As Sir Baldwin and Simon Puttock uncover the mysteries surrounding the church, they risk making more enemies than friends... The Chapel of Bones is the eighteenth mystery in Michael Jecks' riveting Knights Templar medieval series, featuring Sir Baldwin de Furnshill and Simon Puttock. Perfect for fans of Susanna Gregory and Paul Doherty. 'This fascinating portrayal of medieval life and the corruption of the Church will not disappoint. With convincing characters whose treacherous acts perfectly combine with a devilishly masterful plot, Jecks transports readers back to this wicked world with ease' - The Good Book Guide
In 1283, Exeter Cathedral Close was the scene of a vicious ambush. Now, forty years on, more deaths are occurring. Is the first an accident? The second is surely not, and the killer will not be easy to catch. The victim, Henry Potell, was feared by many and held secrets some would wish to keep hidden, at any cost... For investigators Sir Baldwin de Furnshill, Keeper of the King's Peace, and his friend Bailiff Simon Puttock, events become increasingly mysterious. Who among Henry Potell's companions would have wanted him dead? The key to the mystery lies in the ominous Chapel of Bones, built in reparation for a terrible murder long ago... What readers are saying about The Chapel of Bones: '[An] engrossing and compelling read...rich in ambiance, colour and historical detail' 'Another tightly plotted episode in the Templar series. Jecks is a master' 'Michael Jecks hits the spot with an intriguing mystery that you can't put down'

The Sworn Knight Taylor & Francis

The order of the Knights Templar, which existed for about two centuries in the Middle Ages, was created after the First Crusade of 1096 to ensure the safety of European pilgrims to Jerusalem after its conquest. Officially endorsed by the Catholic church in 1129, the order became a favoured charity across Europe, and grew rapidly in membership and power. Templar knights, easily recognisable in their white mantle with a distinct red cross, were some of the best equipped, trained, and disciplined fighting units of the Crusades. When the Holy Land was lost and the Templars suffered crushing defeats, support for the Order faded. Rumours about the Templars' secret initiation ceremony created mistrust, and King Philip IV of France, on 13 October 1307 had many of the order's members in France arrested, tortured into 'confession' and burned at the stake. In 1312, Pope Clement, under continuing pressure from Philip, forcibly disbanded the order. The sudden disappearance of a major part of the European infrastructure gave rise to speculation and legends, which have kept the name 'Templar' alive. This book brings the story into logical focus.

Knight's Penny Magazine University of Pennsylvania Press
The Westford Knight is a mysterious, controversial stone carving in

Massachusetts. Some believe it is an effigy of a 14th century knight, evidence of an early European visit to the New World by Henry Sinclair, the Earl of Orkney and Lord of Roslin. In 1954, an archaeologist encountered the carving, long known to locals and ascribed a variety of origin stories, and proposed it to be a remnant of the Sinclair expedition. The story of the Westford Knight is a mix of history, archaeology, sociology, and Knights Templar lore. This work unravels the threads of the Knight's history, separating fact from fantasy. This revised edition includes a new foreword and four new chapters which add context to the myth-building that has surrounded the Westford Knight and artifacts like it.

The Chapel of Bones (Knights Templar Mysteries 18) University of Delaware Press

Banished by his father, Mazael Cravenlock has spent the last six years wandering the realm as a landless knight, fighting for gold and his own amusement. But Mazael has a dark destiny, and that destiny threatens to devour him... Originally published as the short stories THE WANDERING KNIGHT, THE TOURNAMENT KNIGHT, THE RANSOM KNIGHT, THE BRONZE KNIGHT, THE RUNE KNIGHT, THE SERPENT KNIGHT, and THE DRAGON'S SHADOW.

Dark Knights Rising The History Press

On the great influence of a valiant lord: "The companions, who see that good warriors are honored by the great lords for their prowess, become more determined to attain this level of prowess." On the lady who sees her knight honored: "All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man-at-arms." On the worthiest amusements: "The best pastime of all is to be often in good company, far from unworthy men and from unworthy activities from which no good can come." Enter the real world of knights and their code of ethics and behavior. Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling, fighting, appearing in court, and engaging fellow knights. Composed at the height of the Hundred Years War by Geoffroi de Charny, one of the most respected knights of his age, A Knight's Own Book of Chivalry was designed as a guide for members of the Company of the Star, an order created by Jean II of France in 1352 to rival the English Order of the Garter. This is the most authentic and complete manual on the day-to-day life of the knight that has survived the centuries, and this edition contains a specially commissioned introduction from historian Richard W. Kaeuper that gives the history of both the book and its author, who, among his other achievements, was the original owner of the Shroud of Turin.

The Knights Templar and Scotland Azure Flame Media LLC

Places and books like Rosslyn Chapel and The Da Vinci code have focused attention on Scotland's Knights Templar. Who they were and what they did has been touched upon, but never properly explored until now. They were close advisors to Scotland's early kings; they were major property owners and respected landlords in a harsh and unforgiving time; and they were secretive and arrogant. But did they really flee from France to Scotland just prior to their arrest in 1307? Did they fight with Robert the Bruce at Bannockburn? In *The Knights Templar and Scotland* Robert Ferguson intertwines Templar and Scottish history, from the foundation of the order in the early twelfth century right up to the present day. Including a comparison of the arrest of the Templars in France with the Templar Inquisition at Holyrood, and an examination of the part they played at Bannockburn, this is an essential book for anyone with an interest in history of the Knights Templar.

Want to learn the secrets of secret societies? Have you or a family member been trapped in a secret society? Are secret societies really dangerous or just a group of like-minded people trying to accomplish something important for the betterment of the world? In this book, Notorious Secret Societies, you'll everything you want and need to know! Things aren't always what they seem to be. Looks can be deceiving and just because you don't see something doesn't mean it doesn't exist. Take for example the air we breathe. If seeing is believing, then it means oxygen, as we know it, doesn't exist. But it does exist and the fact that we're alive is living proof of such. Or how about carbon monoxide? It's not something that we can see but many people all over the world are killed by it. Because they don't see it, they unknowingly breathe it and fall victim to its poisonous power. Secrecy can be a lethal weapon! And so it is with The Worlds' Most Notorious Secret Societies. Their power and ability to do what they want is highly contingent on being able to keep their supposed secret agendas secret. The day they're purported sinister agendas get exposed is the day they fail to achieve their grand agendas. That's why more than ever, it's important to know who these secret societies are and the reason why they're very controversial. In this book, you'll discover secrets from some of the world's most notorious secret societies. The Pilgrimage of Arnold von Harff, Knight, from Cologne JecksThe Knights Templar and Scotland

What is this mysterious labyrinth that begins under the Saint-Bernard church, and runs several kilometers down into the depths of the Croix-Rousse hill? It is beyond doubt the greatest mystery of Lyon, perhaps even further. It seems that in the shadows, some occult power has been at work for centuries to keep the existence of the FishBones secret. Indeed, no

registered traces of their construction or their use can be found; thousands of human bones disappeared before any analysis; the only archaeological report is biased... An amazing and unique investigation that will take you into the dark secrets of a thousand years of history.

Medical Work of the Knights Hospitallers of Saint John of Jerusalem Headline

This book offers an integrated interpretative analysis of the major thematic aspects of the English fourteenth-century romance Sir Gawain and the Green Knight. The chief aim of author Piotr Sadowski is to look at the contents of the narrative in their entirety and to take full advantage of the poem's exceptional and widely praised harmony of structure and design. Within that design, Sadowski focuses on the poem's presentation of the main protagonist and his adventures, seen first of all as a generalized metaphor of the human life understood as a spiritual quest, and, in a more historical sense, as an expression and critique of certain ideals, values, and anxieties that characterized the late medieval institutions of the court, chivalry, and the Church. Sadowski built the interpretive framework of Sir Gawain from an eclectic theoretical base that he believes is most valuable and useful in approaching medieval literature. The main focus of the study remains the literary text itself, created by an author who communicates his view of the world through the poem.

Translated from the German from Groote's edition of 1860 and edited with notes and an introduction This is a new print-on-demand hardback edition of the volume first published in 1946.

Knight's Quarterly Magazine

Believing she will never marry, Lady Beatrice has made a dramatic decision—she will take up a convent life. But first she must ask a favor of one of her father's most handsome knights. Wanting to experience, just once, a man's strong arms around her, she has turned to Sir Remy St. Leger, intending that they should share a kiss. His startling touch sparks desire deep within her, and all at once Beatrice realizes how much more life—and this man—has to give. Remy wants more, too... But Beatrice cannot decide whether it is folly to refuse Remy, or folly to love him....
