"Dear brothers and  
sisters! A prayer so easy  
and yet so rich truly  
deserves to be  
rediscovered by the  
Christian community." -

Pope St. John Paul II  
During his papacy, Pope  
John Paul II ardently  
encouraged the faithful to  
return to the Rosary - his  
own favorite prayer. He  
demonstrated his love for  
it by praying all the  
mysteries every day, and  
by writing, speaking, and  
preaching about it. He  
knew from his personal  
experience of prayer that  
we come to know the  
person of Jesus Christ  
through Mary and the  
Rosary. With this book,  
you can pray the Rosary  
with the saint who loved it  
so much. For each  
mystery of the Rosary, you  
will find: The spiritual fruit  
that accompanies each  
mystery A short reflection  
on how Pope St. John  
Paul II embodied the  
spiritual fruit A Scripture  
passage for reflection An  
excerpt from a talk or

writing of John Paul II  
Whether the Rosary is  
already your favorite  
prayer or you're just  
learning to pray it, Praying  
the Rosary with St. John  
Paul II will help you  
"rediscover the Rosary in  
the light of Scripture, in  
harmony with the Liturgy,  
and in the context of your  
daily lives." ABOUT THE

The New York Times Book Review USCCB Publishing

This compendium of significant documents issued in recent years by the U.S. bishops and the papal magisterium provides an indispensable source of contemporary Church teachings on the Blessed Virgin Mary. Of value to students, theologians, ecumenists, and parishioners alike, these documents offer the authentic teaching

of the Church on the meaning of Mary's role in the Church and her place in the mystery of Christ's salvation. Opening with the complete text of the bishop's 1973 pastoral letter, *Behold Your Mother: Woman of Faith*, the selections include Pope Paul VI's apostolic exhortation *Marialis Cultus: For the Right Ordering and Development of Devotion to the Blessed Virgin Mary* and Pope John Paul II's apostolic letter *Rosarium Virginis Mariae (On the Most Holy Rosary)*. Mary in the Church will enrich the faith and love of all who seek to imitate the Mother of God on their way to Christ.

"I am totally yours, and all that I have is yours."  
- St. Louis de Montfort  
Amidst the Nazi occupation of Poland and long days in forced labor at a quarry and chemical plant, young Karol Wojtyla - the man who would become Pope John Paul II - made a discovery that would change his life.

---

He read the 18th century spiritual writings of St. Louis-Marie Grignon de Montfort and prayed St. Louis' thirty-three days of preparation for total consecration to Jesus through Mary. He understood anew that the purpose of a true devotion to Mary is to be directed into a deeper relationship with Jesus and the Holy Trinity. The consecration so marked his life that he would adopt St. Louis' phrase *Totus Tuus* (Latin for "Totally Yours") as his motto as bishop and later as pope. Saint John Paul II's adoption of this radical commitment to Jesus through Mary ignited a new flame in the hearts of countless Catholics all over the world. This fresh look at Marian consecration takes the themes and structures of St. Louis de Montfort's preparation for total consecration and incorporates the teachings and insight of Saint John Paul II, including prayer, contemplation, and resolutions that will

open your heart to the life of the Holy Trinity. Through these thirty-three days of spiritual exercises you will discover how you can grow closer to Jesus through the heart of Mary, while becoming the very best version of yourself in a life of consecration.

The Literary World

As a child in a non-religious family, Michael Ridenour found a Bible one day and began reading. Initially excited by its lively stories, he paused at the New Testament, faced with a baffling inner question: Where in the world is Christ today? An unexpected answer came during his teenage years with a spontaneous experience of the Christ being, but this only led to more questions. Later, discovering the work of Rudolf Steiner, he found

the authentic vision and language he needed to clarify and better comprehend his own experiences, but the questions kept coming. *The Greatest Gift Ever Given* is a fruit of Ridenour's life-long search for answers: a book that is at once deeply thoughtful, humorous, philosophical and poetic. In Part I, 'Raising the Foundation', he studies the Judeo-Christian mysteries. After humanity's 'fall' into materialism, these mysteries signal the development of human individuality. The impulse for self-hood continues with Christ, who brings a new path of divine love. But the mystery of Christ leads naturally to his shadow. Today, we can no longer escape the question: Where in the world is Judas? Without Judas's betrayal, Christ's greatest gift could never have been given. We can't reject Judas, but should transform him within ourselves. In Part II, 'Lowering the Temple', Ridenour relates the theme of metamorphosis to the contemporary world. Once guided by initiates, personal transformation now needs to blossom

from within each individual human soul. The topic of evolution takes us to a consideration of the perennially-controversial Charles Darwin, as well as the intuitive approach of Goethe and the living thinking of Rudolf Steiner. A rich treasure-trove of ideas, *The Greatest Gift Ever Given* sharpens a dynamic focus on current spiritual needs and contributes a thought-provoking response to them.
