How the Grinch Stole Christmas Stripes Publishing

Anty Boisjoly tackles the peculiar case of the war hero who visits his old friends on Christmas morning - after being murdered on Christmas Eve. This is the Jeeves & Wooster that Agatha Christie dared not write, the Poirot that never occurred to PG Wodehouse. In The Case of the Ghost of Christmas Morning, Wodehousian clubman, flaneur, idler and sleuth Anty Boisjoly pits his sardonic wits against another pair of impossible murders. This time, Anty Boisjoly's Auntie Boisjoly is the only possible suspect when a murder victim stands his old friends a farewell drink at the local, hours after being murdered. Like The Case of the Canterfell Codicil, the first Anty Boisjoly mystery, The Case of the Ghost of Christmas Morning fits the narrow literary needs of those who feel that Miss Marple isn't frivolous enough and that Blandings Castle could stand a few more baffling murders.

No Holly for Christmas Simon and Schuster

"Readers will be delighted." —Publishers Weekly started review on One More for Christmas From the USA TODAY bestselling author of The Christmas Sisters and A Wedding in December comes this sparkling tale of Christmas redemption... For sisters Samantha and Ella Mitchell, Christmas is their most precious time of the year. But this year, they 'll be buying presents for the most unexpected guest of all—their mother. It 's been five years since they last saw each other. But when their mom calls out of the blue, Samantha and Ella cautiously agree to spend Christmas all together in the beautiful Scottish Highlands... Gayle Mitchell is at the top of her career, but her success has come at a price—her relationship with her daughters. Her tough-love approach to parenting was designed to make them stronger, but instead managed to push them away...until a brush with her own mortality forces Gayle to make amends. As the snowflakes fall on their first family celebration in years, the Mitchell women must learn that sometimes facing up to the past is all you need to heal your heart... What happens if the only Christmas celebration you want to attend is one you haven't been invited to? Find out in Snowed in for Christmas, a hilarious and heartwarming Christmas romance by USA Today bestselling author Sarah Morgan!

The Case for Christmas HarperChristian Resources

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here 's a unique book that examines all sides of this issue and comes away with a passionate

defense for God's divine action in lives today. Also available: The Case for Miracles Spanish edition, kids' edition, and student edition. The Case for a Creator The Case for Christmas Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library 's new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany 's and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote 's masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the “ new journalism. ” Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. “ I thought he was a very nice gentleman, ” he says of Herb Clutter. “ Soft-spoken. I thought so right up to the moment I cut his throat. ” Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ' flight, Capote 's account is so detailed that the reader comes to feel almost like a participant in the events.

Who Needs Christmas Study Guide Zondervan

He loves no-one and never will. Lord Christmas Gale is a genius and a misanthrope, and, quite to his disgust, adored by all of Society for his capacity to solve mysteries. When a man approaches him seeking help in locating a lost dog, Gale rebuffs him. But what begins with a missing dog ends in murder and intrigue—two of Gale's favourite things, if it weren't for the orphan that comes attached to them. Oh, and Benjamin Chant. He has sworn to never love again. The Honourable Mr. Benjamin Chant isn't sure how he got swept up in Gale's mad investigation, but there's something intriguing about the man—a vulnerability that most of the world doesn't notice, but which captures Chant's interest, and his sympathy, from their first meeting. After a disastrous love affair in the past, Chant has sworn to never give his heart away again. Especially to a man who does not want it. But it isn't just their hearts at stake. When their investigation takes a dangerous turn and their lives are threatened, both Gale and Chant are forced into the realisation that perhaps two imperfect men might fit perfectly together—that is, if they can outwit the killer who is intent on seeing them both dead. A Case for Christmas is the second book in the Lords of Bucknall Club series, where the Regency meets m/m romance. The Lords of Bucknall Club can be read in any order.

The Case for Christmas Study Guide The Floating Press

Was God telling the truth when he said, "You will seek me and find me when you seek me with all your heart"? In The Case for Faith, bestselling author, journalist, and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God—the eight "heart barriers" to faith: "Since evil and suffering exist, a loving God cannot" "Since miracles contradict science, they cannot be true" "Evolution explains life, so God isn't needed" "God isn't worthy of worship if he kills innocent children" "It's offensive to claim Jesus is the only way to God" "A loving God would never torture people in Hell" "Church history is littered with oppression and violence" "I still have doubts, so I can't be a Christian" This book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path. For Christians, it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends, or during the hardest of times, when they have to defend their faith to themselves in moments of doubt. Also available: The Case for Faith Spanish edition, kids' edition, and student edition. Plus, be sure to check out Lee Strobel's entire collection of Case for... books: The Case for Christ investigates the historical evidence for Jesus The Case for a Creator explores the scientific evidence for God The Case for Grace uncovers the "how" and "why" behind God's amazing grace . . . and more!

Christmas Zondervan

tackling tough questions kids ask about God. For kids who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.

The Case of the Christmas Caper Penguin

Who was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you 'd expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? The Case for Christmas invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than you 've realized. Weigh the facts . . . and decide for yourself.

The Case for Miracles Zondervan

The author provides Exciting biblical background, An interesting survey of each book in the Bible, Each book's master theme, Practical principles, forms, and guidelines for your own life-enriching Bible study. The sometimes hard-to-understand teachings of Jesus in their original culture and context come alive and become real through discovering the miracle of the scarlet thread. Then Jesus began to explain everything which had been written in the Scriptures about Him. Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

Case for Christ Hc MM - Fcs RH Childrens Books

Written for everyone who loves and is simultaneously driven crazy by the holiday season, Christmas: A Candid History provides an enlightening, entertaining perspective on how the annual Yuletide celebration got to be what it is today. In a fascinating, concise tour through history, the book tells the story of Christmas—from its pre-Christian roots, through the birth of Jesus, to the holiday's spread across Europe into the Americas and beyond, and to its mind-boggling transformation through modern consumerism. Packed with intriguing stories, based on research into myriad sources, full of insights, the book explores the historical origins of traditions including Santa, the reindeer, gift giving, the Christmas tree, Christmas songs and movies, and more. The book also offers some provocative ideas for reclaiming the joy and meaning of this beloved, yet often frustrating, season amid the pressures of our fast-paced consumer culture. DID YOU KNOW For three centuries Christians did not celebrate Christmas? Puritans in England and New England made Christmas observances illegal? St. Nicholas is an elf in the famous poem "The Night Before Christmas"? President Franklin Roosevelt changed the date of Thanksgiving in order to lengthen the Christmas shopping season? Coca-Cola helped fashion Santa Claus's look in an advertising campaign?

Discovering the Miracle of the Scarlet Thread in Every Book of the Bible Zonderkidz

Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel

says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in *The Case for a Creator*. Also available: *The Case for a Creator* small group video study and study guide, Spanish edition, kids' edition, student edition, and more.

What It Means to Be Human HarperChristian Resources

What do you do if you want to take Christ out of Christmas? You hire the hottest attorney in Los Angeles. Matthew Williams is hired by a powerful atheist group for the biggest case of his career-changing Christmas to Unity Day. What Matthew doesn't realize is that God has a case for him as well: prove Jesus is the Messiah. By day, he is fighting to end Christmas. As he sleeps, he finds himself fighting for Jesus using Old Testament prophets and the disciples as witnesses. Who will prevail in this spiritual battle?

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL

TIME FOR ME TO COME HOME FOR CHRISTMAS! The

fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackelford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackelford, *Time for Me to Come Home* is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."

The Case for Faith Zondervan

Bestselling author Lee Strobel examines how we can know the biblical accounts of Jesus' resurrection are accurate by objectively looking at the evidence surrounding Jesus' death, the evidence of the empty tomb, and the evidence of the many witnesses who saw him alive after his crucifixion.

The Gift of the Magi Carson-Dellosa Publishing

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he

developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Case for Christ for Kids 90-Day Devotional Scholastic Paperbacks

In this video Bible study (DVD/digital video sold separately)--led by the New York Times bestselling author Lee Strobel--you and your group will dig into the true Christmas story to sort out the fact from the fiction and the hype from the holiness. The *Case for Christmas* study helps you reflect on the gospel story of the birth of Jesus in a focused, group-oriented way that might change the way you view the season. During his faith journey, Lee Strobel investigated the real meaning behind all those nativity scenes he saw outside of churches. In this four-week study, Lee reveals what he discovered from consulting experts on the Bible, archaeology, and messianic prophecy as he sought to separate the truth from the tradition. In each session you and your group explore: What the Bible actually says about Jesus' birth and how you can know it's accurate. Whether the Christmas story actually happened or developed from the myths of the day. The Bible's claim that Jesus was born of a virgin and why it's important to your faith. How Jesus--and only Jesus--fulfilled hundreds of Old Testament biblical prophecies about the Messiah. Regardless of whether the center of your Christmas decorations is the nativity set on your mantle or the presents under the tree, *The Case for Christmas* study invites you to look beyond the familiar traditions of the season, challenge you to examine the evidence for yourself, and consider why Christmas really matters and why it's still so relevant today. Sessions include: Setting the Record Straight Beneath the Fake News A Mind-Boggling Proposition The Prophetic Fingerprint Designed for use with *The Case for Christmas* Video Study/*The Case for Easter* Video Study (sold separately).

The Case for the Real Jesus Zondervan

Does believing in Christ mean refusing to ask hard questions in the midst of doubt? Doubt is familiar territory for Lee Strobel, the former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this six-session revised small group Bible study (DVD/digital video sold separately), Strobel explores the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. They also include this compelling question: Can I doubt and be a Christian? Through compelling personal stories and experts testimony combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new confidence that Christianity is a reasonable faith. Sessions include: The Challenge of Faith Dealing with Doubt Evil and Suffering, Part 1 Evil and Suffering, Part 2 Why Is Jesus the Only Way to God? The Power of Faith Designed for use with *The Case for Faith* Revised Video Study 9780310698814 (sold separately).
