In *The Cause of All Nations*, distinguished historian Don H. Doyle explains that the Civil War was viewed abroad as part of a much larger struggle for democracy that spanned the Atlantic Ocean, and had begun with the American and French Revolutions. While battles raged at Bull Run, Antietam, and Gettysburg, a parallel contest took place abroad ...

The title of 'The Cause of all
Nations' refers to the stake
that the world had in the
outcome, particularly whether
slavery would continue in the
long term and whether
significant interventions by the
European powers would grow
beyond the attempted
intervention in Mexico, in
particular by the French, to
establish a monarchical
empire headed by an Austrian
prince.
