienna and St. Petersburg. In the twentieth century, émigré dancers taught their art to a generation in the United States and in Western Europe, setting off a new and radical transformation of dance. Jennifer Homans, a historian, critic, and former professional ballerina, wields a knowledge of dance born of dedicated practice. Her admiration and love for the ballet, as *Entertainment Weekly* notes, brings "a dancer's grace and sure-footed agility to the page." From Blood and Ash Jennifer Bene

The New York Times bestselling author of *Guardian's Mate* returns to the world of the Shifters and a tale of a new love under fire... A man is only as strong... Red wolf Shifter Dimitri has fought his whole life for respect. It is claimed that red wolves are tainted with coyote blood and therefore not pure. He may not be skilled at verbally defending himself, but because he's a bodyguard, tracker, and champion of the fight clubs, his fists are always ready for some rough and tumble. However, he'd prefer a roll in the hay with the woman who is

---

his oldest friend. ...as the woman who 's got his back... A spirited leopard Shifter and a fellow tracker, Jaycee Bordeaux has no problem forging a mate bond with Dimitri, but soon the two are called to infiltrate a rogue group bent on enslaving Shifters. Jaycee may have defended Dimitri from taunts before, but they now face a more lethal danger—one that threatens not only the future of their people, but also their love.

Who Said Penguin

The Redeeming

The Daily Show (The Book) Simon and Schuster  
NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's

highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
