Lillian is an orphan who lives with her aunt on a homestead miles from anyone, surrounded by uncharted forest. She wanders the woods, chasing squirrels and rabbits and climbing trees. Free-spirited and independent Lillian is a kindred spirit to the many wild cats who gather around the ancient beech tree. One day, while she is under the beech, Lillian is bitten by a poisonous snake. The cats refuse to let her die, and use their magic to turn her into one of their own. How she becomes a girl again is a lyrical, original folktale. Set in the countryside north of de Lint's fictional Newford, with some of the same characters as the duo's recent, acclaimed *Seven Wild Sisters*, *A Circle of Cats* is the long-awaited first picture book by long-time friends Charles de Lint and Charles Vess, whose masterful art is as magical as the story. Illustrations by Charles Vess.

NATIONAL BESTSELLER • "Rutherford brings England's New Forest to life" (The Seattle Times) in this companion to the critically acclaimed *Sarum* From the time of the Norman Conquest to the present day, the New Forest, along England's southern coast, has remained an almost mythical place. It is here that Saxon and Norman kings rode forth with their hunting parties, and where William the Conqueror's son Rufus was mysteriously killed. The mighty oaks of the forest were used to build the ships for Admiral Nelson's navy, and the fishermen who lived in Christchurch and Lymington helped Sir Francis Drake fight off the Spanish Armada. The New Forest is the perfect backdrop for the families who people this epic story. The feuds, wars, loyalties, and passions of many hundreds of years reach their climax in a crime that shatters the decorous society of Bath in the days of Jane Austen, whose family lived on the edge of the Forest. Edward Rutherford is a master storyteller whose sense of place and character—both fictional and historical—is at its most vibrant in *The Forest*.

"As entertaining as *Sarum* and Rutherford's other sweeping novel of British history, *London*." —The Boston Globe

smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It ' s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “ what if. ” Despite their fathers ' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.
