Making My Pitch tells the story of Ila Jane Borders, who despite formidable obstacles became a Little League prodigy, MVP of her otherwise all-male middle school and high school teams, the first woman awarded a college baseball scholarship, and the first to pitch and win a complete men's collegiate game. After Mike Veeck signed Borders in May 1997 to pitch for his St. Paul Saints of the independent Northern League, she accomplished what no woman had done since the Negro Leagues era: play men's professional baseball. Borders played four professional seasons and in 1998 became the first woman in the modern era to win a professional ball game. Borders had to find ways to fit in with her teammates, reassure their wives and girlfriends, work with the media, and fend off groupies. But these weren't the toughest challenges. She had a troubled family life, a difficult adolescence as she struggled with her sexual orientation, and an emotionally fraught college experience as a closeted gay athlete at a Christian university. Making My Pitch shows what it's like to be the only woman on the team bus, in the clubhouse, and on the field. Raw, open, and funny at times, her story encompasses the loneliness of a groundbreaking pioneer who experienced grave personal loss. Borders ultimately relates how she achieved self-acceptance and created a life as a firefighter and paramedic and as a coach and goodwill ambassador for the game of baseball.

Spain, 1936. Escalating violence between left- and right-wing political factions boils over. Military officers stage a coup against a democratically elected, Soviet-backed, government. The country is thrown into chaos as centuries-old tensions return to the forefront. Hundreds of thousands of Spaniards choose sides and engage in the most devastating combat since the First World War. For loyalists to the Republic, the fight is seen as one for equality and their idea of progress. For the rebels, the struggle is a preemptive strike by tradition against an attempted communist takeover. Thousands of foreigners, too, join the struggle. Most fight with the Soviet-sponsored International Brigades or other militias aligned with the loyalist "Republicans". Only a few side with the rebel "Nationalists". One of these rare volunteers for the Nationalists was Peter Kemp, a young British law student. Kemp, despite having little training or command of the Spanish language, was moved by the Nationalist struggle against international Communism. Using forged documents, he sneaked into Spain and joined a traditionalist militia, the Requet é s, with which he saw intense fighting. Later, he volunteered to join the legendary and ruthless Spanish Foreign Legion, where he distinguished himself with heroism. Because of this bravery, he was one of the few foreign volunteers granted an private audience with Generalissimo Francisco Franco. Kemp published his story in 1957, one of the only English accounts of the war from the Nationalist perspective, after a prestigious military career with the British Special Operations Executive during the Second World War. The book has been out-of-print for decades. Mystery Grove Publishing Company is proud to make this uncommon view on one of the 20th century's most significant conflicts available again.

A gripping narrative of friendship and exploration, and an homage to Antoine de Saint-Exup é ry, an unforgettable writer who touched the lives of millions of readers, and who was able to see the world through the eyes of a child. In the 1920s, long before he wrote The Little Prince, Antoine de Saint-Exup é ry was an accomplished pilot. Along with Jean Mermoz and Henri Guillaumet, he was chosen to pioneer new mail routes across the globe. No distance was too far and no mountain too high—each letter had to reach its destination. The three friends soared through the air, while back on solid ground, they dealt with a world torn apart by wars and political factions.

In his first work of fiction in a decade, Allan Gurganus returns to the mythic site of his immortal novel *Oldest Living Confederate Widow Tells All*. Time has passed; the Internet has arrived; but the daily human dramas in Falls, North Carolina prove that old habits die hard. A banker's daughter seeks the child she was forced to relinquish at birth . . . The disappearance of a star high school student sends ripples through the town, creating a cult led by her stricken mother . . . The friendship between two married men is tested by a devastating flood. *Local Souls* is a universal tale of gigantic hopes battling small-town conventions - a dark comedy of adultery, obsession and incest, told with affection and piercing insight.

An astonishing historical novel in the tradition of Schindler's List--evoking powerfully the danger and heroism of the Nazi resistance. What is the price of acting morally in a time of great evil, when sin and necessity seem twinned? *Saints and Villains* is a strikingly resonant novel that dramatizes this painful dilemma through the fictional re-creation of the life of Dietrich Bonhoeffer. This emblematic figure risked his life--and finally lost it--through his participation in the failed plot to assassinate Hitler and topple the Nazi regime. In a gripping and sweeping narrative that moves from Berlin to London to New York City, encompassing shattering historical events, clandestine meetings, perilous missions abroad, and eventual imprisonments and death, Denise Giardina brings to life an instance of shining courage in the charnel house that was Europe in the Second World War. A novel that is bold in conception and utterly convincing in its powers of fictional re-creation--a literary event.

The year is 1939, the eve of war in France. A troop of adolescents in the countryside of Touraine led by the bold beautiful Bertrand, play war games to test their chivalry. Matching Bertrand in beauty is Maite, his cool, remote girlfriend. The others, including the narrator, bask in their leaders' perfection but cannot match them in courage, idealism, or inventiveness. Like the children in *Lord of the Flies*, the group assaults the boundaries between childhood and adulthood, games ans life, at Bertran's summer retreat, Blue Island.

The Strange Death of Europe is the

internationally bestselling account of a continent and a culture caught in the act of suicide, now updated with new material taking in developments since it was first published to huge acclaim. These include rapid changes in the dynamics of global politics, world leadership and terror attacks across Europe. Douglas Murray travels across Europe to examine first-hand how mass immigration, cultivated self-distrust and delusion have contributed to a continent in the grips of its own demise. From the shores of Lampedusa to migrant camps in Greece, from Cologne to London, he looks critically at the factors that have come together to make Europeans unable to argue for themselves and incapable of resisting their alteration as a society. Murray's "tremendous and shattering" book (*The Times*) addresses the disappointing failures of multiculturalism, Angela Merkel's U-turn on migration, the lack of repatriation and the Western fixation on guilt, uncovering the malaise at the very heart of the European culture. His conclusion is bleak, but the predictions not irrevocable. As Murray argues, this may be our last chance to change the outcome, before it's too late.

Originally published in 1920, *The Storm of Steel* is a first-hand account of World War I trench combat lifted from the diaries of Ernst Jünger, a German infantryman who would become one of Europe's most talented writers. The book was first translated into English in 1929 by Basil Creighton, the acclaimed translator of many other classic works of German literature, and was widely hailed as a masterpiece. *The Storm of Steel* remains the definitive account of World War I, following Jünger through several major engagements as he develops from an eager young soldier into a battle-hardened officer. Subsequent revisions by the author removed many of the original editions' vivid descriptions of battle, along with his reflections on leadership, patriotism, and the nature of heroism, while later translations failed to compare to the original's compelling and readable prose. The original translation eventually fell out-of-print, and is now being made available for the first time in decades to allow a new generation of readers to experience the classic that introduced millions to one of Europe's greatest voices.

Written for young adults, this graphic novel tells the story of St. Maximilian Kolbe and his extraordinary life of sacrifice. From his childhood, Maximilian ardently desired to share his devotion to the Blessed Virgin Mary. This desire eventually led him across the world, from Poland to Rome and from India to Japan. Like the great saints he admired, including St. Paul Miki and St. Catherine Labouré, Maximilian Kolbe was a true witness to the unfailing love of Mary and to the joy of self-sacrifice, even in the hopeless hunger bunker of Auschwitz. His courage and faith will inspire readers to entrust themselves totally to the will of God in all things.

Best-selling LDS author Joni Hilton brings us another heart-warming novel, this time about Jana and Ethan Waterson, their family, and the spookiest house in town. Ethan is actually more terrified of his calling as bishop than of the "Witch House." He impulsively takes on the elderly residents and their dark mansion as a ward project. Jana holds guilt in her heart for an earlier decision, and they both have their hands full with three challenging children. There's life-and-death drama, spiritual anguish, arcs of growth, and plenty of humor as well, in an inspiring story unlike any you've read before.

"From an award-winning journalist, a provocative, deeply reported expose of the history and present crisis of anti-Semitism in France--and its dire consequences for the rest of Europe. Hate explores the alarming history and present predicament of anti-Semitism in France. By examining the issue at local, international, and personal levels--interviewing everyday French men and women as well as powerful leaders such as National Front president Marine Le Pen--Weitzmann attempts to understand how nine Jews have been murdered by French citizens in the last eight years, and how France has become the number one country from which Western jihadists flee to join ISIS and other extremist Middle Eastern organizations. How do contemporary French Jews grapple with these troubling facts, and with the historical legacies of the French Revolution, the Holocaust, and the Gaullist "Arab-French policy"? While internationally minded consumers of the news may have some knowledge of the events Weitzmann describes--including the 2013 "Day of Anger" and the rise of France's popular, and famously anti-Semitic, comedian Dieudonne M'bala M'bala--these controversies are largely unknown in the States, and utterly shocking in the unity Weitzmann gives them here. In his hands, these events are not just the story of French anti-Semitism, but that of the breakdown of a major Western power, of the dark side of our global age"--
